

The Mightiest Little Peasant Chapter 1789

In the valley, the two of them snuggled together and chatted for a long time.

Suddenly, she seemed to have thought of something. She raised her head and looked at Tang Hao with her beautiful eyes.

“What’s wrong?”

Tang Hao was surprised.

“I heard that during the ceremony of blood source, many people came from the ancestral star ... Which is earth, and they all have the creation divine body. Be honest with me, do you have anything to do with it?” She narrowed her eyes and said mischievously.

“Ahem!” Tang Hao coughed lightly. He was a little embarrassed.

“Hmph! Look at you, I already knew!”

She snorted and said, “it’s not like I don’t know about your little lovers!”

She stood up and touched her waist. She took out a token and threw it into the pond. Then, she pulled Tang Hao away. “Let’s leave quickly. By now, the news should have reached the Qin clan. This is my identity token. With this token, the Qin clan will be able to find me.”

“Also, I’ve left behind a wisp of my soul in the ancestral temple of the Qin clan. The Qin clan can also use this to track me. However, I have a way to deal with it. You can rest assured.”

With that, the two of them rushed away.

At this moment, the news spread rapidly from the Holy Mountain to every corner of desolate.

Everywhere it went, there was a huge earthquake.

The divine Mountain Conference was originally a place where the heroes of the spiritual wilderness fought. But now, a wild kid from the lower realm had suddenly appeared and defeated a hundred people in a row. He killed so many of the heroes of the spiritual wilderness that they did not dare to accept the challenge. How could this not shock the world?

In the world’s impression, the lower realm had always been very weak. How did such a monster suddenly appear?

After hearing the news, everyone had the same reaction, and that was shock and disbelief.

After that, he felt a deep sense of shame.

He was from the Grand spiritual wilderness, with so many geniuses and heroes, yet he could not do anything to a wild kid from the lower realm. What kind of humiliation was this!

They could already imagine how much ridicule they would receive when the news spread to the other desolates.

And what made everyone feel even more astonished was that the Holy maiden of the Qin clan was even abducted. It was said that she did so willingly.

“Tang? It’s really strange that such a person could actually come from the Tang clan’s bloodline in the lower realm! The reason why he wasn’t ferried up here before must be because he’s already reached the sage realm. That’s why I couldn’t sense him.”

“The fact that he can enter the Tian Lao sacred mountain proves that he is not old. I estimate that he is at most in his sixties. It is very difficult for a sixty-year-old to cultivate to the third tribulation of the sage realm here. It is even more impossible in the lower realm. How did he cultivate?”

“To be able to stand out in the lower realm, I’m afraid that this person’s talent and luck are far beyond ordinary Holy Sons. If he was born in the Tang Clan, I’m afraid he would be even more amazing now.

The crowd discussed enthusiastically and was somewhat amazed.

“It’s said that he’s extremely brave and has a shocking spirit. Many people compare him to the big brutal man from thousands of years ago!”

“A vicious man? You mean that old demon blood? Si si si! I almost forgot that old demon Xue came from the lower realm. Is this kid another madman from the lower realm?”

Many people wore expressions of fear when The Blood King was mentioned.

As they were discussing, the title of the lower realm’s madman quickly spread and was recognized by the people of the spiritual wilderness.

He had defeated a hundred of the spirit wilderness ‘Holy Sons and was unrivaled. This battle record could be compared to The Blood King’s back then. He was worthy of his title.

“This brat just charged out like that and defeated a hundred Saint children in a row. He also gave those clans a tight slap in the face and even kidnapped the Qin clan’s Saint daughter. This time, the spirit wilderness will be in for a good show. I wonder if that brat will survive.”

“That’s hard to say. Those clans definitely don’t want to see another madman from the lower realm rise up, especially that Qin clan. Right now, they can’t wait to swallow that kid alive!”

Everyone was watching the show.

“What? Zhong ‘er was defeated? His opponent was a kid from the lower realm? This ... How is this possible?”

The news spread back to the ancient city of the Zhong clan and shocked the entire city.

The Zhong clan's people's faces were a little ugly.

The Holy Son was the face of a clan. Losing to other Holy Sons would at most be a little embarrassing, but it was nothing. After all, they were all clansmen. There had been wins and losses between them over the years, but now, their opponent was just a wild kid from the lower realm.

This was a humiliation!

"What a disgrace! What a disgrace!"

"If we don't take revenge, we'll be ashamed of our ancestors!"

Roars of anger rang out in the ancient city.

Boom! Boom! Boom!

Beams of bright immortal radiance shot up into the sky, stirring up the wind and clouds.

The entire ancient city of the Zhong clan was shrouded in a terrifying aura.

All around the ancient city, many powerful wills were ready to rush out and capture this boy from the lower realm.

"Calm down, everyone. This is just a fight between the younger generation. If we take action, we'll become the laughingstock of the world. If we want to wash away this humiliation, Zhong 'er has to come. Call him back immediately and open our clan's Treasury to increase his strength. Then, we'll let him go back and take revenge."

Suddenly, a loud shout came from the center of the ancient city, subduing the elders who were ready to make a move.

"Right! Open the treasure vault and take out all of our ancestor's collections!"

"The Zhong clan has tens of thousands of years of history. It's a piece of cake for us to kill a wild kid from the lower realm!"

The elders sneered and their tone carried a hint of contempt.

A wild brat from the lower realm was really nothing in their eyes.

This kid might have astonishing perseverance and extraordinary talent. He was a rare genius that only appeared once in a thousand years or even once in ten thousand years. This was why he could kill his way up from the lower realm and crush the Holy Sons of the spiritual wilderness.

However, he was just a wild kid with no status or background. He was just one person. How could he fight against his entire clan?

With the power of the Zhong clan, it would be as easy as crushing an ant to kill this kid.

Not to mention that this kid had not only offended the Zhong clan, but also all the clans in the spiritual wilderness. He would definitely die without a burial ground.

Soon, the Zhong tribe elders took action. They opened the Treasury and took out the treasures of the ancestors.

Not only the Zhong clan, but the other clans were in a similar situation.

“This man’s surname is Tang and he has the Tang clan’s bloodline. If the Tang Clan knows about this, they will definitely take action. We must be careful!”

“We must act fast too. We must find that kid and kill him before the Tang Clan finds out!”

Many people thought of the Tang Clan in the eastern wilderness and secretly took precautions.

If the Tang Clan knew that such a powerful descendant of the Tang Clan had appeared in the lower realm, they would definitely come to snatch him away. They had to be on guard.

For a time, because of what had happened at the divine mountain Dao discussion conference, the entire spiritual wilderness was in an uproar. Everyone was discussing this matter, and it was extremely lively everywhere.

However, what caused everyone to be astonished was that out of all the clans, the Qin clan, which should have had the most intense reaction, was actually the calmest. During these few days, not a single piece of news came out from the ancient city of the Qin clan.

It was like the Qin clan didn’t know about this matter at all.
