

The Mightiest Little Peasant Chapter 1946

The heaven demons were all stunned, unable to believe their eyes.

The heavenly demonic Emperor couldn't do anything to the human Saint, and he was swallowed by him!

'How ... How is this possible?'

It had always been the heavenly fiends who devoured the souls of humans, not the other way around!

The otherworldly demons were shocked and horrified.

The Saints around were also shocked.

"Mm! The taste is not bad!"

Tang Hao retracted his primordial spirit and mumbled something under his breath.

Hiss!

In an instant, the sound of cold air being sucked in rang out.

The otherworldly demons were horrified. They looked at Tang Hao as if he was a monster!

"This guy ... Is too brutal!"

"F * ck! Is this guy still human? why is he like us sky demons?"

They were even more puzzled. They had lived for so long, but they had never seen such a strange human. Not only was he unaffected by their heavenly demon succubus, but he also liked to eat the heavenly demon clan.

"F * ck!"

Ye jixuan and the others were all dumbfounded.

They had never thought that the heavenly demonic Emperor would not only fail to seduce that guy, but would also be swallowed.

"This guy's primordial spirit is too abnormal! That's the heavenly demonic Emperor!"

A demon pulled his hair and was about to go crazy.

"How could this be ..."

Ye jixuan mumbled to himself. He could no longer remain calm.

“I’m fine! It must be because this otherworldly demon isn’t strong enough to affect that fellow. You all know that fellow’s primordial spirit is extremely powerful, and ordinary otherworldly demons can’t do anything to him. However, there’s no need to panic. There will definitely be stronger otherworldly demons coming out later, and that will be the time of this guy’s death!”

He consoled everyone.

“Yes, yes! That must be the case. As far as I know, the heavenly demon Emperor is also divided into ranks. There are nine stars, corresponding to our nine tribulations of the sage realm. A nine-star heavenly demon Emperor is an existence that can rival a Supreme-being.”

“I think that the otherworldly demon just now was a four-star or five-star at most!”

The group of geniuses discussed for a while before they felt relieved.

“That human is so brutal. Just now, an Emperor came out and was swallowed by him in one bite. That human even said that it tasted good!”

“What? So brutal?”

The news quickly spread to the heavenly Devil World and caused a shock.

The Army of otherworldly demons, which was constantly surging in, all stopped at the entrance of the passage.

Initially, they had all wanted to get a piece of the cake and taste this once-in-a-thousand-years delicacy. However, they had not expected this human to be so brutal. As such, they did not dare to rush out rashly.

“What are you afraid of? a mere human at the fifth tribulation can’t possibly overturn the heavens!”

Soon, a celestial demon Emperor stood out.

He looked proud and full of disdain for the human Saints.

In his eyes, human xiuzhe had always been sheep, food for the heavenly fiend clan. What was there to be afraid of?

The heavenly demonic Emperor’s failure just now was because he was not strong enough!

“Watch how I take him down!”

The heavenly demonic Emperor shouted and set off with full confidence.

He crossed the passage and appeared in Pangu world. His eyes lit up when he saw Tang Hao, and he couldn’t help but gulp.

Then, his body flickered and turned into a pure and beautiful woman. He landed in front of Tang Hao.

He twisted his waist and began to cast a charm spell.

“Another one has come!”

“This one seems even more powerful! That kid shouldn’t be able to hold on any longer!”

All the cultivators exclaimed in surprise when they saw this from afar.

But unexpectedly, that sky demon flirted and showed off for a while, but that kid still didn’t have any reaction.

They were depressed, and the heavenly demonic Emperor was even more depressed.

“Impossible! This was absolutely impossible! How can my heavenly demonic charm be useless?”

The celestial demon Emperor’s heart turned cold when he saw that Tang Hao did not react at all and was staring at him coldly instead.

“Not good! The Tribulation lightning is coming!”

Seeing that the sea of thunder in the sky was moving and that the next tribulation Thunder was about to fall, the heavenly demonic Emperor had the intention to retreat and escape back into the passage.

“You want to leave?”

At this moment, Tang Hao suddenly stood up and shouted. A golden light shot out from the top of his head and turned into the tall and sturdy witch God. He reached out his giant palm and grabbed the celestial demon Emperor.

“What is this? This is ... The aura of an ancient witch?”

The heavenly demonic Emperor turned around and was shocked.

The next moment, the giant palm grabbed him and threw him into its mouth.

There was another deathly silence.

Everyone’s faces were filled with shock.

The second celestial devil Emperor had also been devoured by that brat!

“This also tastes good!”

“Let’s go,” Tang Hao said indifferently as he retracted his primordial spirit and shot toward the tunnel.

“Mother! Is this guy really a human?”

“This person must be a great fiend, a peerless fiend among human cultivators!”

The group of heaven demons cried out in horror.

The news of the second Heavenly Devil Emperor’s failure immediately spread to the heavenly Devil World, causing another shock.

“The two of them were five star thearchs. How could they not be able to deal with a five tribulation Saint?”

“It seems like we’ll need a six-star Thearch to take him down!”

The vast and boundless Army of otherworldly demons was in an uproar.

“This man is too despicable. How dare he devour our heavenly demon clan? we must capture him today and devour his primordial spirit!”

Then, an angry emotion spread among the otherworldly demons.

The dignified heavenly fiend clan had been swallowed by a human cultivator. This was a great humiliation!

“To be able to devour two emperors, this person must have some ability. A single Emperor can’t take him down. Everyone, why don’t we work together and cast the heavenly demonic illusion? we’ll definitely be able to disturb his mind. As long as his mind is in a mess, we’ll be able to take advantage of the gap.”

Another heavenly demonic Emperor stood out.

“Not bad! I saw that the two just now used a charm spell, but it didn’t affect that guy’s mind at all. It can be seen that his mind is extremely firm, and charm spells don’t work on him, so they can only use illusions.”

“We can’t do anything to him alone, but as long as we work together, we can definitely break his mind.”

The heavenly demonic emperors stepped forward one after another.

Soon, there were more than ten.

They discussed for a while. When the lightning tribulation was over, they emerged from the tunnel and surrounded Tang Hao to cast an illusion.

“Thirteen celestial demonic emperors!”

The xiuzhe from the four sides saw this and exclaimed.

“It’s more than 70 lightning bolts. The lightning tribulation is almost over. I must succeed this time!”

Everyone became nervous.

“Thirteen! You really think highly of me!”

Tang Hao looked around and grunted coldly.

Facing the thirteen heavenly demonic emperors, he sat down cross-legged and closed his eyes. His mind instantly calmed down, as clear as a mirror, without a trace of distracting thoughts.

Without a trace of distracting thoughts, it would be difficult to be affected by the illusion.

He defended his primordial spirit again. His mind was as solid as a rock and indestructible. No matter how the otherworldly demons cast illusions, they could not affect him at all.
