

The Mightiest Little Peasant Chapter 1984

“Stop! Let’s do it here!”

The ship stopped after a while.

The cultivators on it rushed out one after another, and the elders carried the skeleton and placed it on the ground, carefully arranging it.

The other xiuzhe scattered in all directions, took out sets of formations, and set them down.

After setting up the formation, they went into hiding.

The ship was also kept.

“Not bad! With the demonic Qi, the aura of the formation is perfectly concealed. Even if that kid comes, he won’t be able to detect any abnormalities.”

The group of elders inspected it and were very satisfied.

They all knew that the kid was not only good at alchemy, but he also had deep attainments in array Dao. Back in the spiritual wilderness, at tianlao sacred mountain, the kid had broken many ancient arrays.

Therefore, that kid was very sensitive to the aura of the formation. If he had set up an ambush elsewhere, he would have been discovered in an instant.

However, this place was different. There was demonic Qi everywhere, which could perfectly conceal the aura of the formation.

“Alright, everything is ready! Let’s just wait! We’ll wait for that kid to come!”

The group of elders also took out their void treasures and led the group of Saints into hiding.

They observed the situation closely through the ripples in the void.

At the same time, they had already set up many informers in the periphery of the demon burial abyss. They were monitoring closely and no one who entered the demon burial abyss could escape their eyes.

“Why isn’t that kid here yet?”

“It’s been several hours!”

After waiting for a while, many xiuzhe became slightly impatient.

“What’s the hurry? it’s good that the kid came, but it doesn’t matter if he doesn’t. Anyway, we’ve already found Qianqian!” The night race elder said.

“That’s right. It doesn’t matter whether that kid comes or not.”

The elders of the various clans all nodded.

“Brother Liu, miss Yuchi, among all the cultivators here, you two know him the best. In your opinion, will he come or not?”

Ye Jiuxuan looked at Liu Heihu and Yuchi Xuan, who were at the side.

“This ...”

Yuchi Xuan’s brows furrowed as she shook her head, “I can’t say for sure!”

Liu Heihu said, “Hey!” In my opinion, he’s definitely here, but I’m afraid he’s already guessed that this is a trap. ”

“Oh? Why would brother Liu say that? if he was really that smart and guessed that this was a trap, why would he obediently jump in?” Ye Jiuxuan asked, puzzled.

“Right, only a fool would jump in knowing it’s a trap!”

The group of geniuses agreed.

“Hey! You guys don’t know! That bastard surnamed Tang, just how cunning is he? his nickname of being as cunning as a Fox isn’t for nothing. At that time, he didn’t know how to play all his enemies like fools. ”

Liu Heihu waved his hand.

These people were not clear about the background of that surnamed Tang, but he knew that back in Qiyuan, that surnamed Tang had relied on his own strength to fool the people of the various large sects.

Liu Heihu was the only one who knew his cunning and wisdom.

He, Liu Heihu, had gotten to where he was today because of his vileness, but that guy was different. He had relied more on his wisdom. Of course, that guy was also vileness, and once he became vileness, even Liu Heihu had to admit defeat.

At the thought of this, he subconsciously touched the back of his head, which was still aching.

“All you need to know is that this guy is very cunning and very smart. He will definitely be able to see through this kind of trap.” Liu Heihu said.

“It’s not strange that you can tell! That guy is indeed a little shrewd and calculative. He’s like an old monster, not easy to deal with!” A Saint said, “but if he really guessed it, why would he come?”

Liu Heihu said, “then you don’t know how bold he is. Even if he knew it was a trap, he would still come. He wouldn’t let go of this Kasaya.”

“He’ll definitely think of a way to break this trap and snatch the treasure!”

“Hahaha!”

“Brother Liu, you’re overestimating him!”

All the Holy Sons burst into laughter.

They all thought that Liu heihu was exaggerating. He made the kid sound too powerful.

“He’s bold, that’s great! Let him come, we’ve already laid out an inescapable net waiting for him. We’re not afraid of him coming, we’re only afraid that he won’t come. As long as he comes, no matter how cunning or powerful he is, he’ll be dead.”

“That’s right! Let him do it! Just in time to close the door and beat the dog!”

The group of Holy Sons burst into laughter again.

Even the elders of the various clans at the side started laughing.

The atmosphere was a little relaxed and cheerful.

No one doubted that as long as that kid came, he would be dead.

Liu heihu said, “I only said that he will come and try to snatch the treasure. I didn’t say that he will succeed. With our strength, he will definitely die if he comes in.”

“However, we can’t let our guard down. We still have to be on guard and be more careful.”

Liu heihu paused and continued.

“I agree with this point!” Yuchi Xuan said with a grave expression.

“Hey! Brother Liu, miss Yuchi, you’re both thinking too much. We’ve already considered all the circumstances and made defensive preparations. Even if he came and changed his appearance to sneak in, we’d still be able to discover him at the first moment.”

Ye jiuxuan laughed and did not seem to mind.

“My two young friends, don’t worry. We old fogeys aren’t pushovers. With the intelligence of so many of us, do you think we can’t defeat a young brat?” The night race elder laughed.

Liu heihu and Yuchi Xuan no longer spoke.

They looked around and also felt that they might have been overthinking it. That guy from before had left too deep an impression on them, so they were nervous.

They were relieved and continued to wait.

In the blink of an eye, a few hours had passed.

Just as everyone was getting a little impatient, finally, a piece of news came from outside.

That kid is here!

Even though he had changed his appearance, he was still discovered by them.

“Hahaha! It’s finally here!”

“Hurry up! Hurry up and act!”

Everyone was overjoyed.

A group of xiuzhe rushed out from their hiding places and started to fight around the Kasaya.

Hehe!

The group of people put on an act and fought intensely.

There were even people who rushed out to spread the news of the Suan NI’s birth.

Very quickly, many xiuzhe that didn’t know the situation charged over and joined the battle.

“Everyone, pay attention. The news has already spread. I can see that the kid will be here in less than 15 minutes. Once he comes in, we’ll immediately activate the formation and trap him. This is a once-in-a-lifetime opportunity, don’t miss it.”

The night race elder shouted.

All the xiuzhe responded and became excited.

They were fully focused, waiting for the kid to come in to activate the formation.

But as he waited and waited, groups of people from all walks of life came one after another, but he still didn’t see the boy’s figure.

“Eh? Where was he? Don’t tell me he ran away!”

Everyone was a little puzzled.

Just as he was waiting anxiously, another piece of news came from the outside. That brat had been discovered by the others and had already started fighting.

This news stunned everyone.

“It’s the mud mountain four monsters and a group of wandering cultivators. They’re all old monsters, and they’re fighting very intensely. They all have treasures that can counter the heavenly Demon Eye. That kid can’t beat them. He’s going to lose!”

Very quickly, more news came.
