

The Mightiest Little Peasant Chapter 2019

“This ... This is ...”

At this moment, all the disciples and elders around creation Mountain Gate looked at the figure standing in the air, shrouded in monstrous blood flames, and revealed a shocked expression.

It was a perfected Dao law!

He had comprehended it!

In a short three months, he had comprehended the ultimate fire Dao!

“Is this true?”

Many elders rubbed their eyes in disbelief.

Most Saints needed decades or even centuries to comprehend the Dao. Even the most talented ones would need a few years to do so. But he only spent three months!

“Hiss!”

After they confirmed it again and again, they gasped in shock.

Such a shocking speed of enlightenment had truly shocked them!

“He comprehended the Dao of fire in just three months! What a monster!”

“I heard that his first Dao law, the Dao law of reincarnation, also took two to three months. He must have comprehended it in the reincarnation Lake. Even though the reincarnation Lake is very special and ancient Immortals comprehended it, he is still the first person in history to comprehend it in such a short time!”

A group of newly promoted elders discussed in low voices, their faces all had a touch of shock.

They all knew how monstrous this man was. Even young master Taixu was suppressed by him, and he was known as the number one genius of Pangu. But now that they had seen him with their own eyes, they finally realized that he was even more monstrous than they had imagined.

“This person’s talent is truly terrifying!”

Several figures stood in the void, all of whom were at the late stage of the sixth tribulation.

A black-robed old man with a cold expression praised.

His surname was Ji, and his name was hai. He was one of the late-stage itinerant cultivators that Daoist yinfeng had pulled in.

“Yup! He’s much more powerful than I thought!”

Beside him stood a beautiful woman in Palace Clothing, her figure graceful and her appearance beautiful.

She also praised, and her beautiful eyes were filled with ripples of splendor.

“It seems like I didn’t make the wrong bet!”

The person who spoke was the qianqiu Daoist.

Coming to the gate of fortune and joining him was a huge gamble. Before this, he was still a little apprehensive. But now, he finally heaved a sigh of relief and was much more at ease.

“You’ve comprehended it?”

The beggar and the others were also stunned for a long time, somewhat unable to believe it.

After a while, they came back to their senses and revealed ecstatic expressions.

“That’s great!”

“Congratulations!”

They laughed heartily and went forward to welcome him.

Tang Hao’s divine thoughts moved, and the true fire surged back into his body. The Dao law also dissipated. Then, his body sank and descended toward Zao Huazi and the others.

“It’s all thanks to the comprehension of those seniors that I was able to quickly comprehend this ultimate fire Dao!” He said to Zao Huazi, “it seems that we’re just in time to go to the ancient wilderness to join in the fun.”

“You know about the heavenly Peng mountain?”

The beggar was stunned and a little surprised.

“Of course! Although I’ve been in seclusion, I’ve always been keeping an eye on the outside world. When I came out of seclusion, I already knew about the matter of Tian Peng mountain. ” Tang Hao said.

In fact, he had almost fully comprehended it a few days ago. The reason why he chose to come out today was to catch up with the heavenly Peng mountain.

How could he miss out on the inheritance of a Supreme level figure!

Even if he had not comprehended the ultimate fire Dao, he would come out of seclusion early to take a look.

"It's good that you know. I don't need to introduce you anymore!" The disciple-to-be nodded and said, "according to the news from the ancient wilderness, the divine light guarding the heavenly Peng mountain is about to dissipate. We have to hurry over."

"No rush!" Tang Hao smiled and waved his hand.

Then, he turned around and looked around. "I haven't met them yet!"

The elders who had just entered the sect looked at each other and came forward.

"This one is Qian Qiu. Greetings, master!"

A group of people at the later stage of the sixth tribulation realm took the lead and stepped forward. Taoist qianqiu bowed and paid his respects.

"Late stage? Not bad! How many Dao laws do you have?"

Tang Hao said with a smile as he looked at him.

"Three! I'm the same as fellow Daoist yinfeng. In fact, the two of us know each other very well. He was the one who brought me here!" Daoist qianqiu said respectfully.

As he spoke, he raised his eyes and sized up his Lord.

He had heard many legends about this person, but this was the first time he had seen him in person.

After sizing him up, he was a little dazed. The young man in front of him looked quite handsome and had a gentle temperament. He was not at all like what the rumors said, that he was some killing God or demon.

When he took a closer look, his body trembled again, and his eyes widened, revealing an expression of extreme shock.

Late stage!

This was the aura of the late stage!

This person had also reached the late-stage!

At that moment, his heart was in turmoil. He was even more shocked than when he had comprehended the Dao law of fire.

He had cultivated for so many years and had only reached the late-stage, but this person had only cultivated for how many years?

"Brother yinfeng didn't even tell me that he's already in the late stage. It seems that he's also broken through recently! In just a few months, he broke through to the late-stage and comprehended the fire Dao law. This is too unbelievable!"

He thought in his heart, but he was even more shocked.

His expression also became more and more respectful, even a little reserved.

At this time, the late-stage and mid-stage six tribulation saints behind him also discovered it. They all looked shocked, and many of them exclaimed in low voices.

“Not bad!”

Tang Hao studied Taoist qianqiu again and nodded with a smile.

He flicked his sleeve, and rays of treasure light flew out.

“Take a look and see which treasure you like. Pick one!”

These treasures were Emperor artifacts.

Gulu!

Daoist qianqiu looked up and swallowed hard, his expression turning excited.

“This one!”

He looked at it several times and hesitated for a long time. Finally, he picked a seal.

“Alright!”

Tang Hao waved his hand, and the seal flew toward him.

“Many thanks, my Lord!”

Daoist qianqiu’s hands trembled with excitement as he accepted the seal.

The group of Saints at the back looked on with envy.

“And this Buddha’s light armor and these pills, you can take them all!”

Tang Hao waved his hand again and handed over the armor and pills.

Then, he sent out another thought. “Take this thought. Don’t worry, as long as you don’t betray me and the creation gate, this thought will never be of use. In the future, if you want to leave, you can ask me and I will take this thought back.”

“Yes!”

Without another word, Daoist qianqiu released his mind and allowed the thought to fuse into his primordial spirit.

“I’m ji hai ...”

After Daoist qianqiu left, Daoist Ji rushed forward and asked anxiously.

There were only a few treasures, and everyone wanted to be the first to choose.

“It’s also in the late stage! Not bad!”

Tang Hao sized him up and nodded in satisfaction. He then gave him the treasure.

After Ji hai, the rest of the Saints also stepped forward.

After an hour, Tang Hao finally went to each of them and gave them the treasures.

Compared to before he went into closed-door training, there were five more late-stage six tribulations, more than 70 more mid-stage six tribulations, and even more early-stage six tribulations, more than 100 of them. The number of six tribulations elders had increased by five or six times.

Tang Hao was quite satisfied with the result.

“You’ve done well. I’ll make up for the great supplement pill I promised. Let’s go to Tian Peng mountain first.”

Tang Hao complimented Daoist yinfeng and the others.

“Hurry up and leave!”

Zao Huazi took out a large ship and urged everyone to board it. Then, the ship started and quickly sailed out of the mountain of fortune, heading toward the ancient wilderness.
