

## The Mightiest Little Peasant Chapter 2163

“Look, that’s the medicine field of the gate of fortune. It’s very famous in the alchemy world. It was opened by divine Lord Tang and once caused a sensation in the entire alchemy world!”

“It’s said that countless rare spirit herbs were planted in this field, and it was the largest field in Pan Gu’s history!”

As the cultivators walked, they looked around and pointed.

The herbal field attracted the attention of many people.

Under Fu Yunzi’s lead, many clan leaders went in for a stroll. When they came out, they were all shocked.

They all knew that this medicinal field was extremely vast and there were countless rare spirit herbs planted here. However, they did not expect it to be so large. The number of rare spirit herbs inside exceeded their imagination.

“It’s no wonder that the gate of fortune has revived so quickly. Look at those disciples. Their cultivation is not bad!”

They were even more enlightened.

With the support of so many spiritual herbs and resources, it would be strange if the gate of fortune did not revive!

“Not only is divine Lord Tang talented in cultivation, but he is also unparalleled in the entire Pangu clan in the Dao of alchemy. Although he is young, his alchemy skills can be compared to that of the Yao clan’s patriarch!”

“I’ve heard that divine Lord Tang has an alchemy God token. I think it won’t be long before Pangu has another alchemy God!”

The cultivators discussed enthusiastically, and there was some flattery in their words.

Seeing this, Yun qingzi, the other elders, and the ordinary disciples all felt a sense of pride.

All the cultivators went up the main peak and arrived at the main hall.

“Everyone, please wait here. I’ll go and make preparations. This celebration must be very lively!”

Yun qingzi said.

“Yes, yes, yes! It must be lively!”

“Elder Yun Qing, do you need more people? I’ve brought quite a few disciples with me, they can help!”

Immediately, many clan elders stood up and said enthusiastically.

“Good! That’ll be troublesome!”

Yun qingzi pondered for a moment and nodded.

Immediately, many clansmen followed and began to prepare for the celebration.

Tang Hao stayed in the hall and met with the seven tribulations one by one, exchanging a few words.

“Little brat, long time no see! Do you still remember this old man?”

An old man pushed his way through the crowd and walked up to them.

“It’s Ling Zhanxu! The Ling clan’s old ancestor!”

The crowd exclaimed in shock.

Very quickly, someone recalled that Ling Zhanxu had helped divine Lord Tang back in chaotic World Mountain. The two of them should have some sort of relationship.

“Senior Ling!”

Tang Hao immediately bowed respectfully.

Of course, he remembered this person. He remembered every single one of the seniors who had helped him in the past.

“Ai! Don’t be so polite! We’re all of the same rank, so what’s with the senior!” Ling Zhanxu waved his hand and laughed heartily. “Look, who I brought for you this time!”

Then, he turned to look behind him and beckoned, “Little girl! Come over here!”

The crowd parted and a few figures walked over. It was Lord Ling and a few elders of the Ling clan. Behind them was a woman.

She was dressed in a black dress, and her figure was graceful. A pair of smooth, slender, and Jade-like legs were revealed between the slit of her skirt.

Her face was beautiful, exquisite, and flawless, so beautiful that it was dazzling.

Under everyone’s gaze, she walked over slowly, her expression excited and shy.

“Who is this?”

“Oh right! She’s the Ling clan’s most famous girl, Ling Wei. She came from the ancestral star. I heard that not only does she have a divine body, but she’s also a business prodigy. She’s the one who manages all of the Ling clan’s businesses. ”

“I’ve also heard of it, but what does the Ling clan mean by this? Are you trying to seduce divine Lord Tang with your beauty?”

“Too despicable! He was too shameless! How can the Ling clan do this!”

All the cultivators cursed as they looked at the Ling clan with disdain.

“This girl is pretty and has a decent aptitude. However, it’s impossible for the Ling clan to rely on her to befriend fellow cultivator Tang!”

“That’s right. Who does divine Lord Tang think he is? why would he take a fancy to her?”

All the cultivators sneered.

According to their understanding, this divine Lord Tang wasn’t a womanizer and there were very few rumors about him. It was only that one time when he abducted the Qin clan’s Holy maiden at the tianlao mountain that caused quite a stir. Other than that, there was nothing else.

Now, the old ancestor of the Yushi clan seemed to be interested in him. Why would he take a fancy to this Ling clan girl?

In terms of looks, the rain master Grandmaster was on par with this girl. However, in terms of talent and strength, the two were not on the same level at all.

Many xiuzhe were prepared to see the Ling clan become a joke.

However, at this moment, a scene that made their jaws drop happened.

Tang shenjun was stunned when he saw the girl. Then, he walked forward and grabbed the Ling clan girl’s hand.

“F \* ck! So direct?”

“This works too?”

All the cultivators in the hall were dumbfounded.

They’ve just met and they’re already shaking hands? Was there such a direct and fast response?

“Hmph! You guys don’t know this, do you? My clan’s little girl has known Daoist Tang since the lower realm. The reason why she was brought here was because of a divine pill he gave her. ”

Ling Zhanxu snorted.”There’s more! The reason why I went to chaotic World Mountain to help him was because of this girl. ”

“What? There’s such a thing?”

All the cultivators were shocked.

They had never been clear about why Ling Zhanxu had stood up to help a kid from the lower realm back in the chaotic World Mountain. They had never thought that it would be for such a reason.

“This little girl is from the ancestral star, so is Daoist Tang from the ancestral star too?”

“No way! The ancestral star was so poor, how could it have such a powerful person like Daoist Tang? didn’t they say that Daoist Tang came from the Donglin sacred planet? He was once from the same sect as that monster from the Thunder clan. ”

“Then how did they know each other? aren’t the lower worlds separated from the ancestral star?”

“That’s not necessarily true. It’s just a rumor. We haven’t gone down there for many years. We don’t know what the situation is like for a long time. ”

All the cultivators discussed fervently.

“That’s right, she’s not the only genius from the ancestral star that arrived here. There are many other clans, Liu clan, Jiang clan and Shi clan. All of them have divine bodies. Could they be related to Daoist Tang?”

Suddenly, someone exclaimed.

The hall fell silent.

Everyone revealed a suspicious look.

Back then, this matter had caused a great stir, even shaking the thirty-three heavens. The people of the world speculated and raised countless speculations, but no one had come to a conclusion. No one could figure out what exactly was going on.

Could it be that this was all because of divine Lord Tang?

“That’s right!”

At this moment, a shout was heard from the crowd, and a figure stepped out.

The crowd looked over and saw that it was Lord Jiang.

“The genius from my clan is just like the girl from the Ling clan. He has a deep relationship with fellow Daoist Tang!” Lord Jiang laughed.

Then, he turned to Tang Hao and smiled. “”Daoist Tang, I’ve brought you the person and his life plate! I hope fellow Daoist tang can forgive my Jiang clan for offending you in the past. ”

“The same goes for my Liu clan!”

The people of the Liu Clan also stood up.

After the Liu tribe, it was the MA tribe.

The cultivators looked left and right, their eyes unable to take in more.

“It turns out that the incident that shook the entire Pangu continent was also the doing of this divine Lord Tang!”

The cultivators were shocked and even more emotional.

After divine Lord Tang had ascended to the upper realm, he had done many great things that had shaken Pangu. However, he did not expect that he had already shaken Pangu once before he had ascended to the upper realm.

“Hahaha! Who says that divine Lord Tang isn’t a Casanova? all of the geniuses that have been brought here are beauties!”

Then, everyone laughed, their expressions somewhat mischievous.

The atmosphere in the hall immediately became much more cheerful.

“Congratulations, divine Lord Tang!”

“Not only has fellow Daoist Tang advanced to the seventh tribulation, but you’ve also reunited with your Dao companions. It’s truly Double Happiness!”

Many xiuzhe came forward and congratulated him.

With them taking the lead, everyone in the hall began to congratulate one after another, and the hall became more and more lively.

“Qin clan, Jiang clan, Shi clan, Liu clan ... These clans are not weak! With this relationship, these clans will definitely have an extraordinary relationship with the gate of fortune. The power of the gate of fortune will become even more terrifying!”

“Yup! With so many clans and the creation gate, this force is too powerful. Who would dare to provoke them!”

All the cultivators sighed with emotion.

When divine Lord Tang advanced to the seventh tribulation, the creation gate rose up and became one of the first-rate forces in the eight desolates. Now, with the addition of the Qin clan, Shi clan, Jiang clan, and other major forces, the influence of the creation gate had expanded by more than ten times.

“Don’t forget, there’s still the rain master clan!”

“And Master Li, she has a close relationship with divine Lord Tang! So many clans, plus the Vermillion Bird heaven ... Oh my God! The power of the gate of fortune is too terrifying!”

Everyone counted all the relationships again, and they were all shocked.

Unknowingly, the gate of fortune had relied on divine Lord Tang’s influence to unite many powerful clans and the orthodoxy of the heavens, forming an alliance with great influence.

“Don’t forget, he’s also a leader in the world of alchemy. As long as he gives the order, all the alchemists in the world will respond.”

Someone else added.

“Hiss! Hiss! Hiss!”

Many xiuzhe sucked in a breath of cold air, their expressions extremely shocked.

Not only was divine Lord Tang the youngest seven-tribulation divine Lord, but he was also the most influential figure in Pangu. As long as he wanted to, he could do anything he wanted and sweep across the land.

“This gate of fortune is showing signs of prosperity! It might be a bit of an exaggeration to say that they’re on par with the thirty-three heavens, but it’s very possible that they’ll become the number one force in the eight desolates!”

“Even if we can’t join this Alliance, we can’t be enemies!”

The cultivators discussed in low voices.

When they looked at the white-robed figure again, their expressions became even more reverent. Even the seven tribulations strong practitioners were the same!

Even they were afraid of a Sir God who was so young, had the strength of a seventh tribulation and had such terrifying influence.

“Thank you, Lord Jiang, Lord Liu, and the fellow Daoists from the horse tribe!”

Tang Hao thanked the clan leaders, then went forward to pick up Jiang Wanying and the others.

“Sis Xiangyi, assistant han, officer Zhao, and Yan ‘er have all been brought back. Tamamo is overseas, and now that we’ve brought teacher Jiang and the others back, there’s only xingtong and sia left.”

Tang Hao felt much more relaxed.

Star pupil’s strength was not bad, so he was not worried about anything happening. He would wait and see if the people of the MU clan had arrived. If they did, he would know by asking. If they did not, he would just go to the MU clan in a few days.

As for Xia, he had yet to find out her exact location, and he did not know where she was. He would just look for her later, and he would find her one day.

He accompanied the xiuzhe of the various races in the hall and waited.

Not long later, many divine lights descended from the mountain range of fortune. They were the orthodoxies of the 33 heavens. Each of them had many people, and many of them were led by the eldest young master.

Tang Hao had met them a few times before, so he was no stranger to them.

With the arrival of the people from the 33 heavens, the gate of fortune became even more lively. The cultivators watching from all directions also became more and more excited.

Elder Yun Qing and the others had been preparing for half a day before the Grand ceremony finally began.

The celebration lasted for three whole days before it ended.

The cultivators left one after another. As they left, they spread the news of the Grand situation in the gate of fortune to all corners of the world. It caused heated discussions and became a wonderful story.
