

The Mightiest Little Peasant Chapter 2197

“It’s the Jiang clan’s old monster!”

“And old monster Ling ... That kid is here!”

Everyone exclaimed in shock.

The moment they saw the Jiang clan, Ling clan, and Shi clan together, they understood that it was shenjun Tang.

Because only he could unite these great clans.

Sure enough, in the next moment, a white-robed figure stepped out from the ripples in the void. He was handsome and ethereal like an immortal. It was divine Lord Tang, whose name shook Pangu!

“It’s really him!”

The expressions of the many human seventh tribulation lightning tribulations cultivators changed.

Divine Lord Tang was the most popular figure in Pangu. Not only was he the youngest seven-tribulation divine Lord, but he was also proficient in alchemy and array Dao. He had amazing attainments in these two DAOs.

More than a year ago, when the great Yan immortal Palace appeared, this person suppressed many masters of the ancient formation world and broke the immortal Binding ancient formation in one fell swoop, shaking the world.

“It’s that human brat!”

There was a commotion among the demons and the untainted land.

They had long heard of the reputation of this human genius.

Their expressions became somewhat fearful.

Although this monster had just been promoted not long ago and his strength was not very powerful, there were many forces standing behind him. Powerful clans such as the Jiang clan, the Shi clan, and the rain master clan had all United with him as the center.

It was said that he was related to the Vermillion Bird heaven.

This background was the most terrifying!

“I’m sorry, seniors!”

Tang Hao looked around and smiled. He put on the night veil, then shot through the air toward the box.

Jiang zhengdao, Ling Zhanxu, and the others immediately made their move and forced the seven tribulations to retreat, clearing the path for Tang Hao.

Tang Hao appeared out of thin air next to the box. He reached out and grabbed the box.

He quickly checked and made sure that there was no problem with the box. Then, he put it away.

“Brat, you dare?”

“That belongs to my demon race. Hand it over!”

The human tribe did not attack because they were afraid of Tang Hao. However, the demon tribe and the untainted land tribe could not stand it. They roared and pounced on Tang Hao.

Tang Hao immediately activated ye Cha and disappeared into the void.

“Let’s go!”

Jiang zhengdao and the others shouted, turned around, and left.

“Hurry up!”

The demons and the untainted land followed closely.

The group of human race xiuzhe hesitated for a moment. Only a portion of them chased after him, while the rest shook their heads with helpless expressions.

The opponent’s forces were too strong!

The Jiang clan, the Shi clan, the Yushi clan ... Which one of them wasn’t a famous and influential clan? with the addition of a peerless genius with a limitless future, who would dare to provoke him?

Besides, how could they get it back now that it had fallen into the hands of divine Lord Tang?

“Let those bastards go after them! We shouldn’t get involved!”

“Speaking of which, what kind of secret is that? it actually involves the ancient dragon race?”

All the cultivators began to discuss, curious about the secret.

They had wanted to find the old monster talisman Dragon and ask him about it. However, when they looked around, they could not find any trace of him.

“I’m afraid he’s already far away!”

“Forget it! Forget it! This kind of secret has no fate with us!”

The cultivators discussed for a while more before they left dejectedly.

A few hours later, in the depths of the West Sea, Tang Hao emerged from a void.

He looked around and heaved a sigh of relief.

He rushed all the way and shuttled through the void dozens of times before he finally shook off the pursuers behind him.

He took out the Jade talisman and contacted Jiang zhengdao and the other seniors. He only took out the small box after they had gathered.

“I’ll do it!”

Jiang zhengdao took the box and opened it carefully.

As soon as the lid of the box was opened, a touch of golden light burst out. Looking closely, it was a scroll.

“It doesn’t look like a tribulation tool!”

The crowd sized him up and whispered among themselves.

Their eyes were filled with intense curiosity. After all, it was said that the ancient demon clan’s great secret was hidden inside, and it was related to the ancient dragon clan.

“It’s a real dragon skin!”

Jiang zhengdao suddenly exclaimed in a low voice after he looked at it carefully.

His expression became a little excited. He reached out and carefully picked up the scroll.

“This scroll is made from the skin of an ancient true dragon. It’s extremely old. There must be some secrets related to the ancient dragon clan recorded on it.”

As he spoke, he gently opened the scroll.

In an instant, a blinding golden light burst out from the scroll.

When he looked at it, he saw strange patterns on the scroll.

“This is ...?”

“I don’t know him! I’ve never seen such words before. ”

Everyone looked at it and shook their heads.

As seven tribulations old monsters, they were all well-informed, but they had never seen such a strange pattern.

“It’s the ancient dragon clan’s language!”

Tang Hao said in a confident tone after he looked at her carefully.

“Oh? You know him, Tang kid?”

Ling Zhanxu and the rest turned around and asked in surprise.

“I recognize a few!” Tang Hao nodded. He had a deep relationship with the dragon clan. In the ancient ruins of Kunwu, there was an ancient book that introduced the dragon clan’s language. He had casually flipped through it before and remembered some of it.

At that time, he didn’t expect that he would use it one day.

“That’s great!”

All the elders were overjoyed.

“Hurry up! Take a look, what’s written on it?” Ling Zhanxu said anxiously.

“I’ll study it first!”

Tang Hao smiled wryly.

“There’s a Valley mentioned in it. It’s called something like the Dragon burial Valley!” He said after studying it carefully.

“Dragon burial Valley?”

The expressions of Ling Zhanxu and the others changed instantly.

“Are you sure it’s really the Dragon burial Valley?”

Their expressions became extremely grave.

“That’s right! Why? is there anything special about this place?” Tang Hao was surprised.

“Hurry up! Then take a look again and see if there’s any mention of the Dragon burial Valley.”

Jiang zhengdao grabbed Tang Hao’s arm anxiously. His old face was red with excitement.

“There is ...” Tang Hao said after some hesitation.

“Hahaha! That’s great!”

“No wonder! No wonder! This is a Top Secret!”

Jiang zhengdao and the others were so excited that they were trembling.

“Kid Tang, do you know what kind of place the Dragon burial Valley is? That’s the place where the ancient dragon Tribe buried themselves. Once the ancient dragon Tribe reached the end of their lives, they would Enter the Dragon burial Valley and bury themselves there. ”

“Also, the dragons who died in battle will be brought there and buried. This place has existed since ancient times. Who knows how many true dragon corpses have been buried there!”

“These corpses are all treasures. Since ancient times, many people have had their eyes on this place. However, no one has been able to find this place. The Dragon burial Valley has become an illusory legend.”

“I didn’t expect the legend to be true. The Dragon burial Valley really exists.”

Jiang zhengdao said excitedly.

Tang Hao gulped when he heard that. He looked a little excited.

It was a place specially used to bury the corpse of a true dragon!

That was a peerless treasure land!

His hands trembled and he swallowed his saliva when he thought about the countless true dragon skeletons buried there.
