

## The Mightiest Little Peasant Chapter 2451

Shock, aghast, and extremely strong doubt.

In a short moment, the expression on Yao Zhan's face changed several times. It was very interesting.

He had sent a veteran divine Lord flying with a punch and easily blocked his halberd with two fingers. Such strength was simply unfathomable!

Could it be the old monster from thousand blood?

He secretly guessed.

"Let go!"

He struggled for a moment, but his opponent's fingers were like iron pincers, firmly gripping his divine halberd. No matter how much strength he used, he could not move it in the slightest.

Gradually, his heart became somewhat desperate.

This person's strength had completely exceeded his imagination.

"After all these years, you still haven't made any progress!"

Tang Hao said coldly as he looked at him.

"Who are you?"

Yao Zhan was stunned.

From his tone, this person seemed to know him. However, he could not recall ever seeing this person.

If he had seen this old monster thousand blood before, how could he have forgotten him?

Tang Hao smirked but didn't reply. He waved his hand and sent Yao Zhan flying.

"This halberd is not bad, I'll take it!"

He wiped away all the imprints on the halberd and put it back into his pocket.

"My divine halberd!"

Seeing this, Yao Zhan roared madly.

It was a nine tribulations supreme weapon. Even with the rich heritage of the Yao clan, there were only a few of them.

“These clothes are not bad either! I’ll reluctantly accept it!”

Tang Hao reached out and took off the armor from Yao Zhan’s body.

“Mm! This jade pendant is not bad, I’ll take it. Consider it as interest from your Yao clan!”

Tang Hao stripped the demon naked, piece by piece.

The surrounding people were all stunned.

They almost suspected that they were seeing things.

Yao Zhan was a Sir God and a monster of his generation, but he couldn’t resist at all in the hands of that senior. He was easily stripped naked.

Also, that senior was too bold. He was a member of the Yao clan. Wasn’t he afraid that the Yao clan would take revenge in the future?

Their mouths were wide open the entire time, but they couldn’t make a sound.

“Bastard!”

Yao Zhan roared madly, ashamed and angry.

He had never been humiliated like this before.

“Stop!”

Yao Zhendong’s eyes almost popped out of their sockets as he charged forward.

“Just in time, I’ll collect some interest!”

Tang Hao reached out his palm and grabbed Yao Zhendong, then stripped him naked.

Then, he threw the two naked guys to the ground.

“This is what your Yao clan owes me!”

Tang Hao said coldly as he looked at them.

With that, he dusted his hands and turned to leave.

The surroundings were deathly silent for a long time.

Everyone was dumbfounded and couldn’t come back to their senses for a long time.

“This ... Who is he?”

After a long time, there was a shocking uproar.

Everyone's face was filled with shock.

To dare to provoke the Yao clan, this person must have a shocking background!

"Why do I feel that this person's technique looks a little familiar?"

Someone in the crowd suddenly wondered.

Stripping people naked and robbing them of everything ... This technique seemed a little familiar, as if he had heard of it before. However, he couldn't recall it at that moment.

"Could he be ... No, that's impossible?"

On the ground, Yao Zhan staggered to his feet, his face dazed.

After being at a loss for a long time, he seemed to have thought of something. He suddenly cried out in shock, his face extremely pale.

The way he robbed someone, the fact that he knew him, and the fact that he had such terrifying strength, it seemed that there was only one person!

However, that was impossible!

Why was that person here?

He looked in the direction that the figure had disappeared in and was stunned.

He staggered a few steps and fell to the ground with a plop. It was as if his soul had been extracted from his body. He no longer had the confidence and arrogance from before. There was only dejection and despair.

At this moment, his mental state had completely collapsed!

Once, he thought that as long as he worked hard, he would be able to catch up to that person again.

Even when he heard that the person had advanced to the eighth tribulation, he did not lose his confidence.

But today, after facing him again and personally experiencing the huge gap between the two of them, he understood that it was just wishful thinking to catch up with that person again. The gap between the two of them was so big that it was enough to make people despair.

"Zhan 'er, what's wrong?"

Seeing this, Yao Zhendong hurriedly rushed over and supported him.

“It’s him! It’s him!”

Yao Zhan mumbled as if he had lost his soul.

“What? It’s him?”

Yao Zhendong was stunned for a moment. Then, his entire body trembled as if he had been struck by lightning.

He looked in that direction and his face was filled with shock.

Then, he shivered and felt a chill all over his body.

It was actually him!

With his strength, he could kill everyone in the Yao clan with just a lift of his hand. So what if he was a Sir God? in front of such an expert, he was just an ant!

When he thought about what he had mentioned on the way, he felt even more remorseful. He had almost killed his entire clan.

“Zhan ‘er, don’t be afraid! When our great ancestors return, we will not be afraid of him!”

“You are the hope of our Yao clan. You can’t fall!”

He supported Yao Zhan and shouted.

However, this Yao clan genius’s face was still pale and lifeless.

“His Dao heart has collapsed!”

All the cultivators discussed in low voices with a look of pity on their faces.

Then, they looked in the direction that the figure had disappeared into, and their expressions were filled with extreme reverence.

Many of them had already guessed the identity of that person.

There was only one person in the world who could shatter the Dao heart of this Yao clan monster and make his faith collapse!

“What? That person?”

Chi Feng couldn’t help but be stunned when he heard the discussion.

Then, he raised his hand and slapped himself.

Chi Feng, Oh Chi Feng, who told you to have eyes but fail to see. Such a noble figure is standing in front of you and you can't even recognize him, you're simply a piece of trash!

He slapped his thigh and sighed.

He was the most distinguished and prominent figure in Pangu world. If he could get close to him, he would immediately become an elder with real power in the clan.

Unfortunately, he had missed such a great opportunity.

Tang Hao left the crowd and went forward alone.

The further they went, the thicker the yin Qi became.

"What's up ahead?"

Tang Hao was even more curious.

For such a dense Yin Qi to appear, there must be something strange up ahead.

At this time, in a corner of this world, a black-clothed figure was flying. He flew to a Canyon, took out a piece of Jade, and crushed it.

A moment later, ripples appeared in the void around him, and a passage opened.

Figures shrouded in the undying immortal radiance walked out from the other side.

As soon as they stepped into this world, they restrained the immortal radiance on their bodies and their auras, maintaining them at around the sixth tribulation.

There were a total of six figures.

"He should be over there! Let's go!"

They looked around and turned into spiritual lights, flying in the same direction.
