

The Mightiest Little Peasant Chapter 2595

Another month had passed since mo hun and his avatar entered the great void divine wheel.

In the past month, Tang Hao had gathered enough wood element tribulation tools for sis Xiangyi and the others to cross their tribulations and ascend to great emperor.

Fellow Daoist Xu Yuan and fellow Daoist Jin Lin have been in seclusion to refine weapons since they returned from the battlefield of gods and demons. They have yet to come out.

To most of the elders of the temple, seclusion was normal. After all, only by seclusion to refine weapons and pills could they earn merit points to exchange for aperture opening pills or true spirit pills.

He also heard that during this period of time, the Ji clan's overseer had come to the divine temple several times, saying that he was looking for someone. He was so scared that he didn't dare to go out.

"Why is there no movement from the Tang Clan?"

Tang Hao was still a little confused.

Ever since the battle on the battlefield of gods and demons, Tang Bukong had disappeared without a trace.

With Tang Bukong's arrogant personality, how could he be so quiet?

Tang Hao thought that Tang Bukong would come for revenge soon, but he did not do anything even after so long.

He couldn't help but feel puzzled.

However, he didn't care too much about it. It was good that Tang Bukong had disappeared. He was happy to have peace and quiet.

"Elder Tang, this is what the Supreme martial artist wanted me to give you!"

One day, a temple elder came to his door and gave Tang Hao a ring.

It contained the things he had taken out of the void divine wheel, the flesh and blood of the old silver Dragon, as well as the refined true spirit pill.

The flesh and blood of the silver Dragon was the main ingredient of the many child pill, so he could not stop.

A month outside was equivalent to ten years inside the void divine wheel.

Ten years 'worth of Silver Dragon flesh was quite a lot. It was enough for him to refine for a long time. In the future, when he refined the many child pill, he would no longer lack Silver Dragon flesh. What he lacked were the other materials.

As for the true spirit pills, he counted them and found that there were 120000 of them.

"Not bad!"

He immediately grinned and was extremely happy.

In the past, he could at most refine a thousand or so pills in a month. Now, it was a hundred and twenty times more.

He estimated that these 120000 true spirit pills would be enough to raise his eight true spirits by more than 40000 feet, with each true spirit reaching 50000 feet.

When he returned to his cave abode, he first refined the many child pill and sent it out.

Then, he started to swallow the true spirit pill.

It took him three whole days to absorb all 120000 true spirit pills. In the end, the eight true spirits all reached a size of 55000 feet, which was beyond his expectations.

He was even more delighted.

His plan was going smoothly, and as long as he continued, he would soon be able to see the hope of breaking through to the zhizun realm.

He familiarized himself with the sudden increase in his power of true spirit, then got up and prepared to go to the pill Pavilion to take on some aperture opening pill missions.

As soon as he left the cave, he saw a stream of light sweeping toward his Haotian cave.

"Elder Tang, there's someone here to see you. He says he's an old friend of yours!"

It was one of the guards of the temple.

"An old friend?"

"What's his name?" Tang Hao was surprised.

"Four symbols dojo, Zhu Li!"

The guard approached and bowed.

"It's her!" Tang Hao smiled.

"It seems that she really is your old friend. Then I will bring her in." The guard said.

“No need, I’ll go personally!”

Tang Hao quickly raised his hand.

Li gongzi was also his old acquaintance, and their relationship was not shallow. He naturally had to go and welcome him personally.

“That’s good!”

“Yes,” the guard replied, then followed Tang Hao to the main gate.

A moment later, at the temple’s entrance, Tang Hao saw a beautiful figure. She wore a fiery red dress, her figure slender, her curves exquisite and graceful.

Her beautiful face was covered with a layer of bright immortal radiance, making her look a little dreamy.

“Brother Tang!”

When she saw Tang Hao, her clear and beautiful eyes immediately brightened.

She pursed her lips into a smile and called out.

“Long time no see!”

Tang Hao rushed forward and cupped his hands.

“Not too long ago, only two years or so!” Li gongzi laughed, “I didn’t expect that only two years have passed, and brother Tang has already achieved such a level of cultivation. I heard that brother Tang has also done a lot of amazing things and become very famous!”

“Who in the Holy region doesn’t know of your name, brother Tang? even the Tang clan’s Overlord, Tang Bukong, has been completely suppressed by you!”

She smiled as she sized Tang Hao up. Her tone was a little teasing.

“Hey! It was all false reputation! You’re not bad yourself, you’ve opened eight apertures!”

Tang Hao studied her.

When she first came up, she was only at the two acupores level. After two and a half years, she was already at the eight acupores level.

“I’m far from you!”

Li gongzi shook his head and smiled bitterly.

“Why don’t we go in and have a seat?” Tang Hao turned to the side and pointed at the door.

“No, I’m here for an urgent matter.”

Li gongzi’s face turned serious and said.

“What urgent matter?”

“It’s about Senior Sister Yu ...” Young master Li said.

“Fellow Daoist rain master? What’s wrong with her?”

Tang Hao was stunned.

“She ...” Young master Li’s tone was sluggish. He hesitated for a moment and said, “it’s like this. You also know that Senior Sister Yu’s talent is outstanding, and her bloodline is very powerful. Someone in the Yushi clan has taken a fancy to her bloodline.”

Tang Hao’s expression darkened when he heard that.

“An ancestor of the Yushi clan wants to use her to get married to the divine Spirit Mountain in exchange for their support.”

Li gongzi said and could not help but reveal an indignant look.

The people from the Yushi clan were all bad people. They just saw that Senior Sister Yu was from the lower realm and had no one to rely on in the Holy region, so they bullied her and gave her to God Spirit Mountain as an item.

They even put her under house arrest.

“Marriage? The divine Spirit Mountain?”

Tang Hao mumbled. His face darkened.

“That Divine Spirit Mountain is not simple. It is the place where many descendants of divine spirits live. I heard from the seniors in the training hall that there are a few Supreme divine spirits with unfathomable strength.”

Li gongzi’s face was a little serious.

“This matter involves such a powerful force, after all. It’s very tricky. I have no other choice, so I came to you. Do you have any Supreme martial artists in the divine temple who are close to you? if you ask them to come forward, they can protect Senior Sister Yu.”

“There is ...”

Tang Hao said.

Li gongzi immediately revealed a happy expression.

“But he’s in closed-door cultivation!” Tang Hao said.

There were indeed many Supremes in the sacred Hall. However, other than Supreme Xuan Hong, none of them showed their faces. He had yet to meet the other Supremes. Furthermore, Supreme Xuan Hong had to control the great void divine wheel and did not have the time.

“Then ... Then what should we do?”

Li gongzi was a little anxious.

Without a Supreme-being expert, there was no way to solve this matter. Not to mention the unfathomably powerful Divine Spirit Mountain, just the rain master clan alone was not something they could deal with.

“Let’s go!”

Tang Hao waved his hand and dashed out.

“Leave? Where are you going?”

Li gongzi was stunned.

“The Yushi clan!”

Tang Hao shouted, his expression cold.
