

## The Mightiest Little Peasant Chapter 2607

“He really came?”

The great void sovereign looked up and his body trembled. He couldn't believe it.

He had never thought that this kid would come.

Upon hearing the commotion, everyone in the divine mountain looked up and focused their eyes on the figure in white.

These gazes were filled with extreme shock.

Even if he was the number one among the young generation of the human race and his cultivation was far beyond the five progressors, it was just wishful thinking for him to go to the divine Spirit Mountain alone to ask for her.

“Hmph! Such courage! I'd like to see what he's capable of!”

A cold snort came from the seven divine Thrones.

“This human brat is courting death!”

“If he dares to come up here today, don't even think about leaving!”

The descendants of the gods below were in an uproar, and angry shouts could be heard everywhere.

“What, are you very surprised?”

Under everyone's watchful eyes, the white-robed figure descended and looked around with a calm and indifferent expression.

When he glanced at the true dragon warship, his eyes stopped for a moment on Tang Bukong. Then, his eyes turned to the group of sovereigns and fell on the great void sovereign.

The corners of his mouth lifted slightly, revealing a somewhat provocative expression.

Upon seeing this, the face of the great void sovereign darkened.

This brat was on the verge of death, yet he was still so arrogant!

Could it be that this kid had some hidden card?

Suddenly, he had a bad feeling.

This brat was obviously not the kind of simple-minded person who would be stupid enough to send himself to death. Now, not only did this brat swagger in, but he also dared to provoke him. This meant that he was confident.

However, he really couldn't figure out what kind of confidence this kid had to snatch someone from the hands of this group of descendants of gods.

"I'm afraid this kid doesn't know how powerful these descendants of gods are. That's why he's so confident!" He muttered to himself as a cold smile appeared on his face.

No matter what trump card this kid had today, it would not change the result!

At that moment, he no longer paid attention to this kid. He narrowed his eyes and waited for a good show.

"He really dared to come!"

"Just this courage alone is really awesome!"

The cultivators were still discussing.

They looked at the white-robed figure with complicated expressions.

Although this person had broken the rules and made them feel a little ashamed, they still admired his strength and courage.

Gradually, everyone quieted down and looked at the gate at the foot of the God Spirit Mountain.

"Since you're already here, this thing is useless!"

The mysterious underworld elder standing in front of the mountain Gate flicked his sleeves and extinguished the candle flame.

"Human brat, it's not impossible for you to have her, but it all depends on whether you have the ability to do so!"

He lifted his eyes and glanced at Tang Hao. His gaze was cold, and there was even a hint of mockery in it.

Then, he turned around, raised his hand, and pointed to the mountain Gate on the side. He shouted, "If you can climb all the way from here to the peak of the God Spirit Mountain and stand there for ten breaths without falling, the God Spirit Mountain will give you the person you want!"

"If you can't do it and die on the way, don't blame the divine Spirit Mountain!"

"Of course, you still have room for regret. You'd better think about the consequences yourself!"

He glared at Tang Hao coldly, his expression mocking.

It was impossible for him to fulfill the conditions of the divine Spirit Mountain!

It was impossible for anyone to stand on the peak of his Divine Spirit Mountain for ten breaths, not even the Supreme beings of the human race!

This brat would probably not even make it to the peak of the mountain before dying halfway!

Once he set foot on the divine Spirit Mountain, he would definitely die.

“Hiss! Hiss! Hiss!”

As soon as he finished speaking, the people around the divine mountain immediately gasped.

The divine Spirit Mountain’s request was too cruel!

It was simply impossible for anyone to do it!

“I still need ten more breaths to stand on the peak of the godly Spirit Mountain! This was too much of a bully! It’s difficult to even take a single breath!”

“No one can do it!”

The crowd was in an uproar.

Previously, they had discussed what kind of conditions, tests, and challenges the divine Spirit Mountain would put forward. However, they had never thought that the divine Spirit Mountain would put forward such conditions, which were thousands of times harsher than they had imagined!

“I’m afraid they won’t fight!”

The crowd was even more disappointed.

The divine Spirit Mountain’s conditions were so ridiculous that Tang Hao would never agree to them.

The great void sovereign also furrowed his brows, looking a little displeased.

These conditions were a little too frightening. Wouldn’t they scare that kid away?

At that moment, he was about to send a message to his fellow Daoists on the divine Spirit Mountain to ask them to change their words.

However, at this moment, they heard a loud shout.

“Alright! Wasn’t it just ten breaths? I’ll accept this condition!”

Tang Hao shouted at the divine Spirit Mountain.

His voice was like thunder, reverberating in the void.

Everyone's mind trembled, and the faces in the surroundings were somewhat dumbfounded.

In front of the mountain Gate, the mysterious underworld elder was also shocked. He looked up with a dazed expression.

He had thought that the kid would be scared witless or haggle over such harsh conditions, but he had never expected the kid to agree so readily!

Whoosh!

There was a slight explosion.

Before he could come back to his senses, the white-robed figure took a step forward and stepped on the land of his Divine Spirit Mountain.

"I'll start with you!"

With a cold Mutter, the figure raised his hand and slapped directly at him.

"You're looking for death!"

The mysterious underworld elder was furious.

This brat really didn't know what was good for him!

He was the clan elder of the clan and his strength was ranked in the front of the divine Spirit Mountain. He rarely had any opponents below the seven end realm divine spirits. This brat actually provoked him the moment he came up. He was really looking for death!

He let out an angry roar and his body trembled. Immediately, a monstrous black divine light shot into the sky, and his body emitted an extremely cold aura.

Kala! Kala!

In the next moment, the black divine light turned into pitch-black ice and blocked in front of him.

"Hahaha! This kid must be crazy! Challenging the clan elder as soon as he came up, I don't think he'll be able to come up!"

"Our xuanming clan was born with the mystic ice ability. This is the strongest and coldest ice in the world. This human brat can forget about breaking through it!"

The God Spirit Mountain was filled with laughter.

"This is too arrogant!"

The humans were also in shock.

The mysterious underworld elder was undoubtedly a guide. Logically speaking, he would not have made a move. However, this kid had done well. He had attacked the elder the moment he had stepped in. This was truly unwise.

Bang!

There was a loud explosion.

Under the watchful eyes of the humans and Celestials, the palm hit the Black Ice wall and created a deafening sound.

Then, with a few cracking sounds, the dark ice wall exploded under the shocked eyes of the people of the divine Spirit Mountain.

The mysterious underworld elder was also shocked.

“This ... How could this be?”

Looking at the exploding Xuan ice in front of him, he couldn't believe it.

The mysterious underworld race's extremely tough and cold mysterious ice was like paper in front of this kid and was easily blown apart!

Just as his mind was in shock, the palm continued to strike him and imprinted itself on his chest.
