

The Mightiest Little Peasant Chapter 2759

The number one genius of the great fate sect was wearing a light golden robe embroidered with flying dragons.

In the contrast of this treasured clothing, he appeared even more heroic and extraordinary.

After landing, he placed his hands behind his back and raised his head. His face was filled with pride and arrogance.

His gaze first landed on su Xuezi's body, sweeping back and forth a few times over her graceful, plump, and delicate body. He did not conceal the burning desire and greed in his eyes in the slightest. However, when he saw her face covered by the veil, he frowned and revealed a somewhat disgusted expression.

Then, he shook his head with some regret.

Back then, this person was an absolute beauty. Her alluring appearance had charmed countless young and handsome men, and even he had been mesmerized.

But now, it had become a ghost Face, which was really disgusting.

Then, his eyes shifted to ye Siyao.

Gulu!

His eyes followed the curve, looking from top to bottom, and he couldn't help but swallow.

This figure was too F * cking hot!

Fortunately, he had failed the last time. Otherwise, he would've gotten the good-for-nothing.

Eh? This guy was that cripple?

In the next moment, his eyes fell on Tang Hao, and his pupils shrank.

He was shocked!

How could this cripple be more handsome than him! She had more temperament than him!

Then, his face darkened and he was very unhappy.

How could a cripple be more handsome than him!

"Jiang Yun ..."

Su Xuezi's expression changed when she saw him.

Ye Siyao also furrowed her brows, revealing a look of disgust.

“What, looking at miss SU’s expression, you really don’t want to see me!” Jiang Yun strolled over with a smile. He looked at su Xuezi with a proud expression.

This person’s cultivation base was still at the 4th tribulation, while he was almost at the 6th tribulation!

Now, he was the number one genius of the great fate sect, not this B * tch!

When he thought of how this person had rejected him and ignored him in the past, he felt a burst of joy in his heart. Now it was finally his turn to step on this B * tch!

“Lady su, I remember that when we met before, you were also at this cultivation level, right? How come you haven’t made any progress after so long?”

Walking up to su Xuezi, he deliberately sneered.

Su Xuezi’s expression changed again.

“Jiang, what do you mean by this!”

“Shut up!” Ye Siyao shouted angrily.

“It doesn’t mean anything! I was just asking out of concern. After all, miss su was once the face of our great fate sect and the number one genius. Isn’t it normal for me to show some concern?” Jiang Yun said in a strange tone.

“You ...”

Ye Siyao was so angry that her chest heaved up and down.

Jiang Yun stared at it, and his eyes revealed a hint of lust.

“Miss ye’s figure is getting better and better!” He said without hiding anything.

“You ... Bastard!”

Ye Siyao gritted her teeth and angrily rebuked.

“Hahaha!” Jiang Yun did not take it to heart. Instead, he was even more pleased with himself. ‘Which man in this world isn’t a bastard? Don’t you think so, miss su?’

As he spoke, he looked at su Xuezi again, his eyes sizing her up. “Miss su, I know that your appearance is disfigured, your cultivation has stagnated, and you’re in a bad mood. But you can’t give up on yourself and find a cripple!”

“Look at this cripple. Although he’s not bad looking, he’s only strong on the outside but weak on the inside. I’m stronger than him no matter what. How about this, miss su, come to my cave dwelling tonight, and I’ll let you see what a real man is!”

“I don’t mind your face. You just need to cover it!”

As he spoke, he laughed out loud in an arrogant manner.

“Hahaha!”

“Right! It’s the same even if you cover it up!”

The few people behind him also joined in the jeering and laughed impudently.

“You ... You’re all bastards!”

Ye Siyao was so angry that her face turned red.

On the other hand, su Xuezi’s eyes had instead calmed down and were somewhat indifferent.

A real man?

Tang Hao had a strange expression on his face.

Didn’t this guy only last for two minutes?

“Al! You, come here!” Jiang Yun looked at Tang Hao and waved at him.

“Hey! Cripple, I’m talking to you! Are you deaf?!”

He was annoyed when Tang Hao did not move.

A cripple dared to ignore him?

“Motherf * cker!” Seeing that she still did not move, he was furious. He strode forward and scolded, “do you know who I am? I’m the number one core disciple of the great fate sect! Who the F * ck do you think you are? you’re just a cripple! The great fate sect took you in because we pity you!”

“A trash like you dares to act arrogantly in front of me? Do you believe that I will kill you right now?”

He came in front of Tang Hao and shouted fiercely.

“The number one core disciple of the great fate sect?”

Tang Hao raised an eyebrow.

“That’s right! In the great fate sect, other than the sect leader, there are a few other elders, and I’m the most senior. You’re just a servant, so even if I kill you now, there won’t be any trouble. ”

Jiang Yun sneered.

“Jiang Yun, that’s enough! You can insult me, but young master Tang has no enmity with you. Why do you have to make things difficult for him?!”

Su Xuezi could not help but reprimand.

“Young master Tang? It’s called so affectionately!” Jiang Yun sneered. I won’t make things difficult for him anymore. After all, he’s already a cripple. If I go against a cripple, wouldn’t that make me look like I’m not a gentleman?”

“As long as he kneels down and kowtows three times, I’ll let him go!”

“You ...”

Su Xuezi was so angry that her face turned red.

It was too insulting to make someone kowtow three times!

“Jiang Yun, you’ve gone too far!” Ye Siyao angrily rebuked.

“Hahaha! So what if I’ve gone overboard? you’d better get this straight. I’m the number one core disciple in the sect now. How I deal with an errand boy is none of your business! Even if I kill him, what can you do to me?”

Jiang Yun looked at them and laughed.

Seeing their faces filled with anger, yet unable to do anything to him, he couldn’t help but feel a little proud.

“Hey! I don’t care what you used to do, but now you’re just a servant in the great fate sect. If you don’t want to die, then kowtow three times, or I’ll kill you right now!”

He looked at Tang Hao again and shouted coldly.

In all directions, many people passed by and heard the commotion. They all stopped and looked over.

“It’s senior brother Jiang!”

“That person is that cripple, little Hanfeng, an errand boy!”

“Hahaha! Did he offend senior brother Jiang?! He was really looking for death! He’s already a cripple, yet he still dares to provoke senior martial brother Jiang. He’s going to be in big trouble this time!”

After watching for a while, they all gloated.

In the great fate sect, this senior brother Jiang was an existence that could not be provoked. He was extremely talented and was now close to the 6th tribulation. His battle prowess was almost on par with some of the elders, and he was deeply loved by the sect master and the elders.

If they provoked him, even ordinary disciples would die without a doubt, let alone a cripple, a mere servant!
