

## The Mightiest Little Peasant Chapter 2762

“Of course I know!”

Su Xuezi said.

The white-haired elder was stunned and fell silent.

Back then, this person was also the head of the core disciples. However, he was poisoned and crippled. Until now, no clues had been found.

“Xue Zi, this matter ... Is really serious. Please step aside first. Don't worry, I won't kill him. As for how to deal with him, it's up to the sect leader!”

The white-haired elder looked at her and sighed softly. Even his tone had become much gentler.

“Elder, I picked him up and brought him into the sect. If you want to punish someone, punish me!”

Su Xuezi said resolutely.

“You ... Why do you have to do this!”

The white-haired elder was startled and sighed.

“What's going on?”

“He's really crippled?”

Divine lights swept over from great fortune Peak and the surrounding peaks. They were all elders and disciples who had received the news and rushed over.

When everyone arrived, they were all shocked and in disbelief.

He, the number one genius of the great fate sect, had been crippled just like that, and it was all because of a single word!

One word to cripple a monster!

How shocking was this!

And the one who did this was actually the service disciple from little Cold Peak, a cripple who had his cultivation crippled and was picked up from the river!

This was the most unbelievable thing to them!

A person whose cultivation had been crippled could use one word to cripple a monster. How monstrous and abnormal was he originally?

After they landed, they looked at the white-robed figure with intense shock in their eyes.

This was especially so for venerable Red Cloud. After he landed, he stared at the figure in disbelief.

At that time, she had also thought that this person only had some background and did not pay much attention to him.

From the looks of it now, it wasn't as simple as having some background!

After a long time, she shook her head and laughed bitterly.

"Jiang Yun, he ... Is really crippled?"

"That cripple was originally a world-shocking monster?"

Zhao Yan had also heard the news and rushed over.

When she arrived, she was stunned and could not come back to her senses for a long time.

"Useless fellow!"

She looked at Jiang Yun, who was surrounded by so many elders and looked like he was possessed, and cursed under her breath.

When she looked at the white-robed figure again, she was a little jealous and even a little resentful.

In her eyes, this guy belonged to su Xuezi. How could that B \* tch su Xuezi deserve such a good thing? this guy deserved to die!

"The sect master is here!"

After a while, a beam of divine light fell rapidly from the top of great fortune Peak. It was extremely bright-the symbol of the eighth tribulation, the undying celestial light!

The divine light fell and turned into a figure, but it was still covered with a layer of undying celestial light, making it difficult to see clearly.

However, Tang Hao saw it clearly.

This was a tall and burly man in his forties. He had a dignified appearance and a pair of Tiger-like eyes that contained divine light. He was majestic without being angry.

If an ordinary cultivator had seen this, they would naturally be intimidated by the majesty. However, in Tang Hao's eyes, this was nothing. Even the leaders of ordinary forces were only venerable sovereigns. He had seen and killed countless people like this.

"Greetings, sect master!"

All the disciples and elders bowed and greeted him in unison.

Tang Hao was the only one who stood there, looking straight at him.

His expression was still somewhat contemptuous. Because of ye Siyao, he looked down on this great fate sect's sect master.

Just because his daughter's talent was low, his mother's cultivation was low, and she didn't have any status, he didn't acknowledge her. If this kind of person was placed on earth, he would be the kind of cold-blooded and heartless scumbag who abandoned his family and daughter!

The person landed on the ground and looked at Jiang Yun first, then turned to look at Tang Hao. His gaze was sharp and fierce.

However, when he saw that Tang Hao was still looking at him with a calm expression, he was shocked.

He narrowed his eyes, and his expression became somewhat fearful.

Then, he shifted his gaze to the word on the mountain wall.

In the next moment, his expression changed, revealing extreme shock.

"Who are you?"

He then looked at Tang Hao and said in a deep voice, "what enmity do you have with the great fate sect? Why did you have to be so ruthless and cripple my great fate sect's genius?"

"I have no enmity with the great fate sect!"

Tang Hao said.

"Then why are you so vicious? I heard that it was the disciples of little Cold Peak who picked you up and even took you in. You're repaying kindness with enmity!"

"I don't have any enmity with the great fate sect, but I didn't say that I don't have any enmity with this guy! He wanted to humiliate me, force me to kneel, and even threatened to kill me. What could I do?" Tang Hao laughed.

"But you didn't have to be so cruel!"

"Since I've made my move, I naturally have to be ruthless!"

Tang Hao said coldly.

"Hahaha! A good one naturally has to be ruthless. It seems that you were originally a figure! But it's a pity that you're crippled now. No matter how monstrous you were in the past, you're still a cripple now. You're just a cripple, do you have the right to talk to me like this?"

The great fortune sect master laughed in anger. "I'll suppress you first, then slowly deal with you!"

As he spoke, he reached out his hand, wanting to explore.

Tang Hao's eyes turned cold, and his killing intent surged.

If this fellow were to make a move, he wouldn't mind crippling him as well!

"Stop!"

Ye Siyao opened her arms and stood in front of Tang Hao again. "If you want to punish someone, punish me first!" This matter is clearly not his fault, it's that Jiang Yun, he's the bastard!"

"Move!" He shouted.

The great fortune sect master's face darkened as he shouted.

"I won't!"

Ye Siyao looked up, bit her lip, and looked at him stubbornly.

"I'll say it again, get out of the way!"

The great fortune sect master's face was already somewhat ashen.

"I won't let you. Kill Me if You Can!"

"Haven't you found me an eyesore for a long time? Just in time, you can kill me with one slap! This way, you will never have to see me again!"

Ye Siyao shouted, her eyes a little red.

"You ..." The great fortune sect master's face turned red with anger. "Do you really think I don't dare to?" As he spoke, he raised his hand again.

"Come on!"

Ye Siyao shouted.

Tears welled up in her beautiful eyes. She was about to cry.

"Sect master, please reconsider!"

Venerable Red Cloud immediately said.

"Sect master, please reconsider!"

The white-haired elder and the others also followed.

They all knew ye Siyao's identity.

"A!"

Tang Hao could not bear to see her trembling body and listen to her soft sobbing.

"It's alright, move aside first!"

He said gently.

"I won't!" Ye Siyao sobbed and said stubbornly, "big liar, I'm saving you!" If I step aside, you'll be dead!"

Tang Hao was speechless.

You're not saving me, you're saving your father!

If you didn't stop me, your scumbag father would have been crippled!

However, he couldn't say it out loud. He could only smile helplessly and say, "I'm really fine. Trust me!"

Then, he raised his head and looked at the great fortune sect master. "How about this! I've crippled one of your great fate sect's geniuses, so I'll return you one!"
