

The Mightiest Little Peasant Chapter 2785

“You, and you!”

Tang Hao strolled over. With a light wave of his palm, one figure after another turned into ashes.

These were all elders of the great fate sect, as well as some disciples, who had all been rude to him.

“Alright, I’m done!”

Tang Hao stopped after a while.

He glanced coldly at ye zhenglong, who was paralyzed on the ground. He turned around and walked towards the mountain Gate.

“You big liar, you ...”

Ye Siyao stood at the mountain Gate and looked at him in a daze, as if she still couldn’t believe it.

He was really at the ninth tribulation, and he was so powerful that even the Gu God patriarch was no match for him and fled in fear ...

She looked around at the members of the great fate sect kneeling on the ground, as well as the trembling venerable sovereigns outside. She felt like she was in a dream.

“You still call me a liar?”

Tang Hao chuckled. “When did I lie to you? Didn’t I tell you? you just didn’t believe me!”

Ye Siyao opened her mouth and wanted to argue, but she was speechless.

That’s right!

He had already said it, but he didn’t believe it!

“Can you blame me for this?”

Then, she mumbled softly.

What he said at that time sounded too exaggerated. He said that he had killed a peak ninth tribulation expert and had dozens of ninth tribulation Saint ancestors under his command. Who would believe that?

At that time, she felt that it was ridiculous and even laughed at him. However, she did not expect that it was all true!

This big liar was really so powerful!

Who was he?

There didn't seem to be such a powerful figure on the Azure meteor star!

She looked up at Tang Hao curiously.

Although she had never left the cloud continent, she still had some understanding of the situation outside. She had never heard of any power in the Azure meteor star having dozens of divine ancestors. Even the three largest powers in the cloud continent only had one divine ancestor each.

It seemed that he really came from Cang Liu star!

Then, she seemed to have thought of something and her expression darkened.

Originally, she had thought that he was already crippled and she was just average in talent. The two of them were a perfect match. However, she did not expect that he was actually a nine tribulations divine ancestor, a high and mighty and incomparably noble nine tribulations divine ancestor, while she was just a tribulation three tribulation divine ancestor with such mediocre talent.

Their identities were like heaven and earth. The gap between them was too great.

So ... It was all my wishful thinking!

She bit her lip, her face turning pale and her body turning cold.

"My name is ye Siyao. Greetings, divine ancestor!"

She lowered her body and was about to kneel.

"What are you doing!"

Tang Hao chuckled. He lifted her up with a wave of his sleeve.

"You're the divine ancestor, how could I dare not kneel!" Ye Siyao mumbled.

"No need!" Tang Hao laughed. "Weren't you very bold earlier? you even said that you would protect me! Why are you so timid now?"

"I ..."

Ye Siyao was at a loss for words, and her beautiful face immediately turned red.

At that time, she had thought that she was quite heroic and said that she would protect this big liar. Now that she thought about it, it was really too embarrassing. She was just a mere third tribulation, but she actually said that she would protect a nine tribulation Saint ancestor. If this wasn't a joke, what was it?

“You’re laughing at me!”

She was a little anxious when she saw the smile on Tang Hao’s face.

“I don’t have any!”

Tang Hao’s face turned serious.

“You are!”

Ye Siyao said angrily.

Hearing the conversation between the two, the people from the great fate sect and the emperors outside the door all looked envious.

The only person here who could speak to this person in such a manner was this little girl. From the divine ancestor’s tone, it was obvious that he had a good impression of this little girl and was very friendly.

“This girl is so lucky!”

The emperors outside the door were even more jealous.

It was said that this divine ancestor had floated over from the river. Apparently, for some reason, he had been injured and fell into the river. Then, he was picked up by that girl from the great fate sect with the surname su.

That was why the divine ancestor had taken action and cured the girl surnamed su of her poison.

And this little girl had also developed a close relationship with this divine ancestor through their interactions.

To be able to form a relationship with a divine ancestor was an opportunity that many people in the world dreamed of!

“This girl will be amazing in the future!”

They sighed to themselves as they took a closer look to remember her face.

Even if she was only a tribulation Transcender, she was not to be tribulation Transcender because of her relationship with the divine ancestor.

The people of the great fate sect were filled with regret.

Once upon a time, such an opportunity had been placed in front of them, but they had not seized it.

Especially that ye zhenglong, he was filled with bitterness and regret.

He had never paid any attention to this daughter. To him, a daughter with ordinary talent was a disgrace to him, so he did not acknowledge her.

But now, he was already half-crippled, while his daughter was about to make a meteoric rise. It was truly ironic!

“What do you plan to do with these people?”

Ye Siyao had already accepted all of this, and her expression returned to normal.

She asked the group of people outside the door.

“Senior, I, Luo Kongming, am willing to follow you and do anything for you!” Luo Kongming shouted immediately.

To him, this was a once-in-a-lifetime opportunity. This man could even scare off the Gu God patriarch. He must have a powerful background. If he could follow this man, he might have a chance to pass the ninth tribulation.

“You ... You’re not qualified!”

Tang Hao glanced at him and shook his head.

Luo Kongming was stunned.

Not qualified?

Was he saying that he was not strong enough?

He was an eight apertures venerable sovereign, but he was not enough in the eyes of this senior?

Oh my God! This person’s standards were too high!

For a moment, he was speechless.

The venerable sovereigns were also shocked.

Originally, they wanted to speak up and follow this senior. However, they did not dare to do so now. If even an eight elements Supreme Emperor was not qualified, then they were even less qualified.

“But you can be with her!”

Tang Hao said as he pointed at ye Siyao.

“Her?”

Luo Kongming was stunned.

Ye Siyao was also stunned.

“Many thanks, senior!”

After a while, Luo Kongming came back to his senses. He was overjoyed. If he followed this girl, he would be following his senior and doing things for him.

He kowtowed a few times and was so excited that his entire body was trembling.

“Senior, we are also willing!”

The venerable sovereigns at the side followed.

“Alright!”

Tang Hao glanced at them and nodded.

“Give me a few of your souls!” Then, he looked at ye Siyao.

She was already at the 3rd tribulation and had long formed her primordial spirit, so her divine soul was still quite strong.

Ye Siyao was stunned for a while before she came back to her senses and quickly separated a few wisps of her soul.

“Not enough! One for each person!”

Tang Hao looked at the five balls of light in his palm and shook his head. There were a lot of people kneeling outside. How could five souls be enough?

“Oh,” ye Siyao said and separated a few more souls.

Tang Hao took the soul and wrapped it with his own psyche. Then, he sent it into the consciousness of the venerable sovereigns.

With little ye’s strength, it was impossible to suppress these venerable sovereigns, so he had to wrap his own thoughts.

“Alright, I’m done!”

Tang Hao nodded with satisfaction when he saw that all the venerable sovereigns had accepted the souls.

“In the future, you guys should follow her and protect her!”

“Yes! Holy ancestor!”

The group of venerable sovereigns responded in unison.
