

## The Mightiest Little Peasant Chapter 2833

There were many tall towers in Cangliu city.

Each of them was ten thousand feet tall.

In the middle of the city, there was a tower that was the tallest. It was about 20000 feet tall and was very eye-catching.

Two figures flew over and landed on the top of the tower.

“This is the headquarters of the four treasures Chamber of Commerce.” As soon as she landed, Ji Ruyin turned around and said.

Then, she was stunned when she realized that she was still tugging at the divine ancestor’s sleeve.

Her beautiful face immediately blushed.

She quickly let go and took a few steps back, a little shy.

After Tang Hao landed, he looked around.

This Cangliu city was different from the trading cities he had seen before. The architectural style was very special. The towers were all cast from gold and iron, and there were traces of talismans on the surface. They were all treasures.

He was greatly intrigued and took a few more glances.

“Divine ancestor, this way ...”

Ji Ruyin called out and walked forward.

The place where they landed was a large square. There was an entrance in front that led to the inside of the tower.

Many divine lights swept over from all directions, landed on the square, and then walked towards the entrance.

“It’s still early. There’s still six to six hours before the auction starts. But we can go in first and wait. There’s nothing to do anyway.” Ji Ruyin turned around as she walked.

Tang Hao nodded and followed her.

At this moment, a few more spiritual lights descended from the sky and landed on the square.

There were five people in a group, all of them wearing long blue robes.

There were two elders who were both at the true spirit stage and the other three were rather young. One of them had an outstanding temperament. He was tall and straight, with sword-like eyebrows and bright eyes. He was extremely handsome and his aura was that of a three acupores venerable sovereign.

“Fairy Ji?”

The group of people landed and walked towards the entrance.

At this moment, the handsome man’s eyes suddenly turned and saw the two people over here. His eyes immediately lit up and emitted a hot light.

However, when he saw Tang Hao standing behind Ji Ruyin, he was stunned. He furrowed his brows and showed a strong sense of hostility.

Although he still didn’t know who this white-robed man was and what his relationship with fairy Ji was, he felt somewhat uncomfortable and extremely annoyed at first sight.

It was because this guy’s temperament was too outstanding, even more outstanding than him, the number one genius of the vast meteor star.

When he saw this person walking together with fairy Ji, he felt a burst of jealousy and was extremely displeased.

“Fairy Ji!”

He called out and walked up.

“Young master Xu!”

Ji Ruyin turned around and exclaimed in surprise.

Then, she turned her head and went to Tang Hao’s side. “This is Xu Sansheng from the spirit Vulture Palace, Qing Zhou,” she said softly. “He’s the most famous among the younger generation of cangliu star.”

Seeing how close the two were, Xu Sansheng’s face darkened and he felt even more upset.

“Fairy Ji, long time no see!”

Xu Sansheng walked over and smiled at Ji Ruyin. Then, he glanced at Tang Hao and sized him up. “Who is this?” he asked. “An elder of your Ji family?”

“No! This is ... Young master Tang!”

Ji Ruyin hesitated for a moment before speaking.

On the way here, the divine ancestor had told him to call him young master Tang in front of others.

“Tang ... Young master?”

Xu Sansheng frowned and his eyes darkened.

Since he was a young master, he must be of the younger generation.

Then, the corners of his mouth curled up and a hint of disdain flashed on his face.

Since he was from the younger generation, he was not a powerful figure. In the younger generation of Cangliu star, he was the most powerful and recognized as the number one genius. This young master Tang was just a small character.

His temperament was quite intimidating, but he probably only had this aura. In reality, he was just an idiot.

How could such a person be worthy of being together with someone like fairy Ji?

He laughed coldly to himself, raised his hand, and said in a shrill voice, “”Daoist Tang! ‘Nice to meet you! Where did fellow Daoist Tang come from? I’m Xu San Sheng, from the Spirit Vulture Palace in Qing Zhou.”

He emphasized his own name.

As he spoke, he even raised his head, with a kind of high and mighty attitude.

“He’s just a wandering cultivator!”

Tang Hao glanced at him but did not get angry. He only replied indifferently.

He couldn’t be bothered with such a small character.

“A rogue cultivator?”

Xu Sansheng was stunned.

He had thought that this person might be from some mid-tier force, but he didn’t expect him to be just a wandering cultivator.

Hahaha!

He laughed out loud in his heart, but his contempt and disdain grew.

“So you’re a wandering cultivator! Then why did you come to this auction? don’t you know that this auction is not open to ordinary people?” He dragged out his words and said in a mocking tone.

“Young master Xu, this has nothing to do with you!”

Ji Ruyin furrowed her brows and said unhappily.

Xu Sansheng's face darkened.

Fairy Ji was actually defending this fellow. Moreover, from her expression, it seemed that she cared a lot about this fellow. This made him even more jealous.

"How can it not matter? this is not an ordinary auction. Not just anyone can enter. Without some status, you can't even enter the door. How can an individual cultivator like him be qualified to enter?"

Xu Sansheng sneered.

This was the highest grade auction on the vast meteor star. It was only held once a year, and the seats were limited. Ordinary people simply couldn't get them. Only forces with a bit of status were qualified to participate.

A mere wandering cultivator also dared to be so thick-skinned to participate, wasn't this a joke?!

"Young master Xu doesn't need to worry about this!"

Ji Ruyin raised her hand, took out two tokens, and showed them to him.

Xu Sansheng's expression changed when he saw it.

"Is this the token your Ji family made?" He gasped in shock.

This token was very precious. An 8th Tribulation Force like the Ji family usually only had one seat. But now, the Ji family had spent a lot of money to get two seats and even gave one of them to this individual cultivator.

Had the Ji family gone crazy?

Or have you been bewitched by this guy?

"Naturally!"

Ji Ruyin said, "young master Xu, if there's nothing else, we'll go in first!" Young master Tang, let's go! Take this token!"

As she spoke, she handed over one of the tokens.

Seeing this, Xu Sansheng's face was extremely gloomy.

He stared at the back of the two people walking forward, and a hint of ruthlessness flashed in his eyes.

Then, he turned around and walked towards the four people who were waiting for him. He whispered something to one of the old men.

The old man was stunned for a moment and seemed to hesitate. However, after hearing what Xu Sansheng said, he nodded.

He took the lead and walked forward.

Just as Tang Hao and the other man were about to enter, he shouted, "Hold on!" Then, he strode forward and pointed at one of the tokens, "This is the token of our spirit Vulture Palace!"
