

The Mightiest Little Peasant Chapter 2834

A middle-aged man was standing at the door.

He was a member of the four treasures Chamber of Commerce and was in charge of receiving guests at the entrance.

When he heard the old man's shout, he was stunned and looked at the two tokens in his hand with some surprise.

Didn't these two tokens belong to the two distinguished guests in front of him?

Ji Ruyin's expression changed as well.

The spirit Vulture Palace was looking for trouble!

The old man strode over, stretched out his hand, and took away the two tokens. He raised one of them and said, "This is clearly the token of my spirit Vulture Palace. There is a trace of my aura on it."

"It was originally with this disciple of my spirit Vulture Palace. He had been keeping it with him all this time. Just now, when he was walking around outside, this token had mysteriously disappeared. He was worried about it and didn't expect to see it here."

"You little thief, How dare you! How dare you steal from my spirit Vulture Palace!"

He looked at Tang Hao and shouted.

"This ..."

The man from the four treasures Chamber of Commerce looked around and was stunned.

Then, he tactfully shut up.

He wasn't stupid. Of course, he could see that the spirit Vulture Palace was deliberately looking for trouble.

The spirit Vulture Palace was a super force in green continent. It was so powerful that it could be ranked in the top five in the entire blue meteor star. It was also the highest-level VIP of the four treasures Chamber of Commerce. He didn't want to provoke it.

Tang Hao glanced at the old man and raised an eyebrow.

Without waiting for him to speak, Ji Ruyin rebuked, "This elder, this is clearly my Ji family's token, how did it become your spirit Vulture Palace's? Don't you dare slander us!"

"This token belongs to your Ji family, and this token was lost by my spirit Vulture Palace, is there anything wrong with that?"

The old man raised the two tokens and shook them. "Your Ji family only has one token. How can you have two tokens?"

"The Ji family bought this!"

Ji Ruyin said.

"You bought it? Why would the Ji family buy a token? Do you know how much it costs to buy an extra token?" The old man sneered, "this is the token that my spirit Vulture Palace lost. Look, my aura is still on it. Do you think my spirit Vulture Palace has to wrong you?"

He glanced at Tang Hao and said mockingly, "I don't doubt you, fairy Ji. Of course I know what kind of character fairy Ji has. Your Ji clan also has a command token, so there's no need to steal it. However, this person, a loose cultivator, can't have a good character!"

"He was the one who stole it! I met him on the street just now!"

A spirit Vulture Palace disciple walked up to Tang Hao and pointed at him.

"You little thief, how dare you steal from my spirit Vulture Palace!"

The rest of the people also came up and scolded.

At this moment, divine light fell from all directions and transformed into figures.

They were surprised to see the dispute at the door.

"He's too bold! How dare you steal from the spirit Vulture Palace!"

When they understood the situation, they were all a little surprised.

What kind of strength did the spirit Vulture Palace have? that was a super force that shook Cangliu. Someone actually dared to provoke them, and it was just a small wandering cultivator. Was he tired of living?

They were even more puzzled. Why would a person like fairy Ji walk together with this kind of person, and even seem to be protecting him?

Who was this guy?

"Fairy Ji must be blind! Why would you speak to such a person?"

"I think it was this person's flowery words that deceived fairy Ji. Think about it, fairy Ji is such a pure and holy person. Her mind is also incomparably pure, so she's very easily deceived!"

Many young xiuzhe shouted in anger.

They looked at the person beside fairy Ji with enmity and contempt.

Ji Ruyin's face was flushed red, her heart filled with anger.

"Your spirit Vulture Palace is too overbearing! I think you should know the truth very well, elder!" Her face turned cold and she rebuked.

As she spoke, she looked behind her at Xu Sansheng, her eyes full of disgust.

In the past, she had only thought that the other party was frivolous and arrogant, but she did not expect him to be so hypocritical and sinister. To think that he would even think of such a despicable method.

She quickly retracted her gaze.

She felt disgusted just by looking at this kind of person.

"I'm very clear! He was the one who stole this token!" The old man coldly snorted, feeling a little disdainful in his heart.

So what if the spirit Vulture Palace was this overbearing!

He didn't care about the Ji family at all.

If this person didn't have fairy Ji's name and some fame in Cangliu, he definitely wouldn't have placed her in his eyes.

"I'll take this token. As for you, how dare you steal from my spirit Vulture Palace? Today, you will either kneel down and kowtow to us a hundred times or die!" He looked at Tang Hao and shouted.

"So overbearing?"

Tang Hao raised an eyebrow.

"What tyrannical? you stole from my spirit Vulture Palace, don't you deserve to die? It's already kind of you to kowtow and apologize!"

The old man coldly snorted.

"It is! Hurry up and kowtow!"

"This is the grace of our spirit Vulture Palace! Why aren't you thanking me?"

The two disciples of the spirit Vulture Palace laughed and shouted.

Their gazes were filled with ridicule.

This guy was really unlucky to have provoked senior brother Sansheng. How could he survive? even if he kowtowed in public today, he would die in a few days.

“Kowtow!”

The surrounding onlookers also started to cheer.

“You guys ...”

Ji Ruyin was furious. Her beautiful eyes widened and swept around like sharp swords.

Her delicate body was trembling, but she was extremely angry.

At this moment, a hand reached out and patted her shoulder, indicating for her to step back.

“You want me to kowtow?” Tang Hao smiled faintly and took a few steps forward. “But I’m afraid you won’t be able to handle it!”

“Hahaha! We can’t afford it?”

The people of the Spirit Vulture Palace were stunned for a moment, then burst into laughter.

This guy’s tone was too F * cking arrogant.

“It seems like you want to die!” The old man’s eyes narrowed, and his golden eyes flashed with killing intent.

Behind him, Xu Sansheng sneered again, and the look of ridicule on his face became more intense.

“Since he doesn’t want to kneel, elder, let’s do it!” He shouted.

“Alright!” “Yes, master!” The old man responded. His body shook, and the celestial core power in his body rolled out, and a dazzling undying celestial radiance bloomed from his body.

Seeing this, everyone looked like they were watching a good show and were a little excited.

“This ... What’s going on?”

At this moment, a puzzled voice came from the sky.

Three figures descended from the sky.

All of them were dressed in navy blue robes. The person in the lead had a long body and a devilishly handsome face.

“Greetings, divine ancestor!”

“Master!” Everyone was shocked and bowed in unison.

There was only one man on the cangliu star who was so demonic and handsome, and that was the master of the mirror flower Palace from rain province, a noble nine tribulations Saint ancestor.
