

## The Mightiest Little Peasant Chapter 2837

“Bang!”

A deafening explosion.

The two forces collided in the air, and ripples visible to the naked eye spread out.

The two of them restrained themselves slightly, but when the force spread out, it still caused the tower below them to shake violently.

“If you want to fight, I’ll accompany you!”

Tang Hao said as he rose into the air and looked at the Crown Prince.

Motherf \* cker!

Who was this guy?

At this moment, the heavenly Dragon Crown Prince was cursing in his heart.

In his opinion, this guy was a lunatic and extremely audacious. He dared to kill a genius of the spirit Vulture Palace in front of him, the heavenly Dragon Crown Prince. He had offended the heavenly Dragon Dynasty and the spirit Vulture Palace.

No ordinary nine tribulations would dare to do this!

“What? He’s that person from before?”

He listened carefully to the discussions of the crowd below, and his expression changed.

He had also heard of this heaven-defying monster.

Although he felt that it was unlikely that this person had cultivated by himself and was of that kind of medicine pot, no matter what, the fact that he could advance to the ninth tribulation before the age of 100 showed that this person had a great background and should not be easily provoked.

He narrowed his eyes and thought for a long time, then he restrained his aura.

He didn’t need to fight a nine tribulations warrior for Xu Sansheng. It was too risky.

Although this person was a medicine jar that had been forced out, and his magical powers might not be good, there was no guarantee that he would not have some powerful treasure to protect himself. It would be bad if he was injured.

Not long from now, it would be the time for his Tian long celestial dynasty and great Yan celestial dynasty to hold the Royal immortal gathering. At this time, he could not afford to cause any more trouble.

“Hmph! For the sake of the four treasures Chamber of Commerce, I won’t do anything today!”

He flew out of the carriage, flicked his sleeve, kept the carriage, and landed on the square.

He glanced at Tang Hao coldly when he passed him.

Then, he entered the door.

After he had disappeared for a while, the cultivators in the square finally came back to their senses and started to clamor.

The Crown Prince of the Sky Dragon divine dynasty had always been overbearing. This was probably the first time he had been defeated!

This white-robed Saint ancestor was really crazy. He killed Xu Sansheng and then fought against the heavenly Dragon Prince. He was indeed a heaven-defying monster!

“A!”

Mirror flower Palace mistress came back to her senses and sighed.

He really didn’t expect that this person would be so decisive and kill the people of the Spirit Vulture Palace without hesitation.

Forget it! So what if they were killed? it was just a few eighth tribulation tribulation experts. They only had themselves to blame. Who asked them to be blind and bump into this person?

He shook his head and quickly felt relieved.

“Let’s go!”

At that moment, Tang Hao landed in front of the door. He called out to Ji Ruyin and was about to enter.

“Divine ancestor, please come in!”

The person from the four treasures trading company bowed immediately and said respectfully.

“Yes,” Ji Ruyin replied and walked over.

“Fellow Daoist, please wait!”

Mirror flower Palace mistress called out and quickly walked up.

“You again!”

Tang Hao turned around and looked at him.

“Fellow Daoist, I hope you don’t mind what happened just now! I have a little friendship with that person from the spirit Vulture Palace, so I wanted to mediate, but it’s not a deep friendship.” Mirror flower Palace head walked over with a smile.

“This must be the girl from the Ji family!”

He looked at Ji Ruyin and said.

He wasn’t surprised. He had inquired about this person before and knew that this person had once appeared in the cloud continent and the cloud Sea.

In the cloud Sea, this person had destroyed several forces, and in the end, only the Ji family was left. It was obvious that he had some connection with the Ji family.

“Greetings, divine ancestor!”

Ji Ruyin bowed and said respectfully.

“Ah! You don’t have to be so polite!” Mirror flower Palace head waved her hand.

“What’s the matter?”

Tang Hao looked at him and said calmly.

“Oh! I just want to invite you to participate in this auction with me. This time, my mirror flower Palace has gotten a private room that can seat many people. It’s much more comfortable than the seats outside. Please come with me!”

Mirror flower Palace head said with a smile.

“Alright!”

Tang Hao thought for a while, then nodded.

Last time at the great Emperor’s treasure house, this person had been quite enthusiastic, and he couldn’t reject his good intentions.

“Then, please!”

Mirror flower palatial Lord’s face lit up with joy. She quickly moved to the side and gestured for him to enter.

Tang Hao led Ji Ruyin inside.

“Fellow Daoist, you’re here for the key, right? Me too, I went to Wu Zhou a bit late and didn’t get the key, so I could only come here to buy one.” Mirror flower Palace mistress said as she walked.

“That spiritual void realm is really too godly. I don’t know how that spiritual void senior created such a magical world. That senior must have a world-shocking talent. All kinds of ideas are like heavenly horses and are imaginative. He’s not an ordinary person!”

As he spoke, he started to blow the spiritual void realm again, his face full of admiration and worship.

“Yup! That senior’s talent is truly unprecedented. His magical power is also rare in the world. He’s not an ordinary celestial.”

Ji Ruyin also nodded in agreement.

“Ahem!”

Tang Hao was a little embarrassed when he heard that.

These two people were praising him to the heavens.

“This time, there are a lot of people coming for the key. All the forces in the nine Continents have come, so the competition will be a bit fierce. However, there are also a lot of keys. I heard that there are hundreds of them. It won’t be a problem for us to get two.”

Mirror flower Palace head laughed again.

They arrived at the private room.

The three of them walked in.

The private room was very large and could accommodate more than ten people.

Sitting here, one could overlook the entire auction hall. At this moment, there were already many people sitting in the hall, and there was a low clamor.

“Fellow Daoist, I still don’t know your name or Daoist name?”

Mirror flower Palace mistress looked at Tang Hao and cupped her hands.

“Surnamed Tang!”

Tang Hao said indifferently.

“Tang! I’ll call you fellow cultivator Tang from now on! My surname is LAN, you can call me fellow Daoist LAN!” Mirror flower Palace head said with a smile.

After a pause, he added, “fellow Daoist Tang, you killed the people of the Spirit Vulture Palace just now. It’s not a big problem. I don’t think that person from the spirit Vulture Palace will come to find trouble

with you just for these few people. However, you should be more careful about the Tian long divine dynasty.”

“Oh? What do you mean?”

Tang Hao was surprised.

Mirror flower Palace Master said seriously, “the Tian long celestial dynasty is the most powerful force in cangliu star. They have more than one ninth tribulation expert. Moreover, they have always been very overbearing, especially the Tian long Crown Prince. He stopped just now probably because he was afraid of your background.”

“They won’t attack you, but they might think of some ways to deal with those related to you!”

As he spoke, he turned to Ji Ruyin and said meaningfully.

“Of course, this is only a possibility. I’m just giving you a reminder so that you’ll be on your guard. After all, I’ve seen the methods of the Tian long celestial dynasty. A lot of things can be avoided if you’re on guard.”

Hearing this, Ji Ruyin’s pretty face changed.

The Tian long divine dynasty’s reputation was too great!

If the number one force of the Azure meteor star really came to deal with her or her Ji family, the outcome would be unimaginable!
