

The Mightiest Little Peasant Chapter 2918

“What’s going on?”

The disciples of the star Mountain were all shocked.

They raised their eyes and looked around.

All of a sudden, their gazes focused on a white-robed figure not far away. The figure opened her arms and caught the beautiful figure by the waist.

Then, it slowly turned and floated down.

They were all a little dumbfounded.

The man in white was handsome and his temperament was extraordinary. He was like a banished immortal.

In his arms, the woman was as beautiful as a fairy.

The two of them hugged, turned, and turned, and their clothes fluttered. It was simply like a dream, so beautiful that it was a little unreal.

Ye Siyao was also dumbfounded.

She stared blankly at the handsome face that had suddenly appeared in front of her. She was completely stunned, and her mind was almost blank.

She was still in a daze even when she landed on the ground.

“What, you don’t recognize me?”

Tang Hao laughed.

At this moment, she finally regained her senses. Her eyes turned red, and she opened her arms and hugged him with all her might.

“Cough cough!”

Tang Hao’s face turned red.

Ye Jian’s body was already hot to begin with, and this hug caused his entire face to sink in, almost suffocating him.

This was simply asking for his life!

He muttered to himself.

“Big liar! You’re a big liar! You only came to see me now!” Ye Siyao’s face was red, but she still hugged him tightly. Her eyes were red, and her face was full of grievances.

Not far away, the group of Star Mountain disciples was dumbfounded again.

“Hmph! A pair of adulterers!”

The blue-robed woman had already stood up and looked over coldly, her face filled with shame and anger.

“Who are you? how dare you come here and attack me, a disciple of the star Mountain!” She glanced at the man’s waist and immediately shouted coldly.

It was a visitor’s token, which proved that this person was not from this star region, but from the outside.

Looking at the attitude of these two people, it was clear that they were in a relationship. In other words, this person came from the remote Azure meteor star and might even be a member of the unranked great fate sect.

Such a small character actually dared to attack her, a heaven’s favorite of the stellar mountain. He was really tired of living!

She raised her hand, and a silver flying shuttle shot out. It was dazzling with divine light as it blasted forward.

However, in the next moment, something that made her speechless happened. The man only flicked his sleeve lightly, and her flying shuttle stopped. Then, it suddenly changed direction and flew back, heavily hitting her body.

Her body trembled violently, and she immediately spat out a mouthful of blood.

Then, his body was sent flying backward like a cannonball.

“Senior Sister!”

The disciples from all directions were shocked. They shouted and rushed forward.

“How dare you attack a disciple of my star Mountain. Let me tell you, you’re dead. Even if you’re a 9th tribulation cultivator, you’ll still die if you dare to be so presumptuous in my star Mountain!”

After they helped the blue-robed lady up, they rushed over and started cursing angrily.

Tang Hao put ye Siyao down and glanced at her coldly. “If it wasn’t for the fact that she was a disciple of the star Mountain, she would have been dead by now!”

“You ... What a big tone!”

“Just you wait, don’t run if you have the guts! Ye, you can’t get away with it either, just wait to be punished! You’re finished!”

They stomped their feet in anger and cursed a few times. Someone shot out divine lights and flew into the distance.

“You’re the one who’s finished!”

Ye Siyao muttered indignantly.

When she turned around and looked at Tang Hao, she pursed her lips and smiled. Her expression was one of joy.

“Big liar, at least you still have some conscience. Remember to come and see me! I thought you’d already forgotten about me and Xuezi!” She said.

“How could it be!”

Tang Hao said with a smile.

“Did you come to see me for something? You’re leaving?” She seemed to have thought of something, and her expression suddenly darkened.

She wasn’t really stupid, and her mind was quite sharp.

“Mm! I’ve been here for a long time, I have to go back and take a look.” Tang Hao said.

“That’s true!” Ye Siyao nodded.

He had said before that he came from a very distant place. After staying here for so long, it was time to go back and take a look.

“Wait, I’ll take you to see xuexi. She’s been thinking about you!” She said.

“Alright!”

“Okay,” Tang Hao replied.

Then, he raised his eyes and looked into the distant sky. There, a figure was rapidly approaching. It was an old man, and judging from his cultivation level, he was only at the Dao gathering realm.

“The elder is here!”

When the group of disciples saw this, they all cheered.

Then, they turned to look at Tang Hao with smug expressions on their faces.

Once the elder came, this guy would be finished and would be suppressed. As for this ye guy, he would also be punished and would suffer.

“It’s really strange! There’s still someone who dares to cause trouble on the main star of my stellar mountain? where did this idiot come from? I’ll have to experience it today.”

The old man murmured as he flew over.

He was really surprised. No one had ever dared to cause trouble here before. Today was the first time. He had to take a good look at which audacious guy it was!

“Where’s that crazy person?”

He shouted as he approached.

“Elder, that’s the bastard!”

“This ye guy is on good terms with him. He colluded with him and injured Senior Sister!”

The group of stellar mountain disciples shouted. They raised their hands and pointed at Tang Hao.

“Hmph! How dare you! You dare to cause trouble in my stellar mountain, do you want to die?” The old man looked over and shouted. Then, his Qi surged and he was about to attack.

However, in the next moment, his body froze, and his raised hand also stopped there.

He stood in the air, his eyes wide open as he stared at the young man in white not far away.

The young man stood with his hands behind his back and was smiling at him.

Gulu!

He couldn’t help but swallow hard. His expression became a little pale, and even his hand started to tremble slightly.

He recognized this young man.

But why was this terrifying guy here?

“Ah!” That’s right! It’s this girl, no wonder!

He then looked at the female disciple beside him and immediately revealed a look of realization.

“That was close! That was close!”

He wiped off his cold sweat and felt lucky that he didn’t make a move just now. He recognized this person in time and stopped himself. Otherwise, the consequences would be unimaginable!

Who was this? he was an invincible great emperor!

On the sacred beast planet, more than sixty peak-stage experts had joined forces, but they had all been defeated by him. Once this person showed his might, his Star Mountain would be in trouble.

He hurriedly retracted his aura. When he raised his head again, his old face revealed an extremely enthusiastic and even a flattering smile.

“Hahaha! So it’s an honored guest!”

He laughed out loud and descended, heading towards the young man.

Upon seeing this, the group of Star Mountain disciples were all stunned.
