

The Mightiest Little Peasant Chapter 2930

The world was deathly silent.

The xiuzhe in the four directions were dazed.

The three strongest Warriors of the blue water Palace, the ones who had dominated the cloud billow star for thousands of years, were gone just like that?

This was like a dream!

“The blue water Palace is completely finished!”

“Woof! They thought they could sit back and relax with the help of the Xuanyuan clan, but they didn’t expect that they would provoke another terrifying existence and bring about such a great disaster!”

A moment later, they burst into an uproar.

The cultivators all had different expressions. Some were regretful, while many were mocking.

To steal the talent of one’s own genius and offer it to the Xuanyuan clan, such an act was truly despicable and shameless.

“Where did this person come from? I don’t think there’s such a person in the Tianhuang region.”

“This man is really bold and arrogant. How dare he say that he will flatten the Xuanyuan clan!”

They looked at the man again and started to discuss.

They were really curious about which celestial realm such a frighteningly powerful and arrogant figure had come from.

“What a terrifying gaze!”

However, when that figure looked over, they all trembled and immediately fell silent.

“Devil, you’ve killed so many of my blue water Palace’s people. The Xuanyuan clan will never let you go, and you still want to trample the Xuanyuan clan to the ground? You’re dreaming! There’s only one outcome for those who oppose the Xuanyuan clan!”

At this moment, a stern shout was heard.

Tang Hao turned around and saw the goddess of the crystal-clear water Palace, Xiao Lingxi!

“You must have contributed a lot to that matter back then!”

Tang Hao narrowed his eyes and said coldly.

“So what! Do you want to kill me? I’m telling you, you can’t touch me!” Xiao Lingqian raised her head and shouted arrogantly, “look ... What is this!”

As she spoke, she raised her hand and a token appeared in her palm.

“Sacred ancestral token?”

“That’s right! Do you know whose sacred ancestral token this is?” The corners of Xiao Lingxi’s mouth curled up as she revealed a triumphant look. “This is the Holy ancestor token of the first inheritor of the Xuanyuan clan. As long as I activate this token, not only him, but many experts of the Xuanyuan clan can also come here through this token.”

“The first successor of Xuanyuan? It’s that person!”

“She actually has that person’s sacred ancestral token. It seems like she has a deep relationship with that person!”

Everyone exclaimed in surprise.

All the cultivators were shocked.

The Xuanyuan clan had many clans and descendants, and there were more than a hundred of them. However, the most powerful one among them was the one who ranked first. He was a heaven-defying monster, not only did he have amazing luck, but he also had extraordinary talent.

Moreover, this person was extremely notorious for his overbearing nature. He would obtain anything that he set his eyes on. Many sects and families had been destroyed because of him.

This was why they were so shocked when they heard the name.

Hearing the exclamations from all directions, Xiao Lingxi was even more pleased.

Tang Hao raised an eyebrow.

Xuanyuan Hongyi, the first successor of Xuanyuan!

Of course, he had heard of this name before. He was truly an existence with a fierce reputation and whose might shook the four corners of the world.

“I’m very curious. Why didn’t you take it out earlier, but only now?”

He said coldly.

“You still don’t know this? Of course, I want those old guys dead. If they die, the blue water Palace will be mine, and I won’t have to act according to their wishes anymore. It’s not a big deal even if we lose

three peak-stage experts. As long as we have the support of the Xuanyuan clan, we can quickly produce a few more peak-stage experts. ”

Xiao Lingxi sneered.

She felt that this person had been intimidated.

Who wasn't afraid of Xuanyuan clan's fierce reputation?

Even if this man could talk arrogantly, he would still be afraid when he faced the Xuanyuan clan.

Besides, this person must have used precious true immortal power to kill the three peak existences, which should have consumed more than half of it. There was not much left.

“So that's how it is. Your thoughts are truly vicious!”

Tang Hao said coldly.

“So what if I'm a little more vicious? if I wasn 't, would I be where I am today? Back then, that mu guy didn't know what was good for him and provoked me. If you dare to provoke me again, you'll end up the same!”

Xiao lingshang said ferociously.

“Oh, really? Then I'd like to see how you're going to deal with me!”

Tang Hao chuckled. He stomped his foot and charged forward.

“You ... You dare!”

Xiao Lingxi was shocked. She did not expect that this guy would not be afraid of her threat at all and even dared to attack.

“You asked for this!”

Then, her expression darkened and she immediately activated the token in her hand.

In the next moment, the token glowed brightly and a ripple appeared in the void.

“Eh? Lingxi?”

A soft sound of surprise came from the other side of the void.

“You have guts! How dare you touch my woman!” In the next moment, he shouted.

Whoosh!

From the ripples in the void, a majestic power gushed out and condensed into a giant palm that slapped out.

“Hmph! So what if she’s your woman!”

“Die!” Tang Hao shouted. He also formed a palm and slapped it.

Bang!

The two palms collided and exploded with boundless light.

The giant palm exploded and the other side of the void gave out a low scoff.

“Who are you? Where did this old monster come from? Do you know who I am? I’m the first successor of the Xuanyuan clan, the future Clan Lord of the Xuanyuan clan. You dare to touch my people? do you want to die? Why aren’t you retreating!”

An angry shout came from the other side.

On the other side of the void was a Golden Hall. A handsome man in a golden robe was sitting cross-legged on a Lotus platform.

This Lotus platform had 12 petals and was of the highest quality. It exuded the aura of a true immortal.

His golden robe was embroidered with a bright Galaxy and had divine light flowing around it. He was also immortal-grade.

In front of him, a Green Cauldron was floating. There was a fire burning inside it. He was obviously refining pills.

At this moment, he was looking at a ripple in the void not far away from him and shouted angrily.

He was a little annoyed.

Someone actually dared to touch his woman!

And just now, he had actually fallen into a disadvantage. Which old monster was it that didn’t know what was good for him?

“Hmph! If it wasn’t for the fact that this cauldron of pills is too important and is related to my physical body’s breakthrough, I would have already killed this damn old monster!” He snorted coldly to himself.

“I told him my name, so that old monster should have been scared away! When I’m done, I’ll go to the cloud billowing star, find this old monster, and kill him!”

He pondered, not in a hurry at all.

In the past, there had been people who had provoked his people, but when they heard his name, they were all scared witless. It would be the same this time.

At that moment, he gathered his thoughts and was about to concentrate on refining the pill.

However, at this moment, a majestic force came from the ripples in the void. It instantly condensed into a huge palm and slapped toward him.

He looked up and was stunned.

That old man clearly knew his identity, but he still didn't leave. He even crossed the void and put his hand into the Xuanyuan clan.

Where did this old monster come from, to be so audacious?

Just as he was in a daze, the palm slapped over and immediately sent the cauldron in front of him flying.

“My pill spine Gu!”

Seeing this, his eyes widened and he let out a heart-wrenching scream.
