

The Mightiest Little Peasant Chapter 2944

Boom! Boom! Boom!

On the spirit ring planet, loud noises were constantly heard.

The Golden Palm, suffused with an unparalleled energy, madly slammed down, tearing open the skin and flesh of the Black Dragon, causing it to scream in pain.

The ground around him cracked and collapsed ...

The xiuzhe above had been dumbstruck.

The power of this white-clothed xiuzhe was so high that it was scary.

“He ... What realm is he at?”

Some xiuzhe forcefully swallowed and said in a hoarse voice.

“I don’t know either ...”

The beautiful woman from the Taiwei Celestial Palace shook her head with a blank look on her face.

She was at the peak of the realm, with a cultivation of six paths, which was already considered a top expert. Those who could be more powerful than her were at most people who had seven or eight paths, who were close to Ascension.

However, the strength displayed by this guy in front of him was many times stronger than those who had cultivated the eight paths.

This was truly somewhat inconceivable!

“I’ve heard that some people have shocking luck and obtained a large amount of immortal materials. They can break through to the tenth realm before ascending!”

“The tenth realm? What’s the big deal about the tenth realm? I think this person’s cultivation is more than several times that of the tenth realm. This is definitely not something that people of our era can cultivate. Perhaps this is an ancient senior. ”

“That’s right! This must be an ancient senior who, for some reason, has been slumbering in the lower realm and has only appeared now!”

The crowd discussed excitedly.

This person’s strength was too strong, and he couldn’t be seen in this era at all, because when one reached the realm of eight or nine Dao attainment, they would all ascend.

Only ancient Almighty beings could possess such heaven-shaking divine abilities.

Moreover, this person was acquainted with the Black Dragon. The growth of the true dragon race was extremely slow, and for this Black Dragon to be able to grow to this extent, it must have lived for tens of thousands of years. It was from the ancient era, which further confirmed that this was an ancient senior.

“I’m really ashamed. I didn’t recognize how extraordinary this senior was just now and even spoke rudely!”

“I was really blind!”

Then, they all sighed with regret.

Such an ancient Almighty must have powerful divine powers that could suppress the entire starry sky. In front of this man, they, who were at the peak of the five or six Dao, were nothing but ants that could be suppressed with a wave of their hands.

What was laughable was that it was this group of ants that dared to laugh at such an ancient Almighty.

For a moment, they were so remorseful that their intestines turned green.

If they had known that this person’s background was so shocking, they wouldn’t even have had the time to kneel and lick his boots. This was because if they could get close to such an ancient Almighty, it would be a shocking opportunity for any of their forces.

“Stop, stop, stop!”

“Little bug, are you done?”

A moment later, the Black Dragon couldn’t take it anymore and screamed.

“I did help you, after all. If it weren’t for me, you Pan Gu would have been gone...Sigh! Stop, stop, stop, I won’t brag anymore, alright! You have to admit that I have made some contributions!”

The Black Dragon gave in.

He really couldn’t stand it anymore. This kid was simply abnormal. It was fine in the past because his physical body was heaven-defying, but he didn’t expect that after three years, even his cultivation base had become so heaven-defying that it was almost at the level of a true immortal.

“You said you would set me free, you can’t go back on your word!”

“I did say that I would set you free, but you tried to eat me just now. You asked for it.” Tang Hao said coldly.

“I, no, I admit defeat. I was wrong, okay!”

The Black Dragon mumbled.

“It’s too late. You have two choices now. One is to admit defeat and come into my furnace. Don’t worry, I won’t kill you and will let you go in the future. The other is to be taken into my furnace and refined.”

Tang Hao shouted as he took out his divine furnace.

When the Black Dragon saw the furnace, he was shocked and revealed a look of fear.

He could sense the primordial Qi from the furnace.

This was an extremely terrifying furnace!

In the previous battle, he had seen the terrifying power of this furnace.

“You ... Really won’t kill me and will let me go?”

“Naturally, when have I ever gone back on my word?” Tang Hao said.

“Alright!”

The Black Dragon thought for a long time before finally nodding.

Although he was crazy, he wasn’t stupid. He could clearly judge the situation in front of him. He was no match for this Monster Boy. If he continued fighting, he might really be killed here.

He might as well give in and live on. It wouldn’t be too late to swallow this kid after he recovered to his peak.

Tang Hao did not know what the black Dragon was thinking, but he did not care.

Even if the Black Dragon were to recover to its peak, he would not be afraid.

He opened the divine furnace and covered it. The Black Dragon shrunk its body and entered.

“This guy is too good at causing trouble. It’s better to leave him with the nine-colored God clan in the future.” He kept the divine furnace and muttered.

“Heavens! That Black Dragon actually admitted defeat and entered this senior’s furnace!”

“I’m afraid that this senior’s divine power is unimaginable!”

Above, everyone was shocked.

It was a mad dragon, and no one knew how brutal and violent it was. However, it was also subdued by the divine might of this senior. It was truly inconceivable!

This was enough to prove how powerful this senior was!

When they came back to their senses, they looked at each other and then rushed down.

“Congratulations, senior, for subduing this mad dragon!”

“This mad dragon has wreaked havoc everywhere and committed countless sins. By subduing it, senior is doing the heaven a great service!” The old man said.

When they came close, they all did their best to flatter.

“Senior, the subjugation of this Black Dragon is a joyous occasion. We must celebrate it properly. Why don’t you come with me to my Taiwei Celestial Palace as a guest?” The beautiful woman from the Taiwei Celestial Palace also said enthusiastically.

“As everyone knows, the Taiwei Celestial Palace is the number one power in this celestial realm. It is the most reasonable for the Taiwei Celestial Palace to be the host and treat us.”

She looked around with a contemptuous expression.

When she looked at the senior in front of her again, her face revealed a warm and almost flattering smile. Her beautiful eyes were full of light, which was somewhat seductive.

“F * ck! You’re so F * cking shameless!”

“Shameless!”

When the other big shots saw this, they all wanted to curse.

Wasn’t this seduction? it was a despicable method!

However, they were helpless. Who asked them to not be women? otherwise, they could have done the same.

“I won’t go to the Taiwei Celestial Palace. I appreciate your good intentions!”

Tang Hao waved his hand and smiled.

His tone was rather polite.

Just now, he had already found out the location of the passageway from the brain-dead Black Dragon. It was in the Taiwei immortal domain. Therefore, it would be greatly beneficial for him to have a good relationship with the big shots of the Taiwei immortal domain.

The beautiful woman was a little disappointed.

“Then, senior, are you leaving Taiwei?”

“No, I’m planning to stay here for a while.” Tang Hao said with a smile.

The cultivators 'eyes lit up when they heard this.

They still had a chance!

They rolled their eyes and began to think about how to please this senior and establish a relationship with him.
