

## The Mightiest Little Peasant Chapter 3035

"Greetings, senior!"

The female Immortals of the sacred beast Palace all bowed.

Only Yun feiwan stood there in a daze.

She looked at the figure descending from the sky above, her eyes full of confusion and disbelief.

Although he had changed his appearance, she could still recognize that this was the person she had been thinking about day and night.

Her Jade-like hands clenched tightly, and her plump figure trembled slightly because of her extreme excitement.

"Sister Yun, what's wrong?"

Seeing her like this, the green robed female immortal asked in surprise.

"Oh! It's ... Nothing." Yun feiwan regained her senses and said hurriedly, but her expression was a little flustered.

Seeing this, the green robed female immortal was even more confused.

Judging from sister Yun's expression, it was clear that she recognized him.

"Fairy Yun must be happy to see a friend!"

Tang Hao said with a smile as he slowly landed.

"Friend? Sister Yun, when did you get to know such an earth immortal senior?" The green-robed woman asked in surprise.

"Oh! I met him by chance." Yun feiwan said, calming herself down.

"I see! What a coincidence!"

The green-robed woman laughed. She didn't doubt him.

Earth Immortals were not rare figures, so it was normal to recognize a few.

"How about ... You guys go back first! "I have some things to discuss with this senior ..." Yun feiwan hesitated for a moment before saying, "I'll pick the rest of the herbs later."

"This ..."

The few of them were stunned.

“You’re still missing a few, I’ll help you pick them!” Tang Hao smiled. His figure flickered, and he disappeared from the spot.

After a few breaths, he reappeared. With a wave of his sleeve, ten similar spiritual herbs flew out and floated in front of him.

“Many thanks, senior!”

The few of them hurriedly said.

“Since senior has helped pick it, then you can take it back and hand it over first. I’ll wait for a while before going back!” Yun feiwan said.

“Alright!”

The few of them nodded and looked at the two of them with strange expressions.

The four of them turned into celestial light and flew out.

After they were far away from the spirit Moon Mountain, they all stopped and turned around to look.

“That person ... Seems to have an unusual relationship with sister Yun.”

“I can see it too. They can’t be ... In that kind of relationship, right?”

The few of them discussed in hushed voices.

“I thought that she was really that virtuous and didn’t want to cling to men. It turns out that she already had one. She even said it so nicely just now. What a joke!” A purple-robed female deity scoffed in disdain.

The rest of them frowned but did not refute.

That was the truth, and there was nothing to refute.

“She’s really blind. Isn’t the elder of our Holy beast Palace better than the one below? Our elder is a heaven immortal. Not only does she have a high cultivation, but she also has great power. However, she doesn’t want her and found such a person!”

The purple-robed female immortal sneered again, “also, what Dao partner from the lower realm? pfft, she must have forgotten about it long ago! You’re really promiscuous and shameless ...”

“You should just stop talking!”

The green-robed female immortal frowned and rebuked, “what does sister Yun’s business have to do with you?!”

"I'm just unhappy, so what!" The violet-robed female immortal shouted.

"Alright! It's done! Stop talking and go back!"

The other two tried to smooth things over.

The four of them quickly left.

"Those few people don't seem to be treating you well!"

Tang Hao said to Yun feiwan as he looked away from the mountain.

"We're just ordinary friends, how good can we be!"

Yun feiwan laughed bitterly.

"Don't worry about them. What are you doing here?"

She looked at Tang Hao, her brows furrowed in worry. "Don't you know that everyone in the immortal world is looking for you?"

"I'm fine! They can't find me yet!" Tang Hao said with a smile.

"That's true! You're already an earth immortal now! The ones they're looking for now are all late-stage human Immortals." Yun feiwan heaved a sigh of relief.

Then, she pursed her red lips and smiled.

"I'm really happy that you're here to see me!"

She lunged forward and hugged him tightly.

Her face was gently pressed against his broad chest, and she was a little dazed as she listened to the thumping of his heart.

"I really thought that I would never see you again!"

She mumbled, her Phoenix eyes slightly squinted, a little dazed.

"Aren't I here now?"

Tang Hao said gently.

"Mm ..."

She responded in a low voice and rubbed her face in his arms, closing her eyes in comfort.

Just like that, they held each other for a long time before she opened her eyes. Her gaze was getting more and more dazed.

“Bad brother! What are you still standing there for?”

She whispered into Tang Hao’s ear, her voice filled with emotion.

With that, she flicked her sleeve, and layers of formations spread out, enveloping the entire place.

It was only after a long time that the mountain regained its peace.

The two of them sat at the peak of the mountain, and she recounted everything that had happened in the sacred beast Palace during this period.

“How about you?”

She looked at Tang Hao after she finished speaking.

Tang Hao briefly explained his situation.

Yun feiwan’s mouth was wide open as she listened.

She felt that what he said was simply too unbelievable. He had only been here for a little more than a year, but he had already created a large Chamber of Commerce and expanded his business to all major continents. He had even made it onto the immortal list and become famous throughout the entire immortal world.

All of this was simply too shocking!

What was even more unbelievable to her was that he was already a mid-stage heaven immortal!

It had only been a year!

From the human immortal realm, he had directly soared to the mid-stage heaven immortal realm!

Such a speed was truly shocking and too terrifying!

“You’re really ...”

For a moment, she could not find any words to describe him.

“You’re really my good little brother!”

She paused for a moment and suddenly smiled, feeling a little proud.

“That’s good. The higher your cultivation and the more famous you are, the less they will suspect you!” She said.

“Yup! There’s no need to worry for the time being!”

Tang Hao said with a smile.

“Then ... You should stay here for a while! Is that good?”

She gently raised her Jade-like hands and gently stroked his cheeks as she spoke emotionally.

Her beautiful eyes were filled with reluctance.

She knew that they still had to part, but she hoped that the moment of separation would come a little later so that she could take a good look at him and accompany him. This way, she could also leave behind more beautiful memories.

“Alright!”

Tang Hao nodded.

“Good brother, you’re so obedient!”

She smiled, leaned over, and kissed him passionately.

Time passed by quickly ...

Half a month passed by in a flash.

The two of them found a place in the mountains and stayed there for half a month.

“If you miss me, come and find me! You don’t need to worry about me, just take care of yourself!”

On this day, the two of them left the mountain.

She hugged Tang Hao and said softly.

Then, she took a few steps back and smiled at Tang Hao. She waved at him, turned around, and left.

Soon, they disappeared into the horizon.
