

## The Mightiest Little Peasant Chapter 3053

“Little ... Little tiger?”

Su changgong murmured with a dumbfounded expression.

He almost thought that he had misheard again!

That was a F \* cking early heaven immortal divine Tiger with the Huang Jin bloodline! It was extremely brutal and powerful!

You call this thing a little tiger?

You’re crazy!

If it were to fully display its body, it would be huge, at least tens of millions of feet tall.

He roared in his heart.

He felt that this guy was really a little crazy. His brain wasn’t normal. Previously, he bragged that he wasn’t interested in money, but now, he was calling a divine Tiger a little tiger and even took the initiative to meet him.

If this wasn’t something wrong with his brain, then what was!

“He’s crazy!”

The purple-robed female immortal shrieked in disbelief.

Who would call this divine Tiger a little tiger?

“He’s really a lunatic!”

Seeing him walk towards the divine Tiger, she cried out in shock.

“Little tiger? You’re the one who’s small!”

The divine Tiger also heard it and was instantly enraged.

He was a mighty divine Tiger, not a little tiger. This was an insult to his dignity.

He wanted to smash this human true immortal’s head and then swallow him.

Aooo!

He opened his bloody mouth and let out an even louder roar. Then, he slapped down with his claw.

The claw had not even reached him, but a monstrous pressure surged toward him, blowing Tang Hao's long black hair.

He stood tall and faced the pouncing divine Tiger with a smile.

He raised his right hand, clenched it, and punched forward.

"This guy ... Is really crazy!"

Seeing this, su changgong, who was receiving a blow from the vicious ape, could not help but laugh.

A mere earth celestial stage cultivator was far behind a heaven celestial divine Tiger. Moreover, he had actually used his physical body to catch it. Wasn't he courting death?

Who didn't know that the beast race had an incomparably terrifying physical body, especially with such a powerful primordial bloodline!

If this claw hit, this guy would definitely be seriously injured!

Bang!

In the next moment, the light punch and the Tiger's Claw collided.

He didn't vomit blood as he had imagined, nor did he scream.

In fact, there wasn't even any dazzling divine light.

"What ... What's going on?"

Su changgong was dumbfounded.

Not far away, the man and the Tiger's fists and claws were stuck together. They were motionless, and the originally monstrous ferocity had also disappeared. It was as if the divine Tiger had only pounced down and touched them lightly.

It was more like ... Frolicking!

But how was that possible?

Behind him, a few female Immortals were also stunned and confused.

Even the divine Tiger was stunned.

He had used all his strength to strike down, but the fellow in front of him did not move at all. His power was like a stone sinking into the sea, disappearing without a trace.

"Not good!"

After being stunned for a moment, he came to a realization.

To be able to take one of his claws and remain unharmed, he must be someone with great divine abilities and an extremely profound cultivation base. He must be at least a late-stage heaven immortal!

Aowuu!

He shouted and was about to turn around and escape.

However, it was too late.

Tang Hao's body trembled. His cultivation base at the peak of the heaven immortal realm erupted. At the same time, his body's energy surged out.

BOOM!

His body trembled, and suddenly, a brilliant divine light exploded. It was incomparably resplendent, and it illuminated the vast heaven and earth.

Ah!

The moment they saw such a blazing divine light, a few female Immortals were burned to the point that their eyes hurt. They subconsciously squinted and cried out in surprise.

Even su changgong squinted his eyes.

At this moment, his expression was extremely dazed.

His mind was shocked to an extreme degree.

Such a blazing divine light and such a terrifying aura ... This, how could this be an earth immortal! He was clearly a F \* cking heaven immortal, and a peak one at that!

This was a powerful expert at the peak of heaven immortal realm!

"This ... How could this be?"

Behind him, the purple-robed female immortal adjusted to the blinding divine light. She squinted her eyes, and her body trembled violently.

Her beautiful eyes were wide open, full of extreme shock.

This was the aura of a celestial immortal!

Moreover, he was not an ordinary heaven immortal. He was much more powerful than elder su who was before her.

"Oh my God!"

Then, she opened her red lips again and let out a cry of surprise.

She watched in horror as the sky immortal divine Tiger screamed and was sent flying. Its entire claw had exploded, and golden immortal blood splattered everywhere. It was extremely miserable.

“It’s ... It’s terrifying!”

Su changgong shuddered and let out a low cry.

His face turned pale.

Although this person was at the peak of the heaven immortal realm, he was a ferocious beast with the Golden bloodline. Logically speaking, he should not be a match for the divine Tiger in a physical battle. However, he had severely injured the divine Tiger with a single punch!

Such a divine power was already somewhat terrifying!

This guy must be the most powerful group of itinerant Immortals.

Although he looked down on most of the loose Immortals, there were still some extremely powerful figures among them, and this man was obviously one of them.

“Little tiger, don’t run! If you run away, I’ll be angry. Once I’m angry, I’ll chop you up, steam you, roast you, and eat you in all kinds of ways!”

Tang Hao said with a smile as he walked toward the divine Tiger.

Oh my God!

When the divine Tiger heard this, it was so scared that it trembled and almost peed.

What kind of monster is this guy?! How could he be so brutal?

He roared madly in his heart and wanted to cry but had no tears.

“Let’s go!”

He gritted his teeth, turned around, and was about to escape.

No matter how powerful this guy was, he was only at the heaven celestial stage. If he wanted to escape, he still had a chance.

“You’re looking for death!”

Tang Hao’s expression changed when he saw that.

He stretched out his hand and the Golden spear in his palm flew out.

Whoosh!

Pfft!

Two soft sounds.

The divine spear turned into a bolt of lightning and shot out. It pierced through the divine Tiger's body and nailed him to the ground.

Si si si!

Seeing this, su changgong and the other female Immortals were so shocked that they gasped.

The spear pierced through!

This was too shocking!

With the God Tiger's fur and the toughness of his body, it would be hard for ordinary Immortal Weapons to hurt him.

From this, one could see how terrifying this guy's divine power was!

"Little tiger, if you run again, I won't be polite. Don't worry, I won't kill you!"

Tang Hao flew over and landed in front of the divine Tiger.

The God Tiger raised its head and looked at him. It was only shivering and had a weak and helpless look.

The guy in front of him was too terrifying. He had never seen such a powerful true immortal. It was almost impossible to escape from this guy.

"Wuwu!"

He lowered his head and prostrated himself in a submissive posture.

For a heaven immortal level beast like him, once defeated by the human race, it would be the fate of being subdued.
