

The Mightiest Little Peasant Chapter 3056

“Guild leader Shi, don’t be in such a hurry!”

Feng Qingyan smiled and gestured for Tang Hao to sit down.

“President Shi, you should know that the Treasury of the divine wonder Palace was robbed not long ago, right?” She said after Tang Hao sat down.

“I know!”

Tang Hao nodded.

He was the one who did it. How could he not know?

However, what did the news of the connate spirit item have to do with the divine wonder Palace?

“Among the stolen treasures, there was a stone that was a connate spirit stone. It was obtained by the divine wonders Palace decades ago. The loss of this stone made the divine wonder Palace very sad. Therefore, during this period of time, the mysterious Daoist has been running around, trying to find a connate spirit stone to make up for his loss.”

“At first, it wasn’t that easy to find a connate spirit item. Some people might not even be able to find one even after hundreds of years. But in the end, that Taoist priest Shen Miao got lucky and really found one.”

Feng Qingyan said.

As she spoke, she gently shook her head, her expression rather envious.

Such luck was truly rare.

“There’s such a thing?”

Tang Hao was stunned.

It was the mystical palace and another connate spirit item. This was too much of a coincidence!

This mysterious old Daoist was too lucky!

“This spiritual item is already in the divine wonders Palace?”

Tang Hao asked.

He frowned slightly, feeling a little troubled.

With the lesson of being stolen last time, the mysterious old Taoist would definitely not put the spiritual item in the treasure vault this time. He would definitely carry it with him, so he would not have the chance to make a move.

“No!”

Feng Qingyan shook her head. “I’ve only found it. I haven’t gotten it yet!”

“This innate spiritual item is a spiritual Pearl. The innate spiritual Pearl was found in the great desolate mountains.”

She then explained.

“The great desolate mountains?”

Tang Hao’s expression changed when he heard that.

The great desolate mountain was famous in the spirit Toad continent for being a dangerous place. It was said that there were golden immortal level fierce beasts in the deepest part of the mountain. It was extremely dangerous and was even classified as a forbidden land.

“It can’t be in the deepest part, right?”

Tang Hao said.

“Of course. Otherwise, how could there be such a thing as a connate spirit object? when that mysterious old Daoist found the spirit bead, he was also targeted by that old Suan ni in the mountain. They fought over it and are still fighting with each other now!”

“That’s why the news was spread out. My heaven seeking Pavilion got the news at the first moment, and then I informed you.”

Feng Qingyan said.

“I see!”

Tang Hao’s eyes lit up when he heard that.

From the looks of it, he still had a chance.

“President Shi, I know you’re in a hurry, but the situation this time is really dangerous. A golden immortal magnate and a golden immortal level Suan ni. It’s too difficult for you to snatch the treasure from them.”

Feng Qingyan said with a frown.

In fact, when she first received the news, she was a little hesitant about whether to give it to this person, because it was too dangerous.

As a friend, she didn't want this person to take any risks.

"Guild leader Feng, I understand. I'll go and take a look first. If there's no chance, I naturally won't take the risk."

Tang Hao said with a smile.

"That's good!"

Feng Qingyan heaved a sigh of relief.

This President Shi is an intelligent person, so he should know what to do.

"Do many people know about this?"

Tang Hao asked again.

"Not many. Even if many people know, they won't dare to go over and join in the fun." Feng Qingyan shook her head.

Tang Hao nodded. He pondered for a moment, then stood up and left.

Through the heaven seeking Pavilion's teleportation array, he arrived at the immortal City that was the closest to the great desolate mountain.

After he left the immortal City, he rushed over and arrived at the great desolate mountain in less than ten minutes.

BOOM! BOOM!

Deep in the mountain range ahead, a rumbling sound could be heard. It was so loud that even the sky and earth were shaking.

Tang Hao focused his gaze in that direction and saw an endless amount of celestial light blooming in that direction. The light illuminated the vast area, making it impossible to see anything clearly.

When he squinted his eyes and took a closer look, he could vaguely see two figures confronting each other on the mountain.

A man and a beast.

The mountains around the two of them had long been razed to the ground, and the earth had cracked open, revealing huge cracks.

"That's the spiritual Pearl?"

In one of the cracks, there was a ball of dazzling divine light floating in the air. It was colorful, and it was obviously the innate spiritual Pearl.

“This treasure ... Is not easy to retrieve!”

Tang Hao furrowed his brows as he watched them from afar.

The spiritual Pearl was right below the two of them, and the two of them were paying attention to it at all times. Even if he was wearing a golden fighting robe, he would not be able to get close to the spiritual Pearl.

Once he touched the spiritual Pearl, the attacks of the two would pour down. At that time, he would have no way to avoid it.

“I have to think of a way to obtain this treasure!”

Tang Hao rubbed his chin and pondered.

Connate spirit items were too hard to come by. If he missed this one, he didn't know how long he would have to wait.

He had to obtain this spiritual Pearl as much as possible.

“It's said that there's more than one golden immortal beast in this mountain range. The mountain range is so large that it can accommodate several golden immortal beasts at the same time. If one or two more come, the water will be muddy.”

“But how do we obtain the treasure after we muddy the water?”

Tang Hao looked around the mountain range, deep in thought.

In his mind, his thoughts were racing as he considered every possible method.

“There it is!”

Ten minutes later, his eyes suddenly lit up with joy.

Then, he descended and began to take action.

BOOM!

Between heaven and earth, the booming sounds continued.

A man and a beast were currently fighting intensely.

The Suan NI's entire body was golden, and it was only the size of a calf. However, the aura it exuded didn't decrease in the slightest. It was extremely shocking, and there was even a sea of golden lightning that surged around its body.

As for the mysterious old Daoist, he stood in the void, his robe and hair fluttering in the wind.

A golden light shot out of his eyes, revealing a divine might.

Two celestial artifacts were floating in front of him. One was a Golden Jade Ruyi scepter, and the other was a tortoiseshell shield, one for attack and the other for defense.

Above his head, three illusionary images of golden flowers appeared. The flowers had five petals, and on each petal, there was a dazzling divine light circulating, revealing an astonishing aura of Taoist connotation.

This was the Golden Flower of the great path!

Each flower was formed from connate spirit items and was extremely wondrous.

“Old bi ‘an, stop! You can’t win Against Me!”

The mysterious old Daoist shouted and activated the Jade Ruyi scepter to smash it.

The Jade Ruyi was engraved with countless patterns. As soon as it fell, divine light poured out and turned into countless divine flowers that slowly bloomed. It was a dazzling sight.

“Hmph! How do you know that you’re going to win before the fight even ends?”

The old woman shouted, and the lightning around her surged out madly and blasted forward.

“Good! Then this old Daoist will accompany you to the end, until you are convinced!”

The mysterious old Daoist shouted and kept on activating the Jade Ruyi scepter, smashing it forward.

A man and a beast were fighting intensely.
