

## The Mightiest Little Peasant Chapter 3080

“There’s no need for that!”

“Hmph!” Ye Futian snorted. “Why don’t you take a look at who I am and who he is? do I have to deal with him for such a small matter?”

His face was full of contempt.

He didn’t take a loose immortal seriously at all.

“Besides, if I really wanted to deal with him, it would be easy. Do I need your help?”

He looked at the black-robed man in front of him and sneered.

When Supreme Taixu heard this, he laughed and said, “Young master ye, this person ... I’m afraid he’s really not that easy to deal with!”

“What did you just say? Hahaha! What a joke! I don’t think I can deal with a trifling itinerant immortal with my strength and status. So what if you’re at the peak of heaven immortal? even with that master Haotian, it’s not enough for me to kill alone!”

Ye Futian burst into laughter.

He was an accomplished disciple of the zenith heaven and an elder of a top force like the primeval sect. Whether it was his treasures or divine powers, he was far superior to ordinary golden Immortals. It was not difficult for him to deal with a peak heaven immortal!

“Young master ye, it seems like you still don’t understand this person very well!”

The great void sovereign continued to smile, with an enigmatic expression.

“Oh? From what you’re saying, this person seems to have some kind of remarkable ability that even I can’t deal with?” Ye Futian sneered.

“It is!”

The great void sovereign nodded and said solemnly.

Ye Futian was stunned.

Then, he laughed out loud, laughing so hard that his body swayed back and forth.

‘Where did this crazy idiot come from? how dare he say such absurd things!’

“You think that this young master’s strength is still not strong enough? Alright! I’ll go to the spirit Toad continent now and kill that guy for you to see!” Ye Futian stood up and shouted coldly.

“Young master ye, don’t be impulsive. If you really go, you will definitely regret it. Not only will you not be able to kill him, but you will also scare him away, and you will never find him again.”

The great void sovereign laughed.

“What do you mean by that? Don’t blame me for throwing you out if you keep talking nonsense like this.” Ye Futian’s face turned cold, and there was a hint of anger in his tone.

He felt that this guy was really inexplicable and was simply sick!

“Young master ye, it seems like you know nothing about this person’s strength and background. However, you can’t be blamed for this. This person is too cunning and has hidden himself too well.” The great void sovereign said.

“Origins? What kind of background could he have?”

Ye Futian sneered, his face full of disdain.

He was just an ordinary itinerant immortal who had been lucky enough to be chosen by master Haotian and thus had a meteoric rise!

“This person has a great background!” Supreme Taixu said slowly, “but before I reveal this person’s identity, you have to swear on your Dao heart that once this person’s identity is proven to be true, you have to give me 50000 Dao attainment beads and three connate spirit items as a reward!”

“What? 50,000 Dao attainment points and spiritual items? Are you crazy?”

Ye Futian’s expression changed when he heard this.

50,000 Dao attainment points was not a small amount, and he could not take it out in a short time. There were also three connate spirit items. How could he have them?

“If young master ye can’t guarantee it, then fine, I can go to the Xuanyuan clan. I’m sure they will agree readily.” The great void sovereign laughed.

“You ... Good! If you can prove that this person’s identity is true and that he has a shocking background, don’t worry, I will give you 50000 Dao attainments and three spiritual items!”

Ye Futian took a deep breath and said.

He thought about it and felt that there was no harm in agreeing, because in his opinion, that person surnamed Shi had no background at all, so it would be fine even if he swore an oath.

Therefore, he made an oath with his Dao heart.

“Since young master ye is so forthright, I won’t hold myself back. Actually, young master ye, you’ve long heard of the true identity of this man with the surname Shi. He ... Is that lower realm monster!”

The great void sovereign said in a deep voice.

“What?”

Ye Futian’s body trembled as if he had been struck by lightning.

“Impossible! This is impossible!”

Then, he mumbled with an excited expression, “how can that person with the surname Shi be the monster from the lower realm? This is impossible!”

How powerful and bold was that monster from the lower realm? he dared to kill true immortals in the lower realm.

As for the one surnamed Shi, he’s just an ordinary loose immortal who happens to have some business talent.

How could these two people be the same person!

Moreover, if they were really the same person, how could the Xuanyuan clan not have discovered it?

Over the years, Xuanyuan had searched all over the immortal world. As long as there was the slightest possibility, he would investigate it. It was impossible to miss this Shi.

“Young master ye, this may sound unbelievable, but it’s the truth! That Shi guy is a monster from the lower realm. After he went to the upper realm, he didn’t hide at all. He just changed his identity and has been active in the eyes of the world.”

“He’s too cunning, that’s why he managed to hide from everyone!”

The great void sovereign said.

Ye Futian did not say anything.

He stood still for a long time.

Perhaps, this guy was right. That person with the surname Shi was indeed a monster from the lower realm. This could explain why no one had been able to find this person in the past few years, not even a single clue.

However, this was too unbelievable!

Wasn’t that demon supposed to be extremely unruly and arrogant? how could he be so cunning and easily deceive everyone in the immortal world?

This really sounded like a fantasy story!

“I didn’t expect this Shi guy to have such an identity. I’ve really underestimated him and thought he was just an ordinary loose immortal.”

He said to himself.

If it was really that monster from the lower realm, he might not be able to kill him because that guy was already at the peak of heaven immortal realm and had two immortal Emperor Supreme treasures. Even if he was a golden immortal, he would not be able to kill him.

“He’s not only cunning, but also very lucky. As soon as he entered the celestial world, he got close to master Haotian. In just a few years, his cultivation soared to the peak of heaven immortal!”

Then, he said with emotion.

“No! No!”

Supreme Taixu immediately shook his head. “It’s not that he’s lucky. That’s because the so-called master Haotian is actually him. Young master ye, I’m afraid you don’t know this, but this person’s Daoist name is Haotian. President Shi and master Haotian are actually the same person!”

“What?”

When ye Futian heard this, it was as if he had been hit hard again. He was stunned.

His eyes slowly widened, revealing extreme shock and disbelief.

President Shi is master Hao Tian?

This ... How was this possible?

Master Haotian was the Supreme Master of craftsmanship. He had been listed on the immortal list five times and shocked the entire immortal world!

How could that person with the surname Shi be master Hao Tian?

He stood rooted to the ground, his head buzzing. The shock in his heart was more than ten times stronger than when he heard that the person surnamed Shi was a monster from the lower realm!
