

The Mightiest Little Peasant Chapter 3200

“Nine divine eyes ... This brat is imitating the ancient gods and has nine divine eyes on his immortal spirit body!”

“What a shocking aura!”

The three from the primordial beginning sect were also extremely shocked.

They only felt that the scene in front of them was too unbelievable!

In front of them, the immortal spirit body was still growing. Its nine divine eyes kept opening, and a terrifying aura was growing inside.

Suddenly, with a few sizzling sounds, beams of shocking divine light shot out and blasted in all directions.

The divine light barrier that the heaven sealing mirror shot out was instantly shattered.

Then, the divine light shone in all directions.

Ah!

Some Immortals couldn't Dodge in time and were struck by the divine light, instantly exploding.

This was an intermediate golden immortal expert, and he was completely helpless against the divine light.

Si si si!

When the immortals behind saw this, their eyes widened in shock, and their souls almost flew out of their bodies.

This was too F * cking terrifying!

They shrieked, turned around, and ran for their lives.

However, it was too late. The divine light was unbelievably fast. In a breath's time, it had arrived and swallowed them all.

In the divine light, their bodies exploded one by one, and they howled in pain.

Nine beams of divine light swept across the world.

In an instant, countless figures exploded, and half of the people in this world disappeared in an instant.

The entire world became deathly silent.

Even the sound of the wind had disappeared.

Those who were lucky enough to survive were frozen on the spot, their bodies trembling slightly. Their eyes were wide open, and each pair of eyes was filled with extreme fear.

Just one strike!

Half of the people in this world would be gone!

And they were basically all gold Immortals! There was no lack of mid-stage, and even late-stage!

A single strike had blown up thousands of golden Immortals!

It was truly terrifying.

“Heavens!”

“This is too terrifying!”

After a long while, figures gradually condensed and reappeared in all directions.

Their faces were also extremely pale.

“This ... This is too terrifying!”

The people of Emperor puppet sect gathered together, their faces somewhat panicked, and many of them were trembling.

Just now, a beam of divine light had swept past them. They didn't know if it was that brat's intention, but it didn't hit them. Although there were many people from their Emperor puppet sect, not a single one was affected.

“He held back!”

The Grand Elder mumbled to himself, a complicated expression on his face.

If this kid was really a disciple of his Emperor puppet sect, how good would that be!

Unfortunately, with Fang Jinghong's death, there was no longer any possibility of a relationship between his Emperor puppet sect and this person.

"Brother Qin, no, brother Tang, he's too awesome!"

Behind the group of elders was Princess Zi Yang and her group.

They looked forward with excitement, their faces filled with worship and passion.

Gulu!

The three heavenly venerates of the sect of the origin were also stunned for a long time. When they came back to their senses, they swallowed their saliva in unison with bitter expressions.

What the hell is this monster!

He had crushed over a thousand golden Immortals with a single strike!

That attack just now was already comparable to big Luo!

Looking at the kid in front of them, they felt that it was ridiculous.

This kid was only a hundred years old!

Furthermore, he had just reached the great circle of the Golden immortal stage!

How could he burst out strength comparable to the zenith heaven realm?

“He’s a whole realm higher! A golden celestial could fight a zenith heaven cultivator! There has never been such a person in the ancient times!” Huang Long shrieked, his face filled with shock.

In the celestial realm, it was extremely difficult to cross one minor realm. Those who could do it were as rare as Phoenix Feathers and Qilin horns. Crossing one major realm was simply impossible!

And this kid actually did it.

“It’s indeed comparable to big Luo!”

“This is too shocking!”

Everyone in the surroundings cried out as their minds fell into a deep shock.

BOOM!

At this moment, the giant suddenly moved. He waved his huge palm and grabbed at the group of people in front of him.

Those people were caught off guard, and by the time they reacted, it was already too late. The three of them couldn’t escape in time and were caught by the giant palm.

They roared and screamed, using all their abilities to break through the giant palm and escape, but it was all in vain.

The giant palm retracted and threw the three people into its mouth.

Under everyone's dumbfounded gazes, the giant continued to grab in all directions. He grabbed two more people and stuffed them into his mouth.

"Mother of God!"

"Quickly retreat!"

The crowd was stunned for a while before they came back to their senses and screamed in horror.

They were so scared that they almost fainted.

They were all golden Immortals, but this kid had grabbed them and stuffed them into his mouth like he was stuffing candy.

They knew very well what would happen to them if they entered the mouth. They would probably be ground away and refined to death in less than half a day.

They screamed in fear and ran for their lives.

At this time, they were all filled with regret.

Why did he have to join in the fun? great, now he was almost caught and eaten by that demon, completely destroyed.

To Immortals, nothing was more terrifying than death!

They had cultivated for tens of thousands of years, or even tens of thousands of years, to reach their current realm. What they wanted was longevity and eternity. They did not want to die like this, and in such a miserable and cowardly way.

“Hurry up! Quickly subdue this brat!”

“I can’t let him refine those golden Immortals!”

After a while, the three heavenly venerates of the primordial beginning sect came back to their senses and looked extremely anxious.

He had only refined one golden immortal before, and this kid had already created nine divine eyes. If he refined all of them, who knew what kind of terrifying divine ability he would create?

Buzzzzzz!

Huang Long activated the heaven-sealing mirror once more and pressed it down.

Samantabhadra also activated the immortal rope and tied him up.

The heavenly Dao Daoist activated his treasure and charged forward.

But at this moment, the figure in front of him suddenly flickered and disappeared.

The attacks of the three of them all missed.

“This ...”

The three of them were shocked and in disbelief.

What the hell, such a huge immortal spirit body could teleport?

“Not good!”

Suddenly, Daoist heaven’s path was startled. He sensed a fluctuation in the void behind him, and a giant palm came out of the void, slapping toward him.

Bang!

After receiving this palm strike, his figure swayed and he staggered. He almost fell forward and was in a somewhat sorry state.

“Damn it, you little brat!”

He was instantly enraged. He turned around and threw a heavy punch.

Bang!

The fist and palm collided, and boundless divine light exploded.

In the next moment, the two bodies trembled. The heavenly Dao Daoist took a few steps back, while the giant retreated into the void and disappeared.

“Where is it?”

The three Holy Masters looked around crazily, and golden light burst out of their eyes, making them look divine.

A moment later, another crack appeared in the void. Nine divine eyes blinked and suddenly exploded with shocking divine light. With a destructive aura, they attacked.

“Hurry up! Quickly block!”

The three of them were greatly shocked and summoned their shield-shaped treasures, opening up layers of light screens to block in front of them.
