

The Mightiest Little Peasant Chapter 3272

“Emperor ... Emperor artifact ...?”

The flirtatious woman stood in the air in a daze, her eyes filled with disbelief.

How could this guy have an Emperor artifact?

He wasn't a celestial venerable!

“That's ... Ten thousand laws divine mountain?”

“It's him!”

At this moment, the people sitting cross-legged on the ground recognized the purple divine mountain.

This mountain was too famous!

The person who owned this divine mountain was even more famous.

“It's actually him!”

The group of people from the heavenly desolate Hall were stunned again, and then, they revealed looks of shame.

It would have been fine if he was an old monster, but he was clearly a young man, even younger than them. They were at least three hundred years old and had just entered the Golden immortal realm, but this man was only a little over a hundred years old and was already half a step into zenith heaven.

Compared to this person, they were simply trash.

“A!”

Many of them were even feeling a little regretful. If they had known about this person’s identity earlier, they wouldn’t have been in such a sorry state.

“Who ... Who are you?”

The scholar shrieked, his expression as if he had just eaten sh * t.

He had thought that he was just a genuine immortal, but he didn’t expect that he was not only a half-step to the zenith heaven realm like him, but also had a Celestial Emperor’s Supreme treasure!

This was simply bloody bad luck!

In the immortal world, those who had immortal Emperor Supreme treasures were definitely from top forces.

And this guy was from a certain top force, and he had emerged after he had gone into seclusion, so he did not recognize him.

Tang Hao did not say anything. He activated the divine mountain and pressed it down.

“Fellow Daoist, I’m in the wrong. I apologize. Please stop!”

“Fellow Daoist, if we really fight to the death, you won’t be any better ...”

“You ... Good! Then we’ll go all out, who’s afraid of who!”

The scholar had asked for a truce at first, but he was annoyed when he saw that Tang Hao was unmoved.

He shouted, and his body shook as a divine light burst out.

His body expanded crazily, and in an instant, he turned into a giant that was tens of millions of feet tall. His entire body was silver, and he looked half-human and half-Fox.

The divine mountain beneath his feet was only a million feet tall. He extended his body and rushed out of the divine mountain’s range, soaring into the clouds.

“You forced me to do this!”

He bent down, blinked his blood-red foxlike eyes, and said in a ferocious voice.

This was The Heavenly Fox Body that he was proud of. Even among the many immortal spirit bodies in ancient times, it was quite famous.

This guy had an immortal Emperor’s Supreme treasure, and he had the sky Fox Body. It was hard to say who would win.

Tang Hao had already flown out of the divine mountain's range. With the ten thousand laws divine mountain above his head, he looked up and sized up the silver immortal spirit body.

This was the first time he had seen someone else's immortal spirit body.

"As expected of an ancient old monster!"

He muttered.

In this era, immortal materials were in short supply, so no one could refine an immortal spirit body. Only those old monsters in the ancient times had the opportunity to refine it.

"BOOM!"

At this moment, another earth-shattering sound came from the side.

He turned around and saw another giant appear, unfurling its body.

It was a strange and evil immortal spirit body. At first glance, it looked like a white skeleton with three skulls, eight arms, and spikes all over its body.

"Two!"

Tang Hao's eyes narrowed in surprise.

He didn't expect that female demon to also have an immortal spirit body.

“What’s that?”

“Heavens! It’s the immortal spirit body!”

At this moment, countless figures were gathered around the divine mountain. When they saw the two giants, they all cried out in surprise.

“Let’s go!”

They revealed a look of fear and fled.

“Fellow Daoist, I’m afraid you don’t know about our past fame! Today, I’ll let you experience it. ”

The half-human, half-Fox silver giant howled and swung its massive claws.

“Yup! We haven’t appeared in the world for a long time, and people nowadays have long forgotten about us. Today is a good time to establish our might and let these juniors know our power!” On the side, the giant skeleton chuckled and waved its eight arms.

“Hmph!”

Tang Hao stood in the air with the purple divine mountain above his head. He was not afraid at all.

His expression was even more disdainful.

This adulterous couple had immortal spirit bodies, but did he not have one too?

His body trembled and suddenly burst out with a shocking divine light.

“This is ...”

“My Tiangang Gu!”

The movements of the two figures froze, and then, they cried out in surprise.

In front of them, a giant that was even taller than them appeared. His body was dark gold and covered with blood patterns. There were nine divine eyes on his body. Although they were closed, they could still feel the terrifying aura contained within.

“How does this guy also have an immortal spirit body? And it’s so huge?”

“What the hell are these nine Eyes?”

The scholar felt his scalp go numb.

Not only did this guy have a Celestial Emperor’s Supreme treasure, but he also had a Celestial Spirit body that was even stronger than theirs!

While he was still in shock, the dark golden giant swung its huge palm and slapped over.

Bang!

A deafening explosion.

His body swayed, and he staggered back from the slap.

“The materials are not bad! It’s mine!”

Tang Hao strode forward and caught up to the half-Fox giant. He extended his palms and grabbed the half-Fox giant’s arms.

He crazily activated the power in his body and pulled at the two arms.

Kala! Kala!

The sound of metal cracking could be heard.

“Hurry up! Quickly stop him!”

The scholar screamed in fear and struggled madly.

At this moment, the giant skeleton came forward and swung its eight arms.

“Get lost!”

Tang Hao turned around and attacked.

Bang!

The white bone giant's body trembled as it was sent flying and crashed onto the ground.

Tang Hao continued to grab the half-Fox giant and began to tear it apart.

"This guy is too terrifying!"

The scholar was so scared that he lost all will to resist.

He had tried earlier, but all his power was firmly suppressed. He couldn't break free from the opponent's restraint at all. The opponent's immortal spirit body was terrifyingly strong. Compared to his, it was an existence that could crush.

He could only watch helplessly as his two arms were forcibly torn off.

"Let's go!"

Taking this opportunity, he quickly retracted his immortal spirit body and escaped.

The demoness reacted quickly as well. She quickly retracted her immortal spirit body and fled.

"What kind of monster is this guy?"

When they had fled far away, they stopped and looked at the divine mountain. Their faces were extremely pale, and they were still in shock.

He was only a half-step zenith heaven, but he had an Immortal King Supreme treasure and such a terrifying immortal spirit body.

Even in the ancient times, they had never seen such a terrifying guy!

“Let’s go! We’re no match for him right now, but it won’t be too late to deal with him after we find the opportunity and advance to the zenith heaven realm!”

The scholar said with hatred.

He stared into the distance, his eyes surging with monstrous hatred.

Losing two arms meant that his immortal spirit body was crippled. This was a huge loss and he had to take revenge.

“Now that there are so many opportunities, we’ll be able to advance to the zenith heaven realm very soon. If we can grasp this opportunity, it’s not impossible for us to break through to the celestial King realm. We’ll be able to take care of him sooner or later!” The flirtatious woman also said hatefully.

“At that time, watch how I suck him dry! Such a person must taste good!”

As she spoke, she licked her lips, and her expression was extremely demonic.
