

The Mightiest Little Peasant Chapter 3287

“Xiu mu? Trash? Hahaha! This kid was very good! You have guts!”

Buddha Lord of primordial chaos clasped his hands behind his back and laughed angrily.

He did not doubt it at all.

Because he was sure that the kid would definitely say such words.

He was only a hundred years old, yet he had already advanced to the zenith heaven realm and defeated two old celestial Venerables. Such a heaven-defying genius was definitely extremely arrogant, so it was normal for him to say such things.

If he had such achievements when he was young, he would probably be even more arrogant than this monster.

“Lord Buddha, these are just the arrogant words of that evildoer. You don’t have to take it to heart.”
Ning Yuzhen said.

“How can I not care? he called me trash and stole my limelight. How can I tolerate this?”

“Damn it!” Buddha Lord Hunyuan bellowed. “Don’t let me bump into him. Otherwise, I’ll definitely teach him a good lesson and let him know how high the sky is!”

“Lord Buddha, don’t be angry. That demon is finished before you even make a move. He already has many enemies, including Xuanyuan clan, Yuanshi sect, and now the sky seeking sect and the Lord of the Night. He might be killed at any time.”

Ning Yuzhen laughed.

“Anyway, don’t let me bump into you. Otherwise, I’ll kill him!”

Buddha Lord Hunyuan snorted coldly.

“Lord Buddha, don’t be angry. Please sit down and let me, Yuzhen, serve you well.” Ning Yuzhen reached out and stroked Buddha Lord of origin, gently teasing him.

“Lord Buddha, Yu Zhen is still a Virgin! Why don’t you let Yuzhen serve you here and go to heaven together?”

As she spoke, her hand moved lower and lower.

“Extreme ... Extreme happiness?”

Buddha Lord Hunyuan’s face changed immediately, and he looked embarrassed.

“Ahem!”

He immediately coughed dryly and reached out to Pat away the two Jade-like hands that were groping his body.

“Lord Buddha, what are you ...?”

Ning Yuzhen was a little confused.

She was very confident in her own looks and had always believed that even the Buddha Lord could not resist her temptation. However, the situation before her eyes was far beyond her expectations.

This Lord Buddha had actually rejected her!

“Lord Buddha, is it because Yuzhen’s looks are too shallow that you don’t like him?” Ning Yuzhen said faintly, feeling wronged.

Although she liked to hang out with all kinds of men and make friends with all kinds of beautiful women, she was extremely noble at heart. She would never let those men touch her, which was why she made the decision to give herself up. She had made a great decision.

For the sake of revenge, she was going all out.

“Cough! Of course not!”

“Yuzhen,” the Buddha hurriedly said, “there’s something you don’t know. The chaotic origin Ruyi divine technique I created is extremely special. It’s just that ... It’s just that I can’t do that. If I lose even a little of my primordial yang, My Immortal body will be destroyed.”

“Ah?”

Ning Yuzhen’s Phoenix eyes widened, and he was in a trance.

Was this the Virgin boy technique?

This woman who loved women as much as her life and had raised a group of beautiful Immortals in the Buddhist Palace was actually a Virgin?

This ... This is ridiculous!

“Al!”

Buddha Lord of origin put his hands behind his back and looked up at the sky at a 45-degree angle. He was speechless.

There seemed to be tears in the corners of his eyes.

This was an eternal pain in his heart!

When he created this divine technique, he was still young. He felt that women were nothing, and all beautiful women were fleeting clouds. Thus, he chose to cultivate the Virgin technique.

This divine skill was created by him by combining all the major Daoist Scriptures and Buddhist scriptures in the world. Its power was indeed shocking, allowing him to command the wind and the clouds and shake the world.

However, the price to pay was also painful.

An old virgin who had lived for tens of thousands of years, he was probably the only one in the immortal world.

“Lord Buddha, is there no other way?”

Ning Yuzhen mumbled.

“Not yet, because I haven’t cultivated this divine skill to the extreme. If I reach the celestial King realm, I might have a chance to change it!” Buddha Lord Hunyuan shook his head.

“Immortal King? I’m sure you’ll be able to do it very quickly with your divine abilities, Lord Buddha. ”

Ning Yuzhen said,“I’ll accompany you then!”

“You’re the best!”

Buddha Lord Hunyuan grabbed her hand and said, feeling touched.

Ning Yuzhen raised his head. On his beautiful face, there was a hint of innocence and shyness. For a moment, the primordial chaos Buddha was a little dazed.

“Not good!”

Sensing the changes in his body, Buddha Lord of Origin’s expression changed and he hurriedly turned his head away.

“I’ll be leaving first!”

He turned into a divine light and headed toward a Pagoda behind him.

Ning Yuzhen stood in the pool, but his expression was somewhat complicated.

Recalling her actions just now, she felt a burst of shame and wanted to slap herself a few times.

“It’s all that bastard’s fault. If not for him, I wouldn’t be in this state!”

She said hatefully, pushing the blame to that bastard again.

“Although I was a little surprised, I have already attracted the attention of the Lord Buddha. I have achieved my goal. Next time I meet that guy, I will teach him a good lesson.” She sneered to herself.

Whoosh!

She stepped out of the pool, picked up the muslin clothes on the ground, and put them on, covering her graceful jade body.

In a barren mountain in the immortal world.

Tang Hao was sitting cross-legged in a Valley.

After leaving the immortal Palace, he had come to this place.

In the immortal Palace, he had gained a lot. At the beginning, he had robbed many Dao beads. Later, he had even refined the disciple of the sky seeking sect to death, as well as a group of great evils and old demons. The essence and Dao reserves he had obtained had all been swallowed by him.

At this moment, he had more than 300 Dao stars in his Natal world.

This cultivation base was probably already on par with some of the older heavenly venerates.

Not to mention, the treasures on these people were all in his pocket.

He was extremely satisfied with this harvest.

Sorting out the treasures of these people had taken him a lot of time, and he had been doing it until now.

Everything had to be counted and placed in different categories. This was his usual practice.

“Phew! I’m finally done!”

Suddenly, he heaved a sigh of relief and withdrew his mind from the vast heaven ring.

“I wonder what the background of that Celestial King is.”

He raised his eyes and looked in the direction he came from with a serious expression.

Setting up a large formation and taking out the celestial refining pool to make people kill each other, this method was truly ruthless.

And after this first time, he was afraid that there would be a second time. Perhaps the other celestial Kings would have similar means, so he had to be on guard.

“I still have to go, but I have to be more cautious!”

He said to himself.

He sat down and rested for a while. Then, he got up and prepared to look around again to see if there were any more immortal encounters.

At this moment, the void in front of him suddenly rippled, and a jade talisman came out.

“Who is it?”

He was stunned.

This was the communication jade talisman that he had sent out.

“It’s this girl!”

He reached out and opened it. He couldn’t help but smile. This jade talisman came from the Saint spirit celestial dynasty and was from the little girl, tantai Mingyue.

However, his brows furrowed and his expression turned grave.

This girl wasn’t here to reminisce about the past, she was here to ask for help, as if she had encountered some trouble.

“Let’s go and take a look!”

He immediately stood up and headed towards the Saint spirit celestial dynasty.
