

The Mightiest Little Peasant Chapter 3293

The immortal world was once again in an uproar.

A few days ago, that young celestial venerable had just defeated two old celestial Venerables and caused a sensation in all directions. This popularity was at its peak and hadn't subsided yet. Now, he had done another incomparably sensational thing.

One move to scare off Dragon King Tian!

This battle result was even more impressive than the previous one.

This was because Dragon King Tian's strength was far higher than that of Xu mi and dark night.

They didn't even really fight. They only exchanged a simple move. It was said that he only took a blow from Dragon King Tian and scared him away. This sounded a little mysterious and had a hint of legend.

"He defeated two Holy Masters with one palm and scared off Dragon King Tian with one move! It's too awesome!"

"Such an achievement has never been seen in history!"

The people of the world exclaimed in admiration.

"He was scared off by one move? This old man Heavenly Dragon is too useless!"

"That's weird! Dragon King Tian's strength is not something that the dark night King or celestial master Xumi can compare to. Among the battle prowess of the zenith heavens, he is in the top twenty, far

stronger than that kid. How could he be scared off?”

Many great eternity Immortals from all over the immortal world turned their eyes to the Saint spirit immortal Dynasty.

They were all a little bewildered.

To be scared off by a single move, this was simply unbelievable.

With Dragon King Tian’s strength, it shouldn’t be!

“Is that guy in the Holy Spirit dynasty right now?”

Many people stared at the Saint spirit dynasty and had some thoughts.

In the past, they couldn’t find that kid at all. This was the first time they had accurately found out where the kid was staying.

But after some thought, they gave up.

This was no longer the past. The situation had changed. That kid was now a true celestial master with heaven-defying combat strength. He had just advanced, but he could already defeat the two Celestial Masters Xu mi and dark night. Now, even Dragon King Tian was scared away. Who knew what other heaven-defying divine powers he had!

Moreover, the Saint protector of the Saint dynasty was also at the zenith heaven level. Even if they went over, they would only be beaten back.

“It’s too difficult to suppress this brat. The only thing we can do now is to suppress him and stop him from growing. Then, when one of us advances, we’ll have a chance to kill him. ”

“That’s right! We should focus on suppression!”

Many Celestial Masters in the premier sect, the Xuanyuan clan, and the heaven seeking sect were talking about it.

None of the heavenly venerates wanted to see this monstrous genius grow up, because most of them had grudges with him. It was fine now, but once this monstrous genius grew up and advanced to the immortal King realm, it would be time for him to settle the score.

None of them wanted to see such a scene.

“In my opinion, not only do we have to be wary of him, but we also have to cut off his immortal encounter. This is only the worst plan. The best way is to make him unable to escape and find his immortal encounter.”

“Doesn’t he have a good relationship with the Saint spirit dynasty? Then we’ll instigate Dragon King Tian and the dark night King to keep an eye on the Saint spirit dynasty so that the kid can’t leave. ”

In the primordial beginning sect, Supreme Taixu presented a scheme.

This plan immediately gained the approval of the three heavenly venerates of the Yuanshi sect.

“This is a good idea, wonderful!”

“We should take these immortal opportunities. Let that kid stay in the Saint spirit dynasty obediently and watch!”

The three heavenly primogenitors laughed out loud, looking pleased.

“Let’s go to the heaven seeking sect and contact Dragon King Tian to see if we can find him. ”

They immediately stood up and headed towards the sky seeking sect.

“What? That guy isn’t some peerless old monster, but the human kid that was widely spread before?”

Very soon, Dragon King Tian received the news and was dumbfounded on the spot.

He was stunned for a long time. His rough face began to Twitch, and he almost vomited a mouthful of blood.

F * ck!

After all that, it turned out to be a little brat. He was the one who scared himself!

This time, he had lost a lot of face!

“To block that kid! That’s a good idea!”

After a moment of silence, he nodded.

These fellow Daoists 'suggestions are pretty good.

Although he was just scaring himself last time, if they really fought, he might not be able to get the upper hand. That kid was strong, and there was also that immortal old man. The two of them together were enough to drive him away.

If he went to the door again now, he would also not gain any advantage.

As for slaughtering the Saint spirit dynasty, he had also thought about it, but he gave up after some careful consideration.

Now, over a thousand of his clansmen were in the hands of that brat. Once he slaughtered the human race, that brat would do the same. Slaughtering his clansmen was something he absolutely didn't want to see.

The best way was to follow these fellow Daoists 'suggestions and appear in all directions from time to time, so that the boy would not dare to leave and thus keep him in check.

"It seems that this kid is not popular! There are already so many people in the human race who want to kill him ..."

He looked at the Jade talisman in his hand and sneered.

This jade talisman contained the auras of many zenith heavens of the human race.

"That's true! This kid is too demonic and evil. If I were the big Luo of the human race, I wouldn't be happy to see him rise. "

He put away the Jade talisman and headed toward the Saint spirit dynasty.

“Human brat, let go of my dragon race comrades. If you don’t, I’ll slaughter you humans.”

After the Saint spirit appeared in the sky, he released his aura, pretended to roar a few times, and then smashed a few mountains before leaving.

This was already enough. That brat would definitely be afraid and wouldn’t dare to leave easily.

“That brat is currently in the Saint spirit dynasty?”

In the chaotic origin Buddhist Kingdom, the Buddha Lord was stunned when he received the news from the outside.

It had only been a few days!

That kid had done something big again and was in the limelight.

“Alright! I was just worrying about not having a place to find him! Isn’t this sending himself to the door!”

He stood up and laughed out loud, his face filled with wild joy.

‘This brat is too arrogant. How dare he say that he can break all the magical powers in the world with a single palm? he’s just bragging.’

This kind of kid needed to be taught a lesson.

“I’ll let him know the immensity of the heavens and earth. Let’s see if he still dares to be so arrogant in the future!”

He laughed and soared into the sky, quickly leaving the Buddhist Kingdom.

Not far away, in a Pagoda, a pair of beautiful eyes were watching this scene.

“The Buddha Lord has made his move. That guy is going to have a good time!”

The corners of ning Yuzhen’s lips lifted slightly, and he smiled smugly.

Xumi and dark night were far inferior to Lord Buddha. Even Dragon King Tian was nothing compared to Lord Buddha.

“I’d like to see what other tricks he has up his sleeve this time!”

She laughed coldly, and a strong sense of pleasure appeared in her eyes.

She stood up gracefully and raised her hand slightly. She took off her thin gauze clothes, revealing her perfect jade body.

She walked to the side and sat down. She dressed up carefully and put on a gorgeous gauze dress.

This was the first time she had the chance to take revenge on that guy in all these years. Naturally, she had to dress up well and dress up to witness it.

Whoosh!

She turned into a divine light and flew out of the Buddha land, heading toward the Saint spirit dynasty.
