

The Mightiest Little Peasant Chapter 3294

“Celestial venerable Tang is really too powerful!”

“Yup! Although the Dragon King came again that day, he didn’t dare to kill anyone. He only roared a few words and left. He’s completely not as mighty as before!”

Saint spirit Imperial City.

In the various restaurants, people were in heated discussions.

Ever since that incident, the atmosphere in the Imperial City had been seething with excitement. These few days, Dragon King Tian had appeared again and shouted for them to release the prisoners, causing the atmosphere to soar even more.

What kind of person was Dragon King Tian?

The big ancient demon was already half a step into zenith heaven when the celestial world was created. His nature was even more domineering and incomparably brutal. He was famous for being extremely vicious!

According to his style, he should have massacred the entire Saint spirit dynasty, but he didn’t and only dared to shout. There was no doubt that he was afraid of celestial venerable Tang, and celestial venerable Tang had grasped his weakness.

“Our Saint spirit dynasty is famous now, and everyone is watching us!”

“Yup! There have been a lot of people recently, and it’s very lively!”

As the crowd discussed, they glanced at the Imperial Palace from time to time, their expressions filled with reverence.

Celestial venerable Tang, whose name had shaken the entire immortal world, was in the palace!

Quite a few of them had a look of pride on their faces.

In their eyes, that person was already half a member of the Saint spirit dynasty.

Just as people were discussing, ripples suddenly appeared in the void outside the Imperial City. A figure stepped out.

It was a twelve or thirteen-year-old child with a delicate and young face.

He was wearing a golden Kasaya, painted with various Buddhas. They were densely packed and there were countless of them.

“That’s right! It’s the sacred Spirit Imperial City! That brat should be in that Palace!”

The boy squinted his eyes and scanned the city before him.

“Brat, get out here and die!”

He took a deep breath and then shouted, “kill!”

This voice was like thunder, shaking the entire world.

The entire Imperial City shook.

The noise in the city instantly disappeared. Everyone raised their heads and looked outside the city in shock.

The sound could penetrate the defensive array and shake the entire Imperial City. The celestial of the great all-embracing heaven must have come!

“Why is it a little kid?”

“Hey! How could he be a little kid? he must be some old monster who likes to act young!”

After seeing it clearly, many people were stunned.

“Who’s a brat? How dare you! I’m the primordial chaos Buddha. Have you heard of me?” When the child heard this, he immediately snorted angrily and was a little unhappy.

These people actually didn’t recognize him at first. It seemed like he hadn’t appeared in the world for a long time and had been forgotten.

“Hunyuan Buddha?”

“Hiss! It’s this old monster!”

In the city, a series of gasps quickly sounded.

Hunyuan Buddha!

Like Dragon King Tian and the dark night King, he was a reclusive zenith heaven old monster. His reputation and supernatural power seemed to be above Dragon King Tian 's, and his ranking on the zenith heaven roll was much higher.

“Why is this old monster here?”

“Could the boy he was talking about be celestial venerable Tang?”

After the shock, everyone was a little puzzled.

What was this Hunyuan old monster doing here looking for celestial venerable Tang?

Could it be that he also had a grudge against celestial venerable Tang?

“I’m here to challenge that kid. Isn’t he very arrogant? he said that he could break all kinds of magical powers in the world with one palm. Today, I want to see how powerful his palm is. How dare he be so arrogant!”

The primordial chaos boy put his hands behind his back, raised his face, and shouted coldly.

“Challenge?”

Everyone’s expression became a little strange.

You’re an old monster who’s lived for tens of thousands of years and a famous senior. Isn’t it obvious that you’re bullying someone who’s just been promoted?

“Who’s the F * cking bully? it’s clearly that brat who’s too arrogant. I don’t like him, can’t I?”

Hearing the discussions in the city, the primordial chaos boy’s face darkened and he cursed.

“Brat, you should have heard it. Hurry up and come out. If you don’t come out, I’ll tear down this city and drag you out!” He looked at the Imperial Palace and shouted.

“This is too much of a bully!”

“Yup! He’s stronger than Dragon King Tian and more experienced. How can celestial venerable Tang, a newcomer, be his match?”

Everyone in the city had indignant looks on their faces.

“Still not coming out?”

After waiting for a while, there was no movement from the palace. The primordial chaos boy’s face darkened and he was a little annoyed.

“There’s a limit to this Lord’s patience. If you still don’t come out, don’t blame this Lord for being impolite!”

He shouted coldly and raised his hand. A heaven-covering Buddha’s hand condensed with a monstrous Buddha’s power and was about to slap the Imperial City below.

“Fellow Daoist, don’t be anxious!”

At this moment, a figure flew out from the palace. He had white hair and a white beard. It was the nation protecting Saint.

“Xianling old man, tell that kid to come out. Otherwise, I’ll destroy your Saint spirit dynasty’s Imperial City!”

The primordial chaos boy shouted coldly.

“Fellow Daoist, don’t be anxious!”

The nation protecting Saint laughed and flew up.

When he got closer, he bowed slightly. “Fellow Daoist Hunyuan, may I know what kind of grudge you have with fellow Daoist Tang?”

“There’s no enmity between us!”

“No grudges? Then why ...”

“I don’t like him, can’t I? Old man, don’t talk nonsense. Do you believe that I won’t really tear down your Broken City?”

“Fellow Daoist, please don’t be rash!” The nation protecting Saint smiled and said, “fellow Daoist, you’ve come at a bad time. Fellow Daoist Tang has been in closed-door cultivation since two days ago. I can’t contact him now. Why don’t ... You wait a while?”

“Closed-door training? What seclusion? You’re lying!”

The primordial chaos boy snorted coldly, but he did not believe it.

“Al! Why Would I Lie to You? if you don’t believe me, you can come to my Imperial City and wait there. What do you think?” The nation protecting Saint said, “I don’t know why Daoist Tang is in seclusion either. He only said that he’s going to refine something. He said that it will be very powerful if he succeeds.”

“Very powerful? Hahaha! That brat really knew how to brag! Alright! In that case, I’ll wait. When he comes out, I’ll see what he’s refining!”

The primordial chaos boy laughed out loud, his face full of disdain.

And what’s with that ‘very powerful’!

What can that kid refine!

“Oh right, did he say how many days he’ll be in seclusion?” He asked again.

“Oh! He said that it won’t be long, about a month!”

The country protecting Saint said.

“Only a month?”

The primordial chaos boy’s disdain grew.

It had only been a month, what good stuff could he have refined!

“Alright, I’ll wait for a month!”

The primordial chaos boy flicked his sleeves and snorted. “I’ll come back in a month. Tell that kid to wait obediently.”

After he finished speaking, he turned around and dashed out.

“Stinky brat, you still made this Lord wait for so long. Let’s see how this Lord will deal with you when the time comes!” His face was gloomy and he was very unhappy.

“I’ll go look for some immortal encounters first. I’ll come back a month later and deal with that kid!”

He mumbled as he turned into a ray of divine light and rushed away.

After he left, another figure also disappeared from the void.
