

The Mightiest Little Peasant Chapter 3317

Pfft!

Tang Hao's body shook, and he spat out the wine in his mouth.

He remembered this voice. It was the immortal execution King!

He didn't even look at her and scuttled away.

"Sit down!"

Accompanied by a burst of refreshing fragrance, a graceful figure swept over and sat down in front of him.

"The wine is not bad!"

She picked up the wine pot in front of her, put it in front of her eyes, sniffed it gently, and exclaimed in admiration.

Then, a pair of bright eyes looked up with a faint smile.

"Sit! What are you nervous about? I'm not like that guy who will eat you!" She chuckled, her tone somewhat teasing.

Tang Hao was shocked.

In terms of looks, this immortal execution King was the most perfect one he had ever seen. He was so perfect that he didn't seem real.

Even her figure was the same.

There was also an innate air of nobility about her that made her seem cold and arrogant. Her temperament was also different from the night Immortal King's.

"What's wrong? Am I that scary?"

She said with a slight frown.

"No!"

Tang Hao returned to his senses and smiled. He sat down calmly.

But in reality, he was panicking.

"You've got some good tricks! After plundering the Imperial Palace, I thought it was a Locust that had become a demon and visited the Imperial Palace!"

She took out an exquisite Jade bowl, poured a cup of wine, took a sip, and said lightly,

"Hahaha! Senior really knows how to joke, when did I plunder any Imperial Palace! It's all that senior abundant treasures, he took it. If you don't believe me, you can ask him. "

Tang Hao's face did not turn red, and his heart did not race.

He saw that senior abundant treasures had also escaped from the Imperial Palace.

“Is that so?”

The immortal execution King stared at him, his eyes unblinking.

“I’ll just take it as that! I’m not going to get it back anyway!” After a while, she shook her head, looked away, and drank the wine in her glass.

“You don’t want it?”

Tang Hao was surprised.

So many treasures, and he just said he didn’t want them?

“Originally, I wanted to catch up with this hateful little thief, kill him, and then get the treasure back. But I didn’t expect it to be you. If I kill you, that guy will probably come after me with his life on the line!”

Immortal execution King said, “furthermore, you were once a member of my Emperor puppet sect. It’s not easy for me to make a move.”

“Senior, you’ve found the wrong person. I really didn’t take it!”

Tang Hao was slightly shocked, but he did not show it on his face.

This kind of thing, he would never admit it even if he was beaten to death!

“Is that so?”

Immortal execution King looked at him again, and his beautiful eyes scanned his face a few times.

Then, he revealed a look of surprise.

This kid was truly a talent!

His eyes were innocent, pure, and kind. If she had not known that he was the one who took the things, she would have been deceived.

With his acting skills, he could definitely defeat those ten-thousand-year-old monsters in seconds!

Perhaps this was the reason why he was able to cultivate to his current realm at the age of a hundred!

There was never a lack of geniuses and monstrous talents in this world. All kinds of geniuses were born in the immortal world at every moment, but this kid was the only one who could grow up so quickly.

On the path of cultivation, talent was important, but one’s heart and wisdom were also indispensable.

“To be honest, I really admire you. If only you hadn’t left the Emperor puppet sect!”

She sighed softly, her face full of regret.

That day, she had wanted to bring him back to the sect, but she had not expected that he would be snatched away by that fellow.

This also made her very unhappy.

She and that guy were born to be enemies. No matter what, they had to go against each other.

“What a pity, what a pity!”

She took a sip and sighed.

Now, this child was already a Grand Luo immortal and should have a cultivation base of 7000 to 8000 Dao stars. How could he still be willing to stay in her Emperor puppet sect?

“Junior thanks senior for your kindness!”

Tang Hao cupped his hands.

Immortal execution King laughed and didn't say anything. He just drank his wine.

“Your cultivation level has improved quite quickly!”

After a few cups of wine, she once again raised her eyes and looked over.

“It's also a good time. Otherwise, it wouldn't be so fast!” Tang Hao said.

“A good time? Buzzzzzz! That might not be the case!”

The immortal execution King turned around and looked at the divine light not far away. There was a hint of mockery in his tone.

“Isn’t it? Now, everyone in the immortal world is going crazy for these immortal opportunities. Since the beginning of the immortal opportunities, many golden Immortals and great eternity Immortals have been born in the immortal world. Isn’t this a good thing?”

Tang Hao asked.

Immortal execution King didn’t answer this question. Instead, he looked at him and smiled, “That guy didn’t tell you. What’s going on?”

“Senior ye only told me to grasp this opportunity and increase my cultivation, nothing else.”

Tang Hao said, shaking his head.

“Senior? You still call her senior, what’s going on between the two of you ...?”

Immortal execution King raised her eyebrows.

“Senior and I are innocent. Those rumors are just fabricated by the world!” Tang Hao said seriously.

“Oh, Yingluo!”

She nodded and smiled. “I thought she had already eaten you!”

“Cough! There’s no such thing!”

Tang Hao waved his hands.

“She didn’t eat you, and she didn’t tell you. What’s going on? it seems like ... She doesn’t treat you well either! Why don’t you follow me back to the Emperor puppet sect? Soon, there will be a Great Tribulation. Follow me and I can guarantee your safety!”

Immortal execution King laughed.

“A Great Tribulation?”

Tang Hao was surprised.

This was the first time he had heard of this.

“You came from the lower world and you’re also young, so of course you don’t know. The reason why the immortal world we’re in now can exist is because we paid a great price.” Immortal execution King said solemnly.

“You’ve heard of it, right? in ancient times, there were many celestial Kings and celestial of the great all-embracing heaven who disappeared for no reason. There were many speculations in the later generations, but they didn’t know the truth. ”

“The truth...Is extremely cruel. Not long after, this kind of thing will happen again. At that time, it will be a great calamity.”

“Not only did that guy not tell you, he even asked you to improve your cultivation. He’s clearly trying to harm you!”

Tang Hao was deep in thought as he listened.

After hearing those words, he could vaguely guess what the so-called truth was. It was definitely related to the Dragon count divine clan.

Those immortal kings and Grand Luo Immortals had all died in the hands of the Dragon count celestial race.

“So, do you want to come with me?”

Immortal execution King’s eyes were burning.

She had always admired this young man.

At this moment, she saw a chance to win against that guy. As long as she could make him go with her willingly, she could win against that guy once.

“You see, she doesn’t treat you well. Why are you still in love with her? if you follow me, no one in the immortal world will dare to provoke you. I can protect you and let you live without worry forever!” She said again, her eyes burning.

Tang Hao’s expression was strange when he heard that.

Why did it sound like he was going to be a rich woman’s mistress?

He wanted to refuse, but he did not dare to.

If he agreed, he would lose face!

“It’s too difficult for me!”

Looking at the dream-like beauty in front of him, he began to struggle.
