

The Mightiest Little Peasant Chapter 3320

“Hmph! Of course I’m bold!”

Li Chunyang sneered. He was not afraid at all, and instead, he became more arrogant.

“If it’s this Tang guy, I’d be a little afraid of him, but you, I’m not afraid! You’re just a cheap slut, Who Do You Think You Are, and you dare to put on airs in front of me!”

He said in disdain.

“Good! It’s been many years since someone dared to be so arrogant in front of me!” The night Immortal King laughed in anger.

That alluring and moving face was as cold as frost.

“Hahaha! Who Do You Think You Are, how dare you speak to my senior brother like that!”

“Do you know who we are and who my senior brother is?”

Before Li Chunyang could reply, the disciples behind him burst into laughter.

The night Immortal King didn’t say a word, but his eyes flickered.

Bang Bang!

Two soft sounds.

Two figures in the crowd exploded without any warning and turned into dust.

The mocking laughter stopped abruptly.

The disciples of the sky seeking sect in the surroundings were all frozen.

Their eyes gradually widened, revealing extreme shock and horror.

Even Li Chunyang was stunned.

‘What ... What’s going on?’

There was no divine light at all, and there was not even any fluctuation of aura. Two golden Immortals had exploded just like that?

This was too outrageous!

He was stunned for a moment, and his heart suddenly thumped. He had a bad feeling.

Could it be that this seductive woman wasn’t just a golden immortal as he had guessed, but a Grand Luo immortal?

Furthermore, he was a rather powerful big Luo. Otherwise, how could he have such an incredible technique?

“Motherf * cker! How could he be a great eternity immortal?”

He cursed in his heart.

A Grand celestial of the great all-embracing heaven would stick close to this brat and even be jealous of him, this was too absurd!

The disciples behind him also realized that something was wrong, and their faces turned pale.

Bang Bang!

At this moment, two more soft sounds rang out, and two figures exploded without any warning.

“Gulp!”

The remaining people were all frozen on the spot, their hearts filled with horror.

“What’s going on? Why hasn’t Junior Brother been reborn?”

“Strange, it’s time to be Reborn!”

Then, they were shocked to find that the two people who had been blown into dust at the beginning had not been reborn.

This was very abnormal!

As a golden immortal, even if he were to be blown to smithereens, he would not die and could still be reborn.

It was extremely difficult to kill a golden immortal. One had to use a special method to refine the Golden Flower of great Dao in one's body before killing it.

"He hasn't been reborn yet. Could he be dead?"

"That's impossible! How can a golden immortal die so easily?"

After waiting for a while, they still didn't see him reincarnate, and they became more and more flustered.

They had never encountered such a strange situation before!

At this moment, a few more people exploded and turned into dust.

"You ... You demoness, what have you done to my junior brothers?" Li Chunyang roared, both anxious and angry.

He felt that the junior brothers who had disappeared were all captured by this demoness with some kind of divine ability and suppressed.

"They are dead!"

The night Immortal King said coldly.

There was a flash of light in her Phoenix eyes, and another person exploded and turned into fine powder.

“Dead ... Dead? No! This was impossible! You’re a liar! Let them go!” Li Chunyang did not believe him and shouted angrily.

As he spoke, his aura exploded and he was about to attack.

However, in the next moment, his body trembled as if he had been struck by lightning.

His face contorted and he spat out a mouthful of immortal blood. His body was like a cannonball as he flew backward.

“This ... How is this possible?”

His mind was almost blank.

He didn’t even see how the woman had attacked. Without any warning, he was sent flying.

“Senior brother!”

“This demoness is too terrifying! Let’s go!”

The rest of the ask heaven sect disciples screamed in fear, they were so frightened that their souls almost flew away.

Even her senior brother, who was half a step to zenith heaven, had been defeated so badly. This was enough to prove that she was a zenith heaven old monster!

“Amazing!”

“This is a Daluo master!”

Everyone was stunned.

No one would have thought that such an alluring beauty was actually a celestial of the great all-embracing heaven!

“You want to leave?”

The night Immortal King sneered. With a wave of his sleeve, the group of ask heaven sect disciples who were fleeing in mid-air stopped in their tracks. They were pulled back by a huge force.

“Uncle-master, master, save me!”

The group of ask heaven sect disciples struggled and screamed in fear.

“Stop, let go of the disciples of my inquisitive sky cult!”

“Which old monster dares to injure the disciples of my inquisitive sky cult?”

In the next moment, a few earth-shaking shouts rang out in the sky.

Four majestic divine lights fell from the sky like meteors and rushed over.

The four of them released their auras, and the pressure of a celestial venerable rolled out.

“It’s him!”

There was a cry of surprise.

Following that, a few sneers could be heard.

“Little brat, let go of the disciples of my inquisitive sky cult!”

“How dare you hurt the disciples of our inquisitive heaven cult! Aren’t you afraid that we will seek revenge from the Saint spirit dynasty?”

The four of them glanced at the mountain peak and saw the three people sitting on it.

They didn’t pay much attention to the two women beside them. Their attention was all on the man in the middle. He was dressed in white and had the temperament. Wasn’t that the boy surnamed Tang?

“Master, save me!”

Li Chunyang’s body was also caught, and he was frozen there, screaming miserably.

“Chunyang, don’t panic. He can’t hurt you!”

One of the old monsters shouted.

“If he dares to hurt you again, I will pay him back a hundred times. I will kill hundreds of millions of people in the Saint spirit dynasty to avenge you!” His tone was ruthless and even a little disdainful.

If it was before, he really wouldn't be able to do anything to this brat. But now, this brat had the Saint spirit dynasty behind him, which meant that he had a weakness.

“Fellow Daoists, we just happened to run into this brat. Why don't we join forces and kill him? If the four of us join forces, we still have a chance. If we can suppress him today, we won't have to be so afraid in the future!”

A loud laugh came from the dark night Lord.

The Lord of the Night looked down, his eyes filled with excitement.

Among the three elders of the sky seeking sect, old man Xumi wasn't the strongest. The other two were stronger than him. With the four of them working together and summoning the sect treasure of the sky seeking sect, they would have a chance to suppress this brat.

“That's a good suggestion!”

An old monster muttered and agreed.

“Good! Then let's save this disciple first, and then suppress this brat!”

The old monster at the front also nodded.

The four of them trembled and released their auras. Their divine might was even more powerful.

“Heavens!”

Everyone was shocked.

They looked flustered and retreated.

“Brat, if you still don’t release him, you won’t be able to protect yourself!”

“Boy, die!”

The dark night King and the three Wentian elders shouted as they activated their techniques. Their battle intent was shocking and their auras were like rainbows.

However, when they rushed down a distance and saw the two women on the side of the young man, they all stopped and froze like wooden chickens.

The fighting spirit in his body also dissipated instantly.
