

The Mightiest Little Peasant Chapter 3323

“Another 100 Dao beads!”

A continent in the immortal world.

Tang Hao’s immortal soul flew out of a divine mountain. He counted his gains and could not help smiling.

This time, the harvest was not small.

Three months had passed since that incident.

In these three months, he had been wandering around the immortal world and searching for immortal opportunities. With his countless clones, he could collect one to two thousand Dao beads every month.

Now, his cultivation base had broken through 10000 Dao stars.

After putting away the Dao bead, he moved and continued to search for immortal encounters.

“Eh? Someone sent a message?”

Suddenly, he felt a fluctuation in the void coming from his physical body.

“The old silver Dragon sent it?”

He sensed for a moment and recognized the aura.

"I've collected a lot this time. I'll go back and absorb it. I'll also see what the old silver Dragon wants!" He muttered to himself for a moment before quickly returning to the Saint spirit dynasty.

After his immortal soul returned to its place, he opened his eyes and reached out to grab the Jade talisman floating in front of him.

"My Lord, I have good news!"

As soon as he opened the Jade talisman, he heard the old silver Dragon's excited voice.

"That's it?"

Tang Hao waited for a while, but there was no sound from behind.

"F * ck! Why don't you make things clear at once?"

He cursed in a low voice and couldn't help but roll his eyes.

"What good news can this old silver Dragon have?"

He mumbled, but he was quite suspicious.

If it was mo hun or the old crocodile, he would believe it. But this old silver dragon's brain was filled with yellow things. He was probably having fun somewhere now!

"What news?"

After pondering for a while, he entered a message and sent the Jade talisman back.

“It’s related to Dragon King Tian. I know that my Lord has a grudge against him, so I sneaked into Dragon King Tian’s Palace.”

The old silver Dragon didn’t send back any news until a long while later.

He was panting, and there were some indescribable sounds in the background.

“F * ck!”

Tang Hao’s mouth twitched when he heard that.

This didn’t sound like a one-on-one match at all. It was clearly a multi-player exercise.

This guy was hopeless!

He shook his head and sighed.

“Wait, Dragon King Tian? This guy was in Dragon King Tian’s Palace? Then what was he playing now? It can’t be those demons from the dragon clan, right?”

He only reacted after a while.

“Oh right! This old silver Dragon is also a Dragon, so he can easily sneak into the palace of the king Dragon. With him around, I have a chance to sneak into the dragon Palace.” Tang Hao’s heart burned with excitement.

There were still a large number of demonic Dragons in the Dragon Palace. If they were all suppressed, it would definitely greatly increase the power of the gods Palace.

Of course, he could also severely reduce Dragon King Tian’s strength.

“Where is the palace now?”

He replied.

“In the void. Master, you can follow my instructions and rush here, but you have to wait for a few days. The old monster is here these days. After a few days, he has something to do and needs to go out. That will be the opportunity.”

The old silver Dragon replied.

“How did you know?”

Tang Hao was surprised.

“Hey! Didn’t I find out about this? it was that old demon’s beloved concubine who revealed it to me and asked me to go find her in those few days.” The old silver Dragon said.

Tang Hao was shocked when he heard that.

This was F * cking awesome! He had made that old monster a cuckold!

“That old demon is strong, but he doesn’t know anything about women. I’m the best at dealing with women!” The old silver Dragon said smugly.

“Amazing!”

Tang Hao replied with two words.

“Thank you for your praise, my Lord!”

The old silver Dragon laughed.

“When exactly?”

“Two days later!”

“Alright!”

Tang Hao put away the Jade talisman after he confirmed the time.

He took out the Dao beads he had collected this time and swallowed them all. His cultivation level rose by another thousand stars.

After waiting for two days, he left the capital.

Half a day later, he arrived at his destination.

“It’s right in front!”

He sensed the old silver Dragon’s location and found it was in the void in front of him.

But it was chaotic there, and there was nothing.

He took out his spiritual eye and scanned it a few times before he made a discovery.

He vaguely saw a crack in the void, and a golden immortal Palace lay in it. It was the same one he had seen that day.

He put on the gold fighting robe and flew toward the crack in the void.

After entering the crack, he flew toward the immortal Palace.

Around the immortal Palace, he saw many divine mountains and islands, all of which had demonic Dragons on them.

“The king didn’t go out to collect immortal encounter this time. I don’t know what he’s doing!”

“I heard that it’s the old demon dark night, that stinky Toad. He invited not only our King but also many other powerful demons. I guess they’re discussing how to deal with that demon!”

After traveling for a while, he suddenly heard the sound of discussion on an island.

“Deal with that monster? How to deal with it? Isn’t that a joke?”

Then, there was a sneer.

“Yup! That evildoer is too abnormal. Even the Buddha of origin is no match for him, let alone our King. Besides, haven’t you heard that there are two immortal kings standing behind that evildoer? how can we deal with him?”

“Hey! When I said deal with, I didn’t mean to suppress that kid. We’re both big Luo, how can we suppress him! When I said deal with him, I meant resist that kid. That kid has made an enemy of us, so he’ll definitely take revenge. ”

“That’s true! Although I don’t like those stinky toads, I have no choice. If we want to stop that kid, we’ll have to join forces. ”

“Yup!”

The few demon dragons on the island discussed with a hint of worry.

“The dark night Lord!”

Tang Hao grunted.

The old Toad was indeed cunning. It was the fastest one to escape that day.

“I’ll subdue the dragon clan first and then suppress the toad clan!”

He coldly shouted in his heart.

“The old silver Dragon is over there!”

After sensing the old silver Dragon’s aura, he flew to a corner of the immortal Palace.

After a while, he entered a Palace.

There were some intense sounds inside.

“Ahem!”

Tang Hao flicked his sleeves and activated a formation that covered the entire Palace. He coughed lightly.

“Master, you’re here!”

The old silver Dragon was shocked and turned around.

“They’re here!”

Tang Hao took a step forward and appeared in front of the bed. He pointed a finger at the female demon and suppressed her.

“You’re pretty good looking, you’re Living a Good Life!”

Tang Hao looked at her face and smiled at the old silver Dragon.

“She has half of the silver dragon’s bloodline, so we are of the same bloodline!” The old silver Dragon put on an immortal robe and resumed his handsome look.

“No wonder!”

Tang Hao raised an eyebrow.

“Golden immortal! Not bad!”

Tang Hao glanced at him again and nodded in approval.

The old silver Dragon, blood crocodile, and Mo hun didn’t give him many treasures. It seemed that the old silver Dragon was lucky to reach the Golden immortal realm.

“Cough! I slept my way out!”

The old silver Dragon blushed in embarrassment.

Tang Hao was stunned when he heard that. He did not say anything.

“That’s still alright!”

After a long time, he muttered softly.

“I’ll take care of this group of demonic Dragons first!”

As he spoke, his figure moved and he swept out of the palace.
