

The Mightiest Little Peasant Chapter 3344

“Run? Hmph! She can’t run away!”

The God sneered. He opened his mouth and swallowed the immortal soul, chewing it.

“The soul of an origin immortal really does taste good!”

A moment later, he licked his lips and said coldly, “if you dare to resist, this will be your end!”

“Now, obediently hand over the item!”

As he spoke, he walked forward step by step, reached out his hand, and tried to grab Feng Qingyan.

Feng Qingyan’s body froze on the spot. She wanted to move, but it was difficult for her to gather the celestial core power in her body. Seeing the enemy approaching step by step, she became more and more desperate.

It didn’t matter if she died, but she still had thousands of clansmen with her!

“Yes, that’s the expression!”

The God clan expert laughed out loud.

In the blink of an eye, his hand was already in front of her. After a slight pause, it moved down from the original neck and moved up the mountain.

His eyes were filled with excitement.

“Tsk tsk! I didn’t think that the people of the Dragon count divine clan would also have this kind of taste!”

At this moment, a voice suddenly sounded from the side.

His voice was clear, and there was a hint of playfulness and ridicule in his tone.

The hand stopped.

The God race member was stunned and found it hard to believe.

Why were there people around?

How could he not have noticed this person’s existence?

Who was it?

He suddenly turned around and looked in the direction of the sound.

There, a figure had appeared out of nowhere. He was dressed in clothes as white as snow. As for his face, it was covered in a layer of divine light, so he couldn’t see it clearly.

“Who are you?”

He shouted sternly.

At this moment, Feng Qingyan was also stunned.

This voice sounded familiar.

She turned around and looked over.

When her eyes met the figure in white, her delicate body trembled and her heart trembled.

It was him!

Why was he here?

Is he here to save me?

Just like that, she stared at the white-robed figure in a daze.

“The person who will kill you!”

Tang Hao grinned at the God clan member.

“You want to kill me?”

That God race member was immediately stunned.

“Say that again?” he picked his ear.

“I’m going to kill you!”

Tang Hao said with a smile.

The celestial was stunned for a long time. Suddenly, he laughed so hard that his stomach was about to burst from laughing!

This human must be an idiot!

Kill him!

A mere human ant dared to talk nonsense and say that he would kill the gods race! It was truly laughable!

“You? Save it! A Celestial King might be able to fight me!” He raised his head and said in disdain.

He really didn’t put a mere great eternity immortal in his eyes.

With his divine power and treasures, he could kill anyone in the zenith heaven realm!

“Oh, really? Then you can just treat me as a Celestial King!”

Tang Hao said with a smile.

“Hmph! I’m too lazy to talk nonsense with you. Since you’ve come to die, I’ll send you on your way!” The God clan expert’s face darkened. He let out a low shout, then his body flashed, dashing away like a ghost.

In the blink of an eye, he was in front of the white-robed figure and struck out with his palm.

To deal with such an ant, one palm was enough!

Tang Hao’s eyes were calm. He raised his hand and met the attack.

“You ...”

When the God race member saw this, he was stunned again.

He almost suspected whether this fellow was really an idiot. As a human, he was actually competing with him, a celestial. Could there be anything more foolish than this?

Then, the corner of his mouth twitched and a mocking smile appeared on his face.

If this palm hit, this human would be smashed to pieces!

Bang!

There was a loud explosion.

A palm covered in nine-colored divine light and a Jade-like palm shining with white immortal radiance firmly imprinted together.

In an instant, endless divine light burst out, and circles of ripples spread out madly.

“This ... How is this possible?”

A cry of surprise burst out from the mouth of the God race member.

His eyes were wide open, and there was no longer any contempt in them, only extreme shock.

This human in front of him actually blocked this palm of his and was completely unscathed!

This was too unbelievable!

How could a human's body be a match for the Celestials?

What was this guy's background?

“Dragon Count's corporeal body is indeed powerful!”

Tang Hao exclaimed in a low voice.

The guy in front of him was at most a genius in the Dragon count clan. He was not the best, but his body was already comparable to his. If he was the most powerful, wouldn't his body be even more terrifying?

“Are you trying to humiliate me?”

That God race expert was enraged.

This guy’s words were a naked humiliation to him.

“You’re looking for death!”

He opened his mouth and spat out a black ray. It was the black divine ray.

Tang Hao was not afraid at all. His eyes glowed with a dazzling golden light.

BOOM!

The gods ‘Palace leaped out of his eyes with a monstrous divine might and collided with the black divine spear.

“What ... What kind of treasure is this?”

The God race expert was shocked.

The palace-like treasure in front of him had a shocking aura. It had the power of an ancestral god weapon, which was the human race’s Emperor weapon!

“He has an Emperor weapon and such a strong body. He’s comparable to the Celestials. There’s no mistake. He’s one of the most powerful human geniuses in the immortal world!” He said to himself.

Then, he became excited.

There was no challenge at all in killing ordinary humans. It was as easy as slaughtering chickens and dogs. Killing geniuses like these was the most satisfying thing.

He could still boast about it if he brought this guy's head back.

Immediately, his mind moved, and the divine essence in his body surged crazily, urging the power of the divine spear to the extreme.

Weng Weng Weng!

The divine spear trembled violently, and black lightning surged out of it. It turned into Black Lightning dragons that let out earth-shaking roars.

The emperor's blood on the tip of the spear also brightened, as if it was about to burn.

"Hmph!"

Tang Hao grunted in disdain.

With a thought from him, the gods' Palace trembled violently. The 100000 original embryo avatars inside, as well as the countless Buddhas, great demons, and prehistoric ferocious beasts, all gushed out with brilliant divine light. They gathered together, causing the aura of the gods' Palace to skyrocket.

Bang!

The next moment, the two treasures collided and exploded again.

“He ... Blocked it?”

The God race member was stunned again. He couldn't believe his eyes.

This attack was already his strongest attack in his current state, but it still couldn't do anything to this guy?

Whoosh!

Tang Hao flicked his sleeve and another treasure flew out. It was the sea calming Pearl.

This Pearl smashed directly at the face of the God race.

The God race member was stunned and couldn't react in time.

This bead seemed to be an Emperor-grade treasure. How could this guy have so many treasures?

Were humans that rich? He had two Emperor artifacts!

In a moment of distraction, he was smashed head-on. His face exploded, and nine-colored blood splattered.

“Preposterous! Preposterous!”

The God clutched his face and staggered, but he was unable to restrain his anger.

He was actually injured!

If a lowly human could smash his face, he would lose all his face if this news were to spread back to his clan!
