

## The Mightiest Little Peasant Chapter 3384

“Hahaha! This group of brutes from the divine martial Kingdom are at their wits ‘end!”

On the high wall of Suzaku.

In a building, a few figures stood still and looked at the front line.

They all had a look of satisfaction on their faces.

The divine martial Kingdom had already lost several groups of people. Although they weren’t very strong and were just cannon fodder, they were still people. With so many deaths, it would undoubtedly damage the morale of the divine martial Kingdom’s Army.

“This is all thanks to you, Grandmaster Tian He! Your nine prison heavenly gate formation is truly a peerless divine formation. At least in the East continent, it is definitely the best!”

A man in his forties wearing a red Vermillion Bird armor turned around and laughed as he looked at someone beside him.

This person had the appearance of an old man. He was dressed in a long blue robe and had a long beard.

At this moment, he had one hand behind his back, the other stroking his long beard, and was smiling complacently.

He enjoyed the compliments.

Everyone in the East continent’s array Dao community knew of Grandmaster Tian He.

He had spent a hundred years studying and combining all the top immortal arrays to create this Supreme array.

This formation had the characteristics of a bewildering formation, an illusory formation, a five elements formation, and all kinds of killing formations. Once you stepped into it, you would either be worn down to death or be trapped to death.

Whether it was a true God, a spiritual God, or even a heavenly God, the result would be the same.

“Al! First place is a little too exaggerated. I don’t dare to claim it, I don’t dare to claim it!”

He was proud of himself, but on the surface, he still put on a humble expression.

“Master, you’re too humble!”

“Look at Grandmaster’s character, he’s really unparalleled! You’re already the number one in the East Province, but you’re still so humble!”

The generals in the pavilion all laughed loudly and continued to flatter.

“Hahaha!”

Grandmaster Tian He was a little carried away by the flattery, and he burst into laughter.

“Actually, it’s not a problem to say that they are first. At least in the East continent, no one can break this formation. They only have one way to break this formation, and that is to wear it out. They keep sending people in to wear out the power of the formation.”

“This is their only choice. There’s no other way!”

“If we don’t exhaust the array’s power, they won’t be able to walk out of this array. Not a single one of them!”

Master Tian He raised his head, his expression extremely arrogant.

He had absolute confidence in his array Dao attainments.

Even if the godly generals on the other side walked in, they would be trapped inside.

“Master, you’re amazing!”

The generals of Vermillion Bird began to flatter him again.

The atmosphere in the pavilion was cheerful.

However, at this moment, someone caught a glimpse of a figure walking out of the front line formation.

He was stunned and his entire body froze.

Then, he started to rub his eyes, and he rubbed them continuously. Then, he widened his eyes and looked over.

That’s right!

Someone had indeed come out of the formation!

But how was that possible?

This was an array that Grandmaster Tian He had spent a lot of effort to set up. All of the array Masters in Vermillion Bird had tried to break through it, but none of them had come out. One of the array Masters had even said that this was the number one array in the East continent.

How could those brutes from the divine martial Kingdom break such a huge array?

“What ... What’s that?”

Then, someone else noticed, and the laughter stopped abruptly.

In the next moment, his eyes widened as he stared at the front line.

His expression was as if he had seen a ghost.

Then, the laughter in the building disappeared one after another, and the faces gradually froze.

They just stood there in a daze, their expressions extremely dazed.

“Eh? What are you guys ...?”

“What?” master Tianhe was stunned.

Everything was fine, why did it suddenly become so quiet?

Looking at them, he was even more puzzled.

Their expressions were as if they had seen a ghost. Could it be that there was a change in the formation?

That's impossible!

He mumbled and looked over.

The next moment, his body trembled as if he had been struck by lightning.

A figure stood in front of the empty formation. His armor was tattered and he looked like he had just experienced countless disasters.

"No... This is impossible!"

His body swayed, and he felt like he was about to faint.

This guy actually walked out of his array?

This was a small true God!

A true God, a cannon fodder with such a low cultivation base, had actually walked out of his array alive?

To him, this was like a bolt from the blue!

His figure swayed again, and he staggered, almost falling down.

This blow was really too great!

When he thought of how he had bragged about how no one could walk out of the array, he felt his head buzzing and his old face flushed red like a monkey's butt.

"Luck! He's just lucky!"

After a long while, he finally regained his senses and stood firmly.

Facing the questioning gazes of the crowd, he immediately shouted in excitement, "look at his cultivation, he is just a small true God. Does he have the ability to see through my array and walk out?"

"This guy is just lucky!"

When everyone heard this, they all believed him a little.

That was true!

Many of their array Dao experts had gone in before, but none of them had come out. How could a puny true God come out?

If this wasn't luck, then what was?!

“Master, do you want to kill this guy?”

One of the divine generals of Suzaku yelled as killing intent flashed in his eyes.

“Hahaha! No need! He’s just cannon fodder, a small true God. What’s there to be afraid of?”

Grandmaster Tian He laughed heartily, once again returning to his calm and composed demeanor.

He waved his hand and said with a smile, “he was just lucky to come out. He has not seen through the mystery of my array, so he can’t pose any threat to my array. They can’t break my array.”

“That’s good!”

“Master is right!”

The generals of Vermillion Bird laughed and heaved a sigh of relief.

What Grandmaster said was very reasonable. How much ability could a little cannon fodder have?

In the pavilion, everyone started to chat and laugh, and the atmosphere returned to its previous cheerful state.

“Someone ... Is coming out?”

At this moment, many people in the divine martial Kingdom’s Army looked at the formation in the distance and exclaimed.

“He seems to be from the human Battalion, and he’s only a God!”

“He actually made it out. This is unbelievable!”

After seeing it clearly, the entire Army was in an uproar.

“That guy is ...?”

At this moment, at the heaven barracks ‘position on the city wall, a man in golden armor looked into the distance with the crowd. After seeing clearly, he could not help but reveal a shocked expression.

The one who walked out of the enemy’s formation, wasn’t that the damn pervert!

He had actually joined the Army and even walked out of the enemy’s formation alive.

“There’s really no justice in this world!”

He gritted his teeth and cursed, his heart full of jealousy.

To be able to walk out of that great array, this fellow was undoubtedly going to make a contribution.

Even a little perverted Bandit could make great contributions, but he, the number one genius of the hundred territories, had not made any contributions. It was simply unreasonable!
