

The Mightiest Little Peasant Chapter 3423

“Emperor shenwu’s Kasaya! Come out!”

A loud shout was like a thunderclap.

The entire Imperial City was shaken.

Countless people’s hearts trembled as they looked up with horror on their faces.

“It’s a great senior!”

“The Grandmaster of Mount Jade Dragon is here!”

The city was filled with exclamations.

Many people had terrified expressions on their faces as they scuttled up, wanting to leave.

A battle between great paragons could destroy the world, especially after revealing their divine bodies. The situation was even more terrifying.

“The Spirit Dragon is here!”

“This is going to be interesting!”

Around the carefree mansion, many people raised their heads and looked up, as if they were watching a good show.

They all came from sacred lands or divine kingdoms. They were all strong, so they weren't afraid.

"Great Senior Spirit Dragon ..."

In the palace, Emperor shenwu raised his head, and his expression changed.

He was only in the seven Star realm, while great Senior Spirit Dragon was in the eight star realm.

In the Yang God Realm, a difference of one star represented a huge gap in cultivation.

However, it was fortunate that this was the divine martial imperial capital, which was his home ground. He could still give it a try.

"Brother Linglong!"

His figure flickered, revealing the Imperial Palace, and he strode up.

"Emperor shenwu, you're really good at this! I really couldn't tell before!" Great Senior Spirit Dragon strode down and shouted.

His voice was like thunder, causing the void to tremble.

In the imperial capital below, those with weaker cultivation all revealed pained expressions.

Good methods?

F * ck!

Emperor shenwu's face twitched, and he almost cursed.

He had heard this sentence too many times in the past month!

Everyone in Shen 'du was saying the same thing, which made him want to jump up and curse when he heard this.

However, he could not do that.

That was because there was no point in scolding or defending himself. No one would believe that this matter had nothing to do with him. It was all that kid's fault. He, Emperor shenwu, was just a scapegoat.

"Brother Linglong, don't blame me. This is your Jade Dragon Mountain pushing you too far."

Emperor shenwu shouted with a cold face.

He couldn't back down in front of his fellow countrymen and the people from the various forces.

"Is that so?"

Great Senior Spirit Dragon's tone turned cold as killing intent exploded from his body.

Emperor shenwu clasped his hands behind his back and stared back at him coldly. He did not show any weakness.

“Forget it. I’m not here to fight with you. I’m here to calm things down. As long as you hand over the people of Mount Jade Dragon and the array, I’ll leave.”

After a while, great Senior Spirit Dragon restrained his aura and said.

“A great formation?”

Emperor shenwu was stunned.

“What’s wrong? Not willing to hand it over? Well then, just wait for the wrath of Mount Jade Dragon!” Great Senior Spirit Dragon’s face changed as he angrily shouted.

“This ... No!”

Emperor shenwu smiled bitterly.

He couldn’t possibly say that the array wasn’t his, right? in fact, he didn’t even know what array it was.

“Then hurry up and hand it over. Don’t worry, as long as you hand over the formation, I’ll take my people and leave. I won’t go back on my word.” Great Senior Spirit Dragon said.

Emperor shenwu hesitated for a while before he looked down.

At this moment, a divine light flew out of the carefree mansion and headed toward him.

It was a jade talisman.

When he opened it, he heaved a sigh of relief.

“Sure!”

He said to great Senior Spirit Dragon.

“Then hand it over!” The great Senior Spirit Dragon nodded his head in satisfaction.

“What a great plan Jade Dragon Mountain has!”

“They know their stuff!”

The people of the carefree mansion were discussing among themselves.

If it was them, they would have made the same choice. They would first take the formation. As for revenge, there would be plenty of opportunities in the future.

“Aiyo!”

“You’re out? Hahaha! We’re out!”

After a while, around the carefree mansion, many figures fell to the ground. They were the Masters who had entered before, as well as the two groups of people from Jade Dragon Mountain.

“Hiss! Hiss! Hiss!”

Everyone looked at them and was shocked by their appearance.

Their faces were pale and their eye sockets were sunken. They looked extremely miserable.

One could imagine what kind of torture they had suffered in the array.

“That person ... Is Grandmaster Tian He?”

“What’s wrong with Grandmaster Tian He?”

After scanning the crowd, everyone’s eyes were attracted by one person.

The others were at most a little dispirited, but this person seemed to be possessed. He was in a daze and kept muttering something.

“Brother Tianhe, what’s wrong?”

Some of the other grandmasters came back to their senses and came forward to ask in concern.

However, Grandmaster Tian He still had that foolish look on his face, and he completely ignored him.

“Master, you’re an idiot!”

“Isn’t that formation too terrifying? it’s even torturing master Tian He to this extent!”

Everyone was shocked.

Grandmaster Tian He was known as the number one expert in the East continent. If even he was tortured to this extent, it was enough to show how powerful the formation was.

“It’s that powerful?”

In the sky, great Senior Spirit Dragon looked over and was shocked.

Then, he became more and more excited.

The more powerful the formation was, the more beneficial it would be to Mount Jade Dragon.

“Brother Linglong, please wait a moment!”

Emperor shenwu lowered his body and descended toward the carefree mansion after he finished speaking.

However, he was worried that once the kid came out with the array, he would be robbed and killed. After all, the situation here was too complicated. There were all kinds of people, and many of them were late-stage yang God powerhouses.

After entering the residence, he didn’t encounter any formations.

He looked around and saw the figure standing in the small pavilion by the lake.

“Brat, you tricked me!”

Emperor shenwu cursed in a low voice and dashed forward.

“That’s not right. Your aura ... You’re a two-star?”

When he got closer, he looked again and his expression changed.

“You ... How is this possible?”

He was in complete disbelief.

How long had it been since this kid advanced to the sun god Realm?

It had only been a month!

It was simply impossible to break through from one-star to two-star in a mere month.

“I just killed a person!”

Tang Hao smiled.

“What ... What?”

Emperor shenwu was stunned when he heard that. When he finally understood what was going on, he gasped.

This kid had actually killed a Supreme from Jade Dragon Mountain?

Gulu!

He froze there and swallowed with difficulty.

What kind of monster is this kid?!

He groaned in his heart, and his scalp went numb.

“This is an array, take it!”

Tang Hao reached out his hand. Beams of divine light flew toward the mansion from all directions. He put them into a storage bag and tossed it over.

To him, this formation was dispensable. If he threw it out now, it could delay the people of Jade Dragon Mountain for a while, which was quite cost-effective.

“I’ll find you later and have a good talk!”

Emperor shenwu gritted his teeth, took the bag, and left the residence.

“Let’s go!”

He beckoned to the people of Jade Dragon Mountain and flew up with them.

“Not bad!”

That great Senior Spirit Dragon took the storage bag and opened it. After carefully checking it, he couldn't help but reveal a happy expression.

That's right, it was a complete formation!

“You guys ... Come with me!”

After putting away his things, he brought Qingyang, Wu tuo, and the others, tore open the void, and quickly left.

Before they left, the Qingyang high holiness and the others turned around and glared at the carefree mansion with hatred.
