

The Mightiest Little Peasant Chapter 3424

“You’re leaving just like that?”

“I’m not done yet! With Jade Dragon Mountain’s style, would they just let it go?”

The imperial capital was in an uproar.

Many people sighed with emotion. Who would have thought that things would turn out like this a month ago?

At that time, everyone thought that the MU kid would die without a doubt, and Emperor shenwu’s plan would fail.

However, he did not expect that the boy was still alive and well. On the other hand, although Jade Dragon Mountain had obtained a set of formation techniques, they looked rather embarrassed. Their reputation had also been greatly affected and they had become the losers in this round.

“Let’s go. Jade Dragon Mountain won’t take any action for the time being.”

“There’s nothing good to see about that kid!”

Many people stood up and turned into divine lights that shot into the sky.

In their eyes, the young man with the surname mu was merely Emperor shenwu’s puppet and was insignificant.

“It’s time for us to leave. We’ve stayed here long enough. If there’s an opportunity in the future, we’ll have to see this person’s ability.”

The old woman of the heavenly sunflower Palace and The Woman in Black stood up and glanced at the carefree mansion. They smiled, then turned into divine lights and left.

The array Masters on the street also quickly dispersed.

Grandmaster Tian He had been taken away by the people of Suzaku.

When she left, she still had that silly look.

“Brat, you should explain yourself!”

Emperor shenwu landed and entered the carefree mansion.

He looked at Tang Hao with a sullen expression.

He felt that he was a fool who had been toyed around by this kid.

“Explain what?”

Tang Hao flew down from the attic and sat down in the pavilion by the lake. He took out a tea set and began to brew tea.

Emperor shenwu’s face twitched when he saw how relaxed he was. He had the urge to curse.

This kid played him and still didn’t want to admit it!

“Everything I’ve done is under the orders of His Majesty!”

Tang Hao looked up at him and said with a smile, “didn’t you want me to be a target to block mount Yulong? Didn’t I block it? Why is Your Majesty not happy?”

“You ... I ...”

Emperor shenwu’s mouth was agape, but he was speechless.

That’s right!

There was nothing wrong with what this kid said. It made a lot of sense!

Why was he not happy?

“Then ... Did I ask you to kill anyone? It’s one thing for you to kill a Sky Eagle emissary, but why did you kill a sovereign? do you know what the consequences are?”

He walked to the front of the pavilion and said angrily.

He had made this kid a target to attract the firepower so that he could rest easy. However, he had never expected that this kid would cause a ruckus and shift all the firepower to him.

Now, not only Jade Dragon Mountain, but even the entire East Province thought that he was the one who ordered this kid to kill people and fight against Jade Dragon Mountain.

“Killing one is killing, killing two is also killing, What’s the Difference?”

Tang Hao said with a smile.

If it wasn’t for the fact that he didn’t have a chance later on, he really wanted to kill all the Venerables.

“This ... That’s true, but the severity of his injuries is different.” Emperor shenwu choked. He racked his brains and finally came up with a rebuttal.

“Your Majesty, what’s the point of saying all this now?”

Tang Hao was still smiling.

Emperor shenwu’s face began to Twitch again when he heard that.

This kid’s words were reasonable every time, but it was infuriating to hear.

“You ... Tell me, where did you get that formation technique?”

He took a deep breath and tried to calm himself down.

“I refined it!”

Tang Hao said indifferently.

“Oh! You refined it ... Huh? Wait, what did you just say?”

Emperor shenwu nodded at first. Then, he realized that something was amiss. He looked up abruptly with his eyes wide open as if he had seen a ghost.

“I said, I refined it!”

Tang Hao poured himself a cup of tea and took a sip.

Emperor shenwu was frozen on the spot. He was completely dumbfounded.

For a long time, he remained like this, like a statue.

“You ... You ...”

When he came back to his senses, he was a little incoherent.

He looked at the young man in front of him and only felt that it was ridiculous!

That array had trapped all the Masters in the East continent. Even master Tian He, who was an array master, had gone crazy. For it, Jade Dragon Mountain had even given up the idea of revenge temporarily in exchange for it.

Such a world-shaking and heaven-defying array was actually created by this kid?

This was simply the most absurd thing in the world!

“Impossible!”

Then, he shook his head and mumbled to himself. He could not believe it.

According to elder Yu, this young man's talent in the Dao of arrays was indeed extremely high, even a little monstrous. But with his experience, how could he possibly refine such a divine array?

"What's so impossible about it?"

Tang Hao smiled. "I have many formations in my residence. Would you like to see them, Your Majesty?"

"What array?"

"You'll know after you experience it!"

Tang Hao flicked his sleeve, and Emperor shenwu, who was in front of him, disappeared.

Half an hour later, he reappeared. His face was pale and he was in a daze.

"What kind of formation is this? I've never seen such a powerful formation!" He sat down, still in shock.

"An ancient formation. I've inherited some ancient formation techniques."

Tang Hao said.

"I see!"

Emperor shenwu came to a realization.

This was right!

This kid had become so powerful because he had obtained the inheritance of an ancient God. Whether it was the powerful knockout powder or the amazing array Dao, they were all obtained from that inheritance.

“You’re really a person with great fortune and great fortune!”

Emperor shenwu sighed.

No matter what this kid’s identity was in the past, his future was boundless!

He might even be more powerful than him, the shenwu Emperor.

After all, he was still so young!

“Let’s not talk about what happened before. Let’s talk about the future. Jade Dragon Mountain will definitely take revenge. Do you have any ideas?” Emperor shenwu said.

“No, I didn ‘t!”

Tang Hao shook his head.

Emperor shenwu was stunned.

“If Jade Dragon Mountain wants to take revenge, there are too many ways. It’s impossible to take precautions in advance. We can only wait for them to take action.” Tang Hao said with a smile.

“That’s true!”

Emperor shenwu nodded and smiled bitterly.

“Then, when will your marriage with general feifeng be held?”

“This ...”

It was Tang Hao’s turn to be scared.

“We’ll talk about it later!” He said hesitantly.

He just wanted to use this as a pretense to get some benefits. He didn’t really want to get married.

“How can we talk about it later? I’ve already given the decree. We have to set a date first!” Emperor shenwu mumbled.

“Let’s delay it for now!”

Tang Hao said helplessly.

“Alright! In any case, the whole world already knows about this marriage, so it’s fine to delay it for a while. ” Emperor shenwu did not insist.

After chatting for a while more, he got up and left.

Tang Hao finished his tea and returned to the pavilion. He took out some materials and was about to create another bewildering formation.

Suddenly, he sensed that someone was at the door.

Then, there was a knock on the door.

He looked up and was slightly stunned.

That was actually an acquaintance!
