

The Mightiest Little Peasant Chapter 3446

“That little perverted Bandit, he couldn’t have run away, right?”

Jade Dragon Mountain’s venerable mumbled, and his expression was a little strange.

It had been more than four months since that perverted mu had left the divine martial Kingdom, and there was still no trace of him. If he wasn’t on the run, what was he?

That perverted Bandit must have been afraid of Jade Dragon Mountain’s revenge, so he simply did not come back.

The more he thought about it, the more he felt that it was possible.

He immediately took out a jade talisman, contacted the others, and told them about his speculation.

“That’s possible!”

“We’ve been looking everywhere for two months, and we’ve been squatting here for another two months, but we still can’t find a trace of him. I think he really ran away!”

Someone immediately agreed.

Even Wu tuo high holiness had the same thought.

“Impossible!”

The green Goat high holiness said, "I've just made some inquiries. There's still someone living in the carefree mansion, and it's said that she's also a stunning beauty who's not much inferior to divine general flying Phoenix. Do you think that little pervert would abandon such a beauty and run away on his own given his personality?"

"This ..."

The other Venerables were speechless.

It really was!

If that kid really wanted to run, he would definitely take the beauty with him.

"Let's wait! He'll be back sooner or later!"

The verdant Gazelle high holiness said.

"That's true!"

Everyone responded and didn't speak anymore. They continued to Scout around the divine martial country, checking every figure that passed by. At the same time, they also paid attention to all kinds of abnormal void fluctuations.

"Someone's coming again!"

Not long after, the venerable from Jade Dragon Mountain saw a figure flying over from the distant sky.

In the beginning, he didn't pay much attention and just casually glanced over.

When he saw it clearly, his body trembled as if he had been hit hard.

He was stunned for a long time before he came back to his senses. He rubbed his eyes hard, as if he still couldn't believe it.

"They're here! Hahaha!"

The next moment, he suddenly jumped up, overjoyed.

After waiting for more than two months, he finally came.

"Hmph! Little pervert, today is the day you die!"

He gritted his teeth, and a hint of anger appeared on his face.

He would never forget the humiliation he had suffered in the array!

He was a genius of Mount Jade Dragon with an illustrious background and outstanding aptitude. This guy, on the other hand, was nothing more than a little perverted Bandit from the desolate hundred regions. He was born in a lowly background and his status was even more unbearable.

However, he had been humiliated by such a fellow.

The month he spent in the array was definitely the most unbearable memory of his life.

The more pathetic he had been then, the more hatred he felt now.

“I’ll make the first move and stop him. At the same time, I’ll teach him a good lesson!”

He sneered and threw out a few Jade talismans.

He was at the three-star realm, while this little pervert had only advanced to the one-star realm not long ago. Even if he had already devoured the fellow disciple who had died in the array, he would not have reached the two-star realm.

Without the formation, this guy was even more unbearable. With his strength, it was more than enough to take care of him.

In the next moment, his figure flickered, and he left the spatial Rift.

Whoosh!

After a few breaths, he had already blocked the divine light.

The divine light stopped, and a white-robed figure appeared.

There was no mistake!

It was that damn pervert!

It was this perverted Bandit who had killed a high Ambassador and a supremacy of Mount Jade Dragon under Emperor shenwu’s orders.

Today, he was going to take revenge for his dead fellow disciples.

“Hahaha! Little pervert, you didn’t expect this, did you?”

He placed his hands behind his back and laughed out loud. He was in a carefree mood.

The white-robed figure stood there without a trace of fear on his face. Instead, his gaze ... Was a little strange.

Hmph! He was bluffing!

The venerable from Jade Dragon Mountain sneered in his heart.

This little perverted Bandit must be panicking in her heart right now, but she just didn’t dare to show it.

“You’re the only one?”

The white-robed figure spoke, his tone somewhat strange.

“Of course, I’m not the only one. The two overlords are here. You won’t be able to escape today.” That honored warrior shouted coldly.

“Where are they?”

“Don’t worry, we’ll be there soon!”

“Oh!”

“What are you” Oh “for!”

That honored warrior was immediately annoyed. His eyes were wide open, almost spitting fire.

What did this perverted Bandit mean?

Looking down on him?

He was just a one-star sun god, and he had forced himself to become one with medicine. In his eyes, he was just trash.

If it wasn't for the great formation that day, that fellow disciple wouldn't have died!

“It doesn't mean anything! You're too sensitive!”

The white-robed figure laughed.

This laugh almost made the venerable Yulong explode with anger.

Motherf * cker! Was this guy an idiot?

She was still laughing at this time. She was clearly looking down on him!

“You’re looking for death!”

He shouted ferociously, his body shook, and his aura exploded.

In an instant, the dazzling divine light turned into a pillar of light that shot into the sky.

The pressure of the Yang God Realm spread wildly and suppressed the sky and earth.

“Little thief, die!”

Divine light shot out from his eyes as he howled with a domineering aura.

The next moment, he moved and threw a punch with monstrous momentum.

The full-power punch of the sun god three-star was extremely shocking.

The entire world was filled with bright divine light and domineering power.

“They’ve already started fighting?”

At this time, in the void in the distance, divine lights swept over from all directions. They were Qing Yang, Wu tuo, and the others.

As soon as they received the news, they immediately set off and rushed over.

Before he could arrive, he saw some movement in the distance.

Clearly, they were in a fight.

They weren't in a hurry, and their expressions were very relaxed.

That person was in the three-star realm, while that little pervert was only in the one-star realm. In addition to the difference in their innate magical abilities, they were simply not a match for him. They could only be abused.

"That's good, let him teach that kid a lesson first to vent his anger!"

Wu tuo high holiness smiled and wasn't in a hurry to go.

He only squinted his eyes and activated his divine eyes to look at the bright divine light.

He wanted to see how that little pervert would be tortured.

The other four people did the same, slowing down and watching.

At this moment, the venerable Yulong had already arrived in the midst of the brilliant divine light with his monstrous divine might.

However, the white-robed figure did not move at all. He just stood there with a calm expression.

There wasn't even a ripple in his eyes.

When the punch was right in front of him, he suddenly raised his hand, opened his long fingers, and grabbed.

Pa!

A soft sound.

His palm had caught the fist.

All the energy and power were instantly dispersed at this moment.

At the same time, the fighting spirit of the venerable Yulong also disappeared.

He looked at the sparkling palm in front of him, and his mind went blank.

His all-out punch was casually caught by his opponent?

This ... How ridiculous!

He was a three-star, but this little pervert was only a one-star!

At this moment, in the distance, the other five people were also stunned. Their figures slowly came to a stop.

They stood there, dumbfounded.
