

The Mightiest Little Peasant Chapter 3473

“Alright!”

Tang Hao glanced at the mountain Gate and nodded.

“General mu, please!”

The disciple turned to the side and led Tang Hao inside.

Soon, they arrived at the main hall.

“General mu, please take a seat and wait for a moment. The Hierarch will be here soon!” The disciple bowed and left the hall.

Tang Hao stood in the hall and looked around. Then, he sat down, took a cup of tea from the table, and took a sip.

“Woof! This kid is really stupid!”

In the dark, the green Goat high holiness and the others were spying.

They were hiding in the void of the purple Qilin mountain’s great formation, and they were not afraid of being discovered.

At this moment, they looked at the figure who was leisurely sipping tea in the hall and sneered.

He clearly knew that someone in the purple Qilin mountain might have colluded with his Jade Dragon Mountain, yet this kid still dared to walk in and drink tea. He really didn't have any vigilance and was an idiot.

If it wasn't for Emperor shenwu's support, this brat might still be that little lecherous thief!

"I was actually defeated by such an idiot! It's really embarrassing!"

Zhou Yuan cursed in a low voice, his face full of resentment.

The more useless this guy was, the more embarrassing it would be for him, a genius of the purple Qilin mountain.

"Young master Zhou, that's all in the past. If we kill him today, who will remember this in the future? it's not a big deal." Beside him, the verdant Gazelle high holiness stroked his beard and smiled.

"Don't worry, when we kill him later, I'll let you take care of him first, young master Zhou, to vent your hatred!" Wu tuo high holiness said with a smile.

"Good! Then I'll have to thank the two high holiness in advance!"

Zhou Yuan's mood was instantly lifted.

In the hall, Tang Hao was drinking tea when he saw sect Master Wang come in with a big smile.

"General mu, what a rare guest! How come you have time to visit my purple Qilin mountain today?"

Sect Master Wang said with a warm expression.

“Sect Master Wang, aren’t you asking the obvious?”

Tang Hao sipped his tea and smiled.

“This ... How would I know the purpose of your trip, general mu?” Sect Master Wang was stunned, and his face was full of confusion.

“If you hand them over, I’ll let you go. As for the other people from your violet Qilin mountain, if you don’t ... Don’t blame me for being impolite!”

Tang Hao said as he put down his teacup.

Although he had a smile on his face, his tone was cold and filled with a sharp killing intent.

“People? Who’s there?”

Master Wang pretended to be confused.

What an arrogant kid!

In his heart, he was sneering with some disdain.

A mere second or Third Realm sun god dared to say ‘don’t be polite’ in front of him, a four-star sun god, on the purple Qilin mountain. This guy must have a problem with his brain and was too arrogant.

Did he really think that he could do whatever he wanted just because he had Emperor shenwu backing him up?

He was really looking for death!

“Sect Master Wang, don’t make a mistake!”

Tang Hao stared at him and said solemnly.

“Hahaha! What an arrogant tone! Who Do You Think You Are? Emperor shenwu? Even Emperor shenwu wouldn’t dare to be so arrogant when he steps into the purple Qilin mountain!”

With a loud laugh, Zhou Yuan walked out of the void and into the hall.

His face was full of ridicule and mockery.

“Surnamed mu, you didn’t come to the wrong place. It was indeed me who did it. I entrusted those guys to go to your mansion to capture someone. I wanted to threaten you to get the set of divine array on you.”

He raised his head, his expression extremely arrogant. “But so what? Even if you know, what can you do to me? You still dare to come to my purple Qilin mountain? you’re really stupid, idiot! Today, you won’t be able to walk out of my purple Qilin mountain!”

“Is that so?”

Tang Hao looked at him and said noncommittally.

“Sect Master Wang, why are you so stupid?” He turned around and looked at sect Master Wang. He sighed.

“I’m stupid? Buzzzzzz! It’s clearly you who’s stupid, you don’t even know you’re about to die. ” Sect Master Wang sneered, “you still want me to not make a mistake? Who Do You Think You Are? He’s just a Lackey and puppet of Emperor shenwu. ”

“Hahaha! Well said, sect Master Wang! He thinks he can do whatever he wants just because he’s Emperor shenwu. What a pity that Jade Dragon Mountain isn’t afraid of Emperor shenwu at all!”

The verdant Gazelle high holiness walked out of the void with another laugh.

“Little brat, long time no see!”

He stood still and looked at Tang Hao with an angry expression.

“Kid, do you still remember me?”

Immediately after, Wu tuo high holiness walked out of the void and shouted.

His Tiger Eyes opened wide as he glared at them, his body filled with a shocking killing intent.

“Of course I remember!”

Tang Hao glanced at the two of them and nodded. His expression was as calm as ever.

"It's good that you remember. Then, you'll know why you died today!" The green Goat high holiness sneered.

Behind him, three more figures stepped out.

"They're all acquaintances!"

Tang Hao looked over and smiled.

"Woof! And you can still laugh!"

Zhou Yuan sneered, "if you know what's good for you, you should kneel down and beg for mercy. We might even give you a quick death and let you suffer less."

Tang Hao ignored him. He turned around and looked around.

Then, he looked at sect Master Wang.

"Actually, I only wanted to kill him, but since you're the one who's looking for trouble and even dragged the entire purple Qilin mountain down with you, don't blame me."

"You're on the verge of death, yet you still dare to be stubborn!"

Sect Master Wang was furious. He shouted, "arrogant brat, I will send you on your way!"

With that, he strode forward. His body trembled, and brilliant divine light bloomed. He struck out with his palm again.

The four-star sun God's palm had a monstrous aura.

The entire Hall shook.

Upon seeing this, the green Goat high holiness and the others stood still with their hands behind their backs.

With sect Master Wang's strength, it was more than enough to deal with this kid. They didn't need to make a move at all, they just had to watch the show from the side.

"Hmph!"

Zhou Yuan laughed coldly and revealed a smug expression.

If the sect leader made a move, this kid would suffer!

"You brought this upon yourself, you can't live!"

"Die!" Tang Hao shouted coldly. He stood up and raised his palm to meet the attack.

Upon hearing this, sect Master Wang became more and more angry.

Who was this kid? he was just a Lackey. How dare he be so arrogant in front of him!

He gritted his teeth, his aura burst out, and he struck out with his palm with all his strength.

He was going to blow this brat up with a single palm!

Bang!

The two palms finally met and collided.

With the point of collision as the center, endless divine light burst out. There was also an extremely violent aura, which turned into a hurricane and spread in all directions.

Everything in the hall exploded and turned into dust.

Zhou Yuan's body trembled and he was forced to take a few steps back.

Even the two high holiness Qingyang and Wu tuo were slightly shocked.

They squinted their eyes and looked into the divine light. They wanted to see the scene of the kid vomiting blood and even exploding.

This was the only way to relieve the hatred in their hearts.

However, when they took a closer look, they were stunned.

The scene in front of them was completely different from what they had imagined. In fact, it was the exact opposite.

That kid was safe and sound.

As for leader Wang, his palm had been split open, and nine-colored divine blood was splattering.
