

The Mightiest Little Peasant Chapter 3478

Creak!

Tang Hao pushed open the door of the pavilion by the lake and walked out.

The sun was shining brightly outside.

He took a deep breath and felt a wave of Comfort Wash over him.

“Don’t you want to go out and meet them? These few days, many people have come. ”

A cold voice was heard from behind.

An ice-blue figure instantly arrived.

Tang Hao turned around, and a beautiful face greeted his sight.

Under the sunlight, her skin looked even more snow-white and soft.

His eyes reflected the Golden sunlight and were as bright as gems.

She landed next to Tang Hao and craned her neck. Her expression was cold and arrogant.

His line of sight went down slightly and touched her proud plumpness. Her curves were full and a little exaggerated.

“Ahem!”

Tang Hao quickly retracted his gaze.

In his mind, he recalled the unusually wonderful touch that day.

“You’re embarrassed?”

She raised her eyebrows and teased.

“That’s right, I’m a decent person!”

Tang Hao said seriously.

“Decent people? Then why did you go to the Jade Lake Pavilion and make a big scene?” There was a strange look in her eyes.

“Isn’t that to maintain your identity?”

Tang Hao said.

“Oh,” she said. She didn’t say anything else and returned to her cold and elegant appearance.

Tang Hao glanced at her, then shifted his gaze to the residence.

Outside the door, there were many things displayed and many people gathered. They were all people from various forces in the capital.

It had already been three days since the news of him being conferred the title of King spread, and the imperial capital was in a boiling mess.

These people were all here to visit him and establish a relationship with him.

In these people's eyes, he was a popular person nurtured by Emperor shenwu. Some people even thought that he was Emperor shenwu's illegitimate son. Hence, his status had skyrocketed and was now second only to Emperor shenwu in the divine martial country.

"Let's just meet!"

Tang Hao thought for a while, then decided to open the gates and meet them.

After all, there were many familiar faces among these people, such as the people from Marquis Tiangong's residence.

"Then I'll go back first!"

She turned around and left.

"It's opened! It's opened!"

Outside the residence, a burst of exclamations sounded.

The people outside the door immediately spread the news, and soon, the entire Imperial City was in an uproar.

Everyone knew that the gate of the carefree mansion had opened.

“Let’s go! Hurry up and pay a visit!”

“It’s finally open! This is a rare opportunity!”

It wasn’t just the people from the divine martial Kingdom. The people from the other major powers stationed in the divine martial imperial capital also took action. They brought the treasures they had prepared and rushed to the carefree mansion.

“General mu, congratulations!”

“General mu, this is a small token of my appreciation to congratulate you on being conferred the title of King!”

Someone welcomed Tang Hao warmly when he arrived at the entrance.

He had seen many of them at the banquet in the palace.

“General mu, I’m the messenger of war god mountain. To congratulate you on your King title, I’ve prepared a gift for you. Please accept it!” A white-robed old man brought a few people, each holding a few boxes, and came up to them.

“War god mountain!”

“That’s a great Holy Land!”

The surrounding crowd exclaimed in shock.

War god mountain was a Holy Land on par with Jade Dragon Mountain, and it was extremely famous.

There were only seven such great Holy Lands in the entire East Province.

“You’re too polite, envoy!”

Tang Hao cupped his hands and smiled warmly.

Back in pill Sea Mountain, he had also met a Supreme of war god mountain and received a yang grade divine medicine.

These treasures could not be compared to yang grade divine herbs, but they were still quite valuable.

“General mu, I’ve long heard of your great name!”

After looking at the treasures, just as he was about to invite this Messenger of war god mountain in, a gentle and charming voice suddenly came from the side. It came from far away, and in an instant, it was right in front of him.

He looked up and saw two figures flying over.

In front of her was an extremely alluring woman in a black muslin dress. Although her face was covered with a veil, it revealed a pair of Foxy and seductive eyes. Her eyes were like water, flowing with an intimidating light.

Behind her was a thin old woman with a cold expression.

“Who is that?”

The eyes of many people on the street were attracted by the enchanting woman. Many people were even dazed, as if their souls had been hooked.

“That’s the Holy maiden of the sunflowers Palace!”

“Holy maiden? Heavens!”

Someone quickly recognized it.

The crowd instantly boiled over.

In the East continent, there were many saintesses from all sorts of Holy Lands. However, the saintess of the heavenly sunflower Palace was definitely the number one saintess in the East continent. Her status was so noble that they had to look up to her.

They really didn’t expect that such a person would come to visit general mu.

General mu was famous in the divine martial Kingdom, but he was nothing in the entire East continent. Why would he alarm someone like the Tian kui Holy maiden?

For example, war god mountain only sent a single emissary.

This was the normal standard, while the standard of the sunflower Palace was undoubtedly very abnormal.

“Have you forgotten that general mu ... Is a peerless man who could conquer the fairy of the Jade Lake Pavilion? perhaps the saintess came here because of his fame.”

Someone said in a low voice.

Many people in the imperial capital knew about the relationship between the Jade Lake Pavilion and the heavenly sunflower Palace.

“So that’s how it is!”

“No wonder!”

When the others heard this, they pondered for a moment and came to a realization.

They had almost forgotten about general MU’s astonishing battle record at the Jade Lake Pavilion.

The emissary from war god mountain was also shocked when he saw the sky sunflower Holy maiden.

However, after hearing the discussions around him, he came to a realization.

When he looked at general mu next to him, his expression was a little strange.

He knew how powerful the succubus of the sunflower Palace was. In the entire East continent, no one had been able to conquer them before, let alone for three days and three nights.

This was truly a strange man!

At this moment, he was a little curious as to how this person had done it.

Was he gifted, or did he use some powerful dual cultivation technique?

“So it’s the Tian kui Holy maiden! I’m just a puny general of the divine martial Kingdom. How can I trouble a figure like the Holy maiden to personally visit me? I’m terrified!”

Tang Hao went up to him.

He wasn’t unfamiliar with the sky sunflower Holy maiden. He had seen her a few times before.

“Al! A peerless man like you is hard to find in this world. It’s my honor to meet you!”

The Tian kui Holy maiden landed and smiled.

She looked at Tang Hao from head to toe.”General, your godly power doesn’t just come from your bed. I was there when you killed the Shura Army. I saw it with my own eyes. It’s amazing!”

“Holy maiden, you’re too kind. That’s just borrowing the power of the great array!”

Tang Hao said with a smile.

“General, you don’t have to be so modest!”

The Tian kui Holy maiden chuckled.

Her body was enchanting and her eyes were charming. Every move of hers exuded a strong sense of charm that could hook people’s souls.

“As expected of the sunflowers Palace, their seduction techniques are indeed powerful!”

Tang Hao thought to himself as he looked at her.

He had seen many foxy women like this. Tamamo and Xuan Mei all had the same temperament.

This was especially so for Xuan Mei, who cultivated the six desires heavenly demon technique. Her charm was the strongest and the most extreme.

However, this Tian kui Holy maiden’s charm was even stronger than the six desire heavenly demons ‘.

No wonder everyone said that the succubus of the succubus Palace was the number one in the world, and no one could conquer her.

It was also because of this that his achievements in the Jade Lake Pavilion had caused such a sensation.
