

The Mightiest Little Peasant Chapter 3479

“General mu, I’ve prepared some humble gifts this time. I hope you won’t mind!”

The Tian kui Holy maiden smiled.

Behind her, the old woman stepped forward. With a wave of her sleeve, a few boxes flew out and opened one after another.

“Three yang divine artifacts. One bow, one halberd, and one armor! It’s a perfect set!”

“Yang spirit pill, five!”

The Tian kui Holy maiden pointed at the treasures in the box and introduced them one by one.

“Five yang spirit pills?”

“Heavens!”

The four sides were in an uproar.

Everyone’s faces were filled with shock and disbelief.

In their eyes, the Yang spirit pill was already an extremely rare pill. In the entire divine martial Kingdom, only 20 pills were produced every year. However, the Tian kui Holy maiden had just given away five of them.

As expected of the sunflowers Palace, they were truly generous!

The emissary of the war god temple was also shocked. His eyes widened as he stared at the five divine elixirs in the box.

Then, his face darkened.

Compared to the treasures of the sunflowers Palace, his war god Hall's treasures paled in comparison. This made him feel even more embarrassed.

"Five yang God pills? The Holy maiden is too polite!"

Tang Hao laughed heartily and pretended to be excited.

"Ah! As long As You Like It, that's all that matters!" The Tian kui Holy maiden laughed.

"Holy maiden, please!"

Tang Hao turned to the side and gestured for them to enter.

The Tian kui Holy maiden nodded and entered the mansion.

"The scenery in this residence is really not bad!"

After entering the residence, she looked around and praised.

“You’re flattering me again, Saint. My carefree mansion is really ordinary. In terms of scenery, it’s also very ordinary.” Tang Hao said with a smile.

“Ordinary?”

The Tian kui Holy maiden was stunned for a moment. Then, she chuckled and said, “general mu, your carefree mansion was once an existence that shook the entire East Province. During that month, the eyes of the entire East Province were on your mansion. You call this ordinary?”

“That was in the past ...”

Tang Hao said.

“General mu, right now, you’ve set up quite a number of arrays in this seat, right?”

The Tian kui Holy maiden looked around and asked.

“There are a few, but they are just ordinary formations!”

Tang Hao said.

“Is that so?” The Tian kui Holy maiden turned around and looked at him meaningfully. “I heard that general MU’s talent in array Dao is one in a billion. You even broke Grandmaster Tian He’s array easily.”

“It’s alright. One in a billion is too much!”

Tang Hao said.

“General mu, you’re really humble!”

The Tian kui Holy maiden said meaningfully.

“In front of someone like you, saintess, I naturally have to be humble. Saintess, why don’t you sit here for a while? there are still many people outside, I have to go over.” Tang Hao said as he pointed at the pavilion by the lake.

“Good! General mu, you can go first. We’ll catch up later. ”

Holy maiden Tian kui nodded.

Tang Hao cupped his hands and walked toward the door.

After he was far away, the Tian kui Holy maiden brought the old woman to the pavilion and sat down.

“What do you think of him?”

She looked at the old woman and asked.

“He’s not simple!”

The old woman’s expression was solemn.”Just now, when you used your seduction technique, all the men around you were captivated. No matter how strong their mental fortitude was, they would still be a little dazed. However, this person’s performance was very clear-headed.”

“I think he is indeed an expert in this aspect. That’s why he could conquer lianyue. This is the first time I’ve seen such a man!”

As she spoke, she looked towards the door with a burning gaze.

She even stuck out her tongue and licked her dry lips, her eyes full of lust.

“You, don’t be so explicit. Be careful not to scare him.”

The Holy maiden laughed.

“What’s wrong with that? it’s just a superficial look!”

The old woman sneered, and her figure suddenly changed. Her thin body suddenly became curvaceous, and her appearance changed from an old woman in her sixties to a beautiful woman in her thirties.

“I’ve tasted at least a few thousand men, if not ten thousand, but none of them can make me feel like longing like him!”

She bit her red lips and said emotionally.

“In this aspect, he’s indeed quite impressive. I can see that too.” The sky sunflower saintess nodded. “I can’t see through this carefree mansion either. This means that there’s an extremely powerful formation in this mansion.”

“Oh? I didn’t see that!”

The old woman was startled and turned around to look around.

“My guess might be true.” The sky sunflower Holy maiden said seriously.

“You’re saying ... He’s very likely to be the person behind the scenes?”

The old woman said with a frown.

“That’s right! Think about it, the first time he became famous was in the hundred territories, when he held the saintess of the Tai Qing Palace hostage. With his strength and status at that time, it was impossible for him to do it. At that time, everyone guessed that it was actually two people, and the one who held the saintess hostage was not that little pervert surnamed mu.”

“After that, he appeared in the divine martial country. The first time he showed his face, he broke Grandmaster Tian He’s formation. Isn’t that faction’s strongest formation? a bewildering formation and a killing formation. They’re both shocking divine formations.”

The Tian kui Holy maiden said softly.

“Also, why does Emperor shenwu think so highly of him? he was conferred the title of King so quickly. You must know that this is the first time that the divine martial Kingdom has conferred the title of King with a different surname.”

The old woman nodded as she listened.

This analysis made a lot of sense.

“Of course, it’s only a reasonable guess. I’m not sure if it’s true or not. In short, this guy is not simple!”

The sky sunflower Holy maiden turned to the door with a burning gaze.

This was the first time she had been so interested in a man.

“The two of you, sorry for the long wait!”

Tang Hao returned after an hour.

There were too many people who had come. He had to meet them one by one and receive their gifts, which had taken a lot of effort.

“Who is this?”

When he saw the mature beauty, he was slightly stunned.

“This is elder Xu of my heavenly sunflower Palace. She likes to maintain that appearance.” The sky sunflower Holy maiden laughed. “Elder Xu has always admired your abilities, general mu!”

“What kind of ability?”

Tang Hao was surprised.

“His skills in bed!”

The Tian kui Holy maiden chuckled and glared at him. “General mu, aren’t you asking the obvious?” she rebuked.

“Oh!”

Tang Hao laughed heartily. “So that’s what you’re talking about, Saint. I didn’t realize it just now.”

“General MU’s ability has been praised to the heavens by that little girl, lianyue. She said that it can really make people feel like they’re on cloud nine and that it’s the ultimate joy in the world. I wonder if general mu would do me the honor of having a spar with me.”

The mature woman’s face was covered in peach blossoms, looking like she was in love.

F * ck!

This old witch wanted to eat young grass! How shameless!

Tang Hao cursed in his heart.

This old hag was a mid-stage yang God, so she must be thousands of years old.

“Elder Xu, I’m more than happy to keep you company, but this is not the right time!”

Tang Hao thought for a while and came up with a reason to decline.
