

The Mightiest Little Peasant Chapter 3482

“What’s that?”

In the Grand clarity mountain range, the two giant gods who were fighting fiercely stopped.

They turned around in unison and looked into the distance.

There was a beam of shocking divine light that connected heaven and earth.

The bright light illuminated the world and was extremely glaring.

“Grandmaster ... Could that be a Grandmaster?”

The two of them trembled in unison, and even their voices were trembling.

To them, any great senior was an unrivaled powerhouse, a Supreme existence!

“They don’t look like the other party’s people. Could it be that they heard the news and came from the West to stop this group of Devils?”

The palace Master of tai Qing Palace secretly guessed.

He knew very well that it was impossible for his tai Qing Palace to have an affinity with a great senior. This great senior must have come not just for his tai Qing Palace.

He was saved!

His heart was filled with ecstasy. His aura rose as he threw a punch at his opponent.

“Not good!”

The devil’s expression changed drastically, and his mind was in a state of panic.

A great senior wasn’t someone the three of them could resist.

“Let’s go!”

As he blocked his opponent’s punch, he shouted at his two companions in the distance.

However, as soon as he finished speaking, he heard a loud bang.

The head of one of the two figures in the distance exploded like a gourd. It was blown into pieces, and divine blood and minced meat splattered everywhere.

Si si si!

The demon gasped in shock and was almost scared out of his wits.

The great senior didn’t even do anything, but the head exploded.

Such strength was too shocking!

He shivered and made a decision. He retracted his God Body and ran away.

However, Tang Hao had already suppressed the two high holinesses. He dashed over and blocked his way, then struck his palm down.

Peng Peng Peng!

After a few consecutive palm strikes, the demon exploded.

After suppressing them, Tang Hao stood where he was, but his mind entered the great void divine furnace. He extracted the souls of the three and began to search their souls.

Soon, he frowned.

These three people were from different evil sects in the East continent. They didn't belong to the same force. They had been recruited to the hundred territories to help find something.

And that thing seemed to have come from an ancient God's cave.

But as for what it was, the three of them didn't know.

"The ancient God cave? What kind of treasure could it be?"

Tang Hao pondered as his thoughts raced.

"S-senior ..."

A moment later, his thoughts were interrupted.

It was the palace Master of the Tai Qing Palace. She rushed forward, bowed, and called out in a low voice.

“Thank you, senior, for helping and saving my tai Qing Palace!” He was a little nervous, and his voice trembled slightly.

“No need to thank me!”

Tang Hao glanced at him and said indifferently.

“How can I not thank you for such a great favor!”

The palace Master of tai Qing Palace bowed and said in fear.

However, as soon as he finished speaking, his body stiffened and he was stunned.

This voice sounded familiar! He seemed to have heard it somewhere before.

He raised his head and looked forward.

“You ... You ...”

After seeing it clearly, he couldn't help but open his mouth wide, his expression completely dazed.

Wasn't the senior in front of him the so-called perverted Bandit he had met back then?

But how was that possible?

The last time he had met this person was during the divine blood treasure competition. He clearly remembered that this person was only a 2-star sun god. How did he become a great venerable in the blink of an eye after half a year?

This was too unbelievable!

"What I did before was indeed inappropriate for lady su, so I came to save your tai Qing Palace. From now on, I'm even with her, and she doesn't have to think about revenge every day."

Tang Hao said.

"It's really him!"

Upon hearing this, the palace Master of tai Qing Palace was greatly shocked.

It really was that person!

Moreover, he was so powerful that he had advanced to the great venerable realm in just half a year.

This person's background must be extremely shocking!

He was even more certain of this thought.

“Se ... Senior, how would that girl lingsu dare to seek revenge from you? She’s just playing around, please don’t take it to heart. ”

After a long time, he finally came back to his senses and said in a somewhat terrified manner.

“I know!”

Tang Hao said.

He could also tell that Holy maiden su didn’t really hate him.

“Oh! That’s good!”

The palace Master of tai Qing Palace heaved a sigh of relief.

He had long forgotten about Ling SU’s capture, but he did not expect that this incident would save his tai Qing Palace.

“Senior, why don’t you go down and sit down?”

He forced a warm smile on his face and pointed at the mountain Gate below.

But then, his face froze and he couldn’t help but look a little embarrassed.

His palace had long been smashed to pieces and was in ruins. How could he still have the nerve to invite this person down for a visit?

“There’s no need for that!”

Tang Hao waved his hand.

After pondering for a while, he continued, “the Grand array of your tai Qing Palace has been destroyed. It has no defensive power anymore. You’d better hurry to the divine Kingdom in the West. The chaos in the hundred territories won’t end so soon.”

“I think so too. I’m going to take all my disciples and leave the hundred territories to see which force can take us in.”

The palace Master of tai Qing Palace looked at the ruins below with a bitter expression.

This was a sect that he had spent so much blood, sweat, and tears to build. He had never thought that it would be destroyed today.

“Alright!”

Tang Hao nodded.

The strength of tai Qing Palace was still a little weak. It was a good thing to be able to find a stronger force to join them. At least it would be safer.

“I’ll be leaving first!”

After he finished speaking, his figure flickered, and he tore open the void and left.

After he left, the palace Master of tai Qing Palace stood up and heaved a long sigh of relief, but the expression on her face was extremely complicated.

What he had seen today was truly unbelievable!

If he hadn't seen it with his own eyes, he would never have believed such a young great senior.

"We have to leave quickly!"

After sighing for a while, he quickly descended and called out the hidden disciples.

"Master, you're saying ... It was that bastard who saved us?"

Su lingsu was dumbfounded after hearing what he had just said.

Her rosy little mouth could not close.

Oh my God!

That bastard had actually reached the great Paragon level?

Was she dreaming?

Or was her master teasing her and teasing her?

“What bastard? you have to call him senior? don’t keep harping on the past. Although he caught you, he didn’t do anything to you. Don’t be so petty.” The palace Master of tai Qing Palace reprimanded.

“You call that nothing? He ... He makes me change my clothes every day, and it’s the kind of shameful and perverted clothes. I think he’s a pervert. ”

Su lingsu said angrily.

She was angry and embarrassed at the thought of the days when she was imprisoned.

“It’s fine to change clothes. I didn’t touch you, did I? It’s nothing!”

The palace Master of tai Qing Palace mumbled with an expression as if it was not a big deal.

“He ... Sigh!”

Su lingsu stomped her feet in anger, her cheeks turning red from embarrassment.

It was because that guy was too cold to her and had no interest in her at all that she was so embarrassed and angry!

That incident did not hurt her much, but it was extremely humiliating!

“Alright, in the future, don’t think about this anymore. I’m leaving!”

The palace Master of tai Qing Palace flicked her sleeves and summoned a giant bird that was carrying a Palace. She called her disciples to board the bird and then headed west.
