

## The Mightiest Little Peasant Chapter 3497

“Emperor Fenglin is an Emperor after all. His cultivation base is at peak six-star as well. He won’t surrender so easily and offer his territory and subjects. I think Emperor shenwu is going to be rebuffed this time.”

“Exactly! Throughout the ten thousand years of history of the East continent, has there been an Emperor who was persuaded to surrender?”

Everyone in the city looked on and shook their heads. They didn’t think much of it.

From their point of view, this envoy would definitely return in defeat after going to the Fenglin country.

Fenglin country.

The Imperial Palace was bustling with activity.

Emperor Feng Lin sat on his Dragon Throne, while the officials below him were gathered and engaged in an intense debate.

This was because they had just received news that Emperor shenwu’s envoy had already set off and was heading toward the Fenglin Kingdom.

“Your Majesty, Emperor shenwu has gone too far!”

“Yup! This is naked humiliation, I can’t take it!”

Most of the people in the hall were extremely furious.

Persuade them to surrender?

Wasn't this an insult?!

"Your Majesty, I think we should just kill this envoy and teach Emperor shenwu a lesson!"

Some officials even shouted excitedly.

As soon as these words came out, they immediately attracted many refutations.

"Kill the messenger? Wasn't this a declaration of war? Don't you see how great the reputation of the divine martial Kingdom is? even the Asura Emperor fled upon hearing the news and didn't dare to resist. With our maple forest kingdom, we can use our heads to block them!"

"That's right, when the divine martial Army comes, you go and block them!"

Someone said one after another.

"Hmph! You bunch of cowards, are you all that afraid of the divine martial Kingdom?"

"Then if you have the guts, go ahead and fight!"

The two groups of people started quarreling.

"Enough!"

On the Dragon Throne, Emperor Feng Lin was upset.

He was already annoyed enough and didn't know what to choose, but these people were still quarreling over there, making his head hurt.

"Your Majesty!"

Seeing his anger, the officials immediately fell silent and bowed.

Emperor Feng Lin sat there with a gloomy expression.

In his heart, he was filled with regret.

He shouldn't have followed the Vermillion Bird and Asura kingdoms to attack the divine martial Kingdom.

Putting aside the fact that he didn't get any benefits, he was even hated by the divine martial Kingdom.

"It's impossible for us to surrender, but we can't offend the divine martial Kingdom either." After a long time, he spoke.

He could clearly see why the divine martial Kingdom was so powerful now. It was all because of the mysterious heaven-defying monster behind them. Would such a person stay in his East Province forever?

It was impossible!

This demon was going to leave sooner or later. Once he left, the divine martial Kingdom wouldn't be able to do anything to his maple forest kingdom.

Even though his Fenglin country was weak, if they were to join forces with the Suzaku country, they would be able to stop the divine martial country.

The best solution now was to drag it out, drag it out until this monster left.

"Not surrender but not offend the divine martial Kingdom? Is that even possible?"

Everyone in the hall looked at each other and smiled bitterly.

"I know it's difficult, but ... This is the only way. Try not to offend him." Emperor Feng Lin also smiled bitterly.

He really had no other choice.

He had also seen the battle at the divine martial royal capital. The terrifying combat strength of that monster had made his heart palpitate with fear. That dazzling and imposing figure was still weighing on his heart like a nightmare.

Every time he thought about it, he was terrified.

"Your Majesty, Emperor Shura has sent a message."

Outside the hall, someone rushed in and entered the hall.

“The Shura Emperor?”

Emperor Feng Lin was stunned, “what news did he send?”

“They will definitely join forces with us to resist the divine martial Kingdom!”

“Your Majesty, this is good news!”

The officials in the hall were all excited and their faces were filled with joy.

Behind the Shura Emperor was Jade Dragon Mountain. This meant that Jade Dragon Mountain intended to support the Fenglin Kingdom.

“Hahaha! This is indeed good news!”

Emperor Feng Lin took the Jade talisman and opened it. He couldn't help but laugh out loud.

What Emperor Shura meant was for him not to surrender. If the divine martial Kingdom came to attack, he would contact the experts of Mount Jade Dragon and resist them together.

“That's great!”

Emperor Feng Lin clutched the Jade talisman and stood up excitedly, pacing back and forth in front of the Dragon Emperor.

Since Jade Dragon Mountain had expressed their support for him, he was much more confident.

“Your Majesty, the messenger has arrived!”

Half a day later, there was news from outside the hall.

“Bring him in!”

Emperor Feng Lin waved his hand and shouted.

A moment later, the divine martial Kingdom’s envoy strode into the palace.

He looked around and revealed a haughty expression.”Emperor Feng Lin, this is the divine decree that the ruler of the divine martial Kingdom personally wrote. Come down and accept it!”

As he spoke, he took out a scroll and waved it at di Feng Lin.

“You have guts!”

“How dare you, divine martial envoy! How dare you insult the Emperor of my maple forest Country!”

The officials in the hall were immediately furious and shouted out.

“Envoy of the divine martial Kingdom, you’re so arrogant!”

Emperor Feng Lin’s eyes narrowed, and a cold glint flickered in them.

The moment he opened his mouth, he was asking him to surrender. Furthermore, his tone was so arrogant. This divine martial Kingdom had gone too far.

“Arrogant? That was only natural! Why don’t you guys take a look at the current reputation of my divine martial Kingdom? we even destroyed the Asura Kingdom. Your tiny maple forest kingdom is really nothing and can be destroyed with a wave of our hand!”

The envoy sneered.

“You’re looking for death!”

The officials in the hall were completely enraged.

“What a good” can be easily destroyed “!”

Emperor Feng Lin laughed in anger, his eyes filled with killing intent.

If it was before, he would not have dared to kill. But with Emperor Shura and Mount Yulong backing him up, he was confident.

“What’s wrong? If you don’t want to surrender, then just wait for my divine martial Army to arrive!” The emissary looked around and sneered, “Emperor Feng Lin, it’s up to you to deal with this divine decree!”

As he spoke, he looked at Emperor Feng Lin and threw the divine decree over.

Emperor Feng Lin stretched out his hand and grabbed the divine decree.

He snorted coldly and looked angry. The next moment, he was about to crush the divine decree.

“This ... This is ...?”

At this moment, the divine decree in his hand suddenly shook, and a monstrous black light surged out.

“Poison?”

He was shocked and subconsciously wanted to throw the divine decree out.

The divine decree trembled, and rays of divine light shot out from within, transforming into figures that surrounded him.

He looked up and his body trembled as if he was struck by lightning.

They were all sun god powerhouses, divine generals of the divine martial Kingdom, and ... Emperor shenwu!

“You ...”

When he saw Emperor shenwu, his head buzzed and he was completely dumbfounded.

What was Emperor shenwu doing here?

What was going on?

“Is that ... Emperor shenwu?”

“What’s wrong?”

Everyone in the hall was also stunned.

Didn’t we agree to persuade them to surrender? Why did he play dirty? even Emperor shenwu had come personally!

“Brother Fenglin, I’m sorry!”

Emperor shenwu grinned. In the next moment, his body shook, and his aura exploded. He raised his hand and pressed forward.

Emperor Feng Lin finally regained his senses and was about to attack.

Even though Emperor shenwu was a seven-star great venerable, which was one star higher than him, this was the maple forest imperial capital, his home ground.

“Hmph!”

However, at this moment, a cold snort exploded in his ears like thunder, causing his mind to tremble.

“This is ...?”

He looked to the left and was dumbfounded.

Then, his eyes widened, and his face twisted in extreme fear.

On his left, there was a dazzling figure standing there. His aura was deep and profound, like a deep abyss or a prison. It was the terrifying nightmare that lingered in his mind!
