

The Mightiest Little Peasant Chapter 3498

“It’s you! It’s you, Yingluo!”

Emperor Feng Lin shrieked.

His face was filled with panic, and his body trembled violently in fear.

At this moment, his soul was almost scattered.

He was a terrifying and heaven-defying monster and a nine-Star Master!

“I surrender! I surrender! I’m willing to surrender ...”

Then, he shouted until he was almost exhausted.

Facing such a peerless figure, he had no chance of winning. In fact, he couldn’t even run away and would be killed here.

“What’s that?”

In the hall, many people also recognized this figure. They were so shocked that their bodies trembled, and many of them even sat down and fell to the ground.

This was the mysterious genius who had shaken the entire East Province!

“I surrender!”

“Emperor shenwu, no, Emperor shenwu ...”

Plop! Plop!

The figures knelt down one after another, prostrating on the ground and trembling.

“Kill them all!”

Tang Hao shouted at Emperor shenwu without even turning his head.

“Alright!”

Emperor shenwu turned around and dashed toward the ministers in the hall.

Whoosh!

Tang Hao’s figure flickered, and he appeared in front of Emperor Feng Lin, striking down with his palm without mercy.

Emperor Feng Lin was shocked, and he raised his palm to block.

However, in the next moment, his palm exploded.

The opponent was too powerful!

Although he was in the seven-star realm, the battle prowess that erupted was nine-star level. It was not something that he, a peak six-star, could withstand.

Peng Peng Peng!

Tang Hao's palm slammed down, blasting Emperor Feng Lin apart.

When it was almost done, he raised his hand and put it into the sky-swallowing jar.

At that moment, Emperor shenwu, divine general Fei Long, and the others had subdued most of the people in the hall.

There were a few sun gods and mid-stage ones, but the divine Martial Emperor, who was a seven-star great venerable, could suppress them easily.

Emperor shenwu suppressed these people into a cauldron, then carried the cauldron and dashed toward Tang Hao.

"Alright!"

Tang Hao nodded and accepted it.

"Hahaha! This old man Feng Lin deserves it!"

Emperor shenwu smacked the Dragon Throne with his palm and burst into laughter.

The Fenglin Kingdom was destroyed just like that!

“You guys go!”

He then turned to divine general Feilong and the others.

“Yes, Your Majesty!”

“Yes, general!” Divine general Feilong bowed respectfully.

When he was leaving, he turned around and looked deeply at the dazzling figure.

Although he could not see the person’s face clearly, he could hear a familiar voice. It was very similar to a person, which was hard for him to believe.

Even though he was extremely puzzled, he did not dare to ask.

Because he knew that this person’s identity was not something he could ask about.

At this moment, not far away from Fenglin country, a few figures were rushing by.

“This old man shenwu is really arrogant. He’s even trying to persuade us to surrender! What a joke!”

“If we can use the Fenglin country as our base and join forces with the Suzaku country and the experts from Mount Jade Dragon, we will definitely be able to stop the divine martial country!”

They discussed as they moved forward.

They all looked happy.

To them, this was a great opportunity to win over the maple forest kingdom and use them as their base to achieve their goal of balancing the divine martial Kingdom.

“Woof! This divine martial old man is good at cultivation, but he’s only good at governing a country. He’s so smug that he made such a stupid move, which gives me a chance!”

The leader was Emperor Shura.

He sneered, and a smug look appeared on his fierce face.

When it came to playing tricks, he was many levels higher than Emperor shenwu.

“Old man shenwu won’t do!”

The few people behind him laughed again, their eyes full of mockery.

“Soon!”

After rushing for a while more, the Fenglin country was already in sight.

At that moment, they increased their speed and entered Fenglin country, heading towards the imperial capital.

“What ... What is that?”

As they neared the imperial capital, they looked up and were instantly stunned.

In the majestic Imperial City, there was a shocking explosion of fire, and countless people fled in all directions.

“His Majesty is dead!”

“The divine martial Kingdom has already conquered the Imperial Palace!”

Such exclamations rang out continuously.

The few of them stopped in their tracks, dumbstruck.

They were completely dumbfounded!

This ... What was going on?

Didn't they say that Emperor shenwu had only sent an envoy to persuade them to surrender?

How could it be that in the blink of an eye, the maple forest Imperial Palace had been conquered, and even the maple forest emperor had died?

That's impossible!

No matter how weak Emperor Feng Lin was, he was a peak six-star and an old monster who had cultivated for thousands of years. How could he die so easily?

“Something’s wrong!”

Shura Emperor came back to his senses, still in disbelief.

He knew how powerful Emperor Feng Lin was. How could he have died?

Even if he couldn’t defeat that terrifying demon, he could still run away!

It was very difficult for people at this realm to die, so he didn’t believe it.

“He really died! He’s been suppressed!”

“I don’t know either, what’s going on! The emissary was the only one who came, but a group of divine generals from Scandinavia came out of the palace later on. Even Emperor shenwu came.”

He grabbed a few people who were running away and interrogated them.

After hearing this, he was stunned again.

He seemed to have understood what was going on.

“What a deep scheme!”

When he came back to his senses, he sucked in a breath of cold air and was extremely shocked.

This was a brilliant plan!

On the surface, Emperor shenwu appeared to be arrogant and egoistic. He had ordered the emissaries to surrender, but in reality, he had secretly ambushed the emissaries, entered the Fenglin Imperial Palace, and attacked Emperor Fenglin when he was not paying attention.

Just like that, they easily suppressed Emperor Feng Lin and captured the imperial capital.

Si si si!

After the rest of them understood, they also sucked in a breath of cold air.

Such a scheme was truly amazing!

“I didn’t expect Emperor shenwu to have such a strategy!”

Someone sighed.

He had been mocking Emperor shenwu earlier, but he had been slapped in the face in the blink of an eye.

“Oh? How could Emperor shenwu come up with such a plan?” The Shura Emperor sneered, his face full of disdain.

He was well aware of Emperor shenwu’s moral conduct. He was a little clever, but he was far from that level. This was definitely not Emperor shenwu’s plan.

“Who is that?”

“Who else could it be!” As the Shura Emperor spoke, he cast a deep glance at the maple forest imperial capital. His eyes were filled with extreme fear.

He believed that the one who came up with this scheme was definitely that mysterious monster!

He was also the one who suppressed Emperor Feng Lin!

A monster with heaven-defying talent was already very terrifying. What was even more terrifying was that this monster was very smart. It was simply a nightmare to make such an enemy!

“Let’s go!”

He turned around decisively and dashed out. He ran faster and faster, almost as if he was fleeing in a panic.

That monster was too terrifying!

He didn’t want to take revenge now. He just wanted to run as far away as possible.
