

The Mightiest Little Peasant Chapter 3506

“This ...”

Mu Hanyan looked up at the man, feeling a little awkward.

This was Chen Qingsong, the young master of the Chen family. He was also a flawless genius and was quite famous in the East continent.

However, she was not very interested.

That was because he was not even as good as himself, and she had always treated him as a friend.

These days at the Chen family, she had also felt his enthusiasm. The Chen family's attitude of trying to matchmake them made her feel extremely embarrassed.

“Hanyan, how is it? My brother is handsome and has a good character. As for my Chen clan, our strength is also not bad. We are completely qualified to have a marriage alliance with your divine martial Kingdom. How good would it be if we join forces?” Chen Rong 'er was still trying to persuade him.

“Rong-er, stop messing around!”

Chen Qingsong hurriedly berated.

This kind of thinking, it was enough to just point it out. If he kept persuading her, the effect would be counterproductive and it would cause sister Hanyan to feel resistance.

“Brother, I'm just saying good things for you!”

Chen Rong 'er pouted.

She also knew when to stop, so she didn't say much.

“Hanyan, you should think about it carefully. There's no hurry ... Speaking of which, do you really not know where the power behind your divine martial Kingdom comes from?” She furrowed her brows and revealed a curious expression.

Recently, the small divine martial Kingdom had been spamming the news and causing a stir in public opinion. Even in the Far West region, most people were talking about the divine martial Kingdom.

“That's right. You're the divine martial Kingdom's divine general Fei Feng. Don't you know anything about this situation?”

Chen Qingsong also said.

Mu Hanyan shook her head.

In fact, when she heard the news about the divine martial Kingdom, she was also dumbfounded.

She didn't know that there was such a heaven-defying demon behind her divine martial Kingdom!

To be able to battle a nine-star as a seven-star, a flawless-level genius would not be able to do so. It must be a perfect-level.

As for perfect grade geniuses, there were not many in the entire divine realm.

She had once thought that the divine martial Kingdom didn't have the support of any major power because those formations came from her fiancé. It was a misunderstanding by outsiders.

It was only now that she was sure that there really was such a thing. She could only say that Her Majesty had hidden it very well.

Seeing her shake her head, Chen Qingsong, Chen Rong 'er, and her sister were all disappointed.

They had wanted to sound her out and find out the identity of the mysterious force from her mouth, but now it seemed that she really knew nothing.

"Your Emperor shenwu is really powerful!"

Chen Qingsong sighed.

Emperor shenwu must be extraordinary to be able to obtain the support of such a force.

"I heard that your divine martial Kingdom has already destroyed the maple forest, Vermillion Bird, and Asura kingdoms. Your territory has expanded by many times. Perhaps it won't be long before you become a great divine Kingdom." Chen Rong 'er said with some envy.

Originally, the divine martial Kingdom was just a small divine Kingdom with no reputation. It was far inferior to his Chen clan, but now, its reputation had far surpassed his Chen clan.

"It's a pity that I wasn't there to see it with my own eyes ..."

Mu hanyan sighed, feeling very regretful.

She had been away for the past few months and had missed it perfectly.

Chen Qingsong smiled and was about to say a few words of comfort when he suddenly saw someone from outside the garden rushing over and shouting, "Young master, someone has come to our door and said that miss mu invited you."

He was stunned at first, then his face darkened.

It must be that perverted Bandit surnamed mu!

"So fast!"

He snorted softly, feeling very unhappy.

In any case, that guy's current identity was sister Hanyan's fiancé in name.

"Let him in!"

He waved his hand and shouted.

"Yes, young master!"

The man responded and turned to leave.

A moment later, he brought a young man in white to the garden.

"His appearance is not bad, but his character ... Is trash!" Chen Rong'er looked over and sized him up. She couldn't help but sneer.

Whether it was his background, talent, or character, this guy was not good.

Chen Qingsong also sized him up, his eyes filled with disdain.

Tang Hao sized them up, but he was not bothered by their attitude.

"What's the matter?"

He walked towards Mu Hanyan and asked directly.

"Yes ..."

Mu Hanyan pursed her red lips and was about to speak.

"There's nothing else for you to do!" Beside her, Chen Rong'er was the first to speak. She waved her hand and said, "with your ability, you can't help at all. You'd better go back! My Chen family doesn't welcome people with bad conduct!"

Her face was full of disgust, and she almost told him to get lost.

"I don't think ... I'm talking to you!" Tang Hao lifted his eyes and looked at her coldly.

"You ..."

She was furious, but she could not believe that this guy dared to talk to her like that.

She was the Chen family's little princess, her status was so noble, but this guy was just a shameless lecher!

Chen Qingsong's face also darkened.

This guy really didn't know what was good for him!

"Rong 'er, don't be angry. And you too. Don't be rash. Everyone, sit down and talk properly." Mu hanyan hurriedly stood up and tried to persuade her.

"Hmph! For the sake of hanyan, I won't stoop to your level this time!"

Chen Rong 'er snorted angrily.

She glared at Tang Hao, then turned away.

"Rong 'er, big brother Chen, you don't know this, but he has an extraordinary talent in array Dao. I'll let him try. Maybe he can really break that layer of array technique." Mu hanyan added.

"Him?"

Chen Rong 'er scoffed, but she didn't believe him.

"Sister hanyan, so many masters have tried, but they still can't break it. With just him ... How is it possible!" Chen Qingsong laughed.

However, he felt that it was a little ridiculous.

Could it be that this guy's array Dao attainments could surpass those group of Masters?

"There's no harm in letting him try!"

Mu hanyan said.

"Good! Since sister hanyan has said so, I will give him this chance!" Chen Qingsong laughed, putting on a magnanimous look.

Tang Hao glanced at him, and his mouth twitched.

He had only been here for a while, but he could already tell that this fellow had improper thoughts about mu Hanyan.

However, it was no wonder. Just based on mu hanyan's looks, which young man in the world would not be charmed by her?

"Let's go! Where is the array?"

He waved at mu Hanyan.

Before he came, he had already guessed that this person had invited him here because of an array. Now that he looked at it, he was right.

“What’s the rush? just wait a little longer. My Chen family has already gone to the sea and invited a few famous masters. They’ll be here in two or three days at most. We’ll go together then and save ourselves the trouble of making an extra trip.”

Chen Qingsong said.

He didn’t believe that this guy could break the formation, so he didn’t want to waste his time.

“I see!”

Tang Hao mumbled to himself as he looked at mu Hanyan.

Since she had asked him to help, he naturally had to see what she wanted.

“Then we’ll wait!”

Mu hanyan hesitated for a moment, but still nodded. “You’ll stay here with me for a few days.”
