

## The Mightiest Little Peasant Chapter 3507

“Alright!”

Tang Hao nodded. “Oh, where do I live?”

“Of course you’ll be living outside. Do you want to live in my Chen family? Are you even worthy?”

Chen Rong ‘er laughed.

Tang Hao furrowed his brows when he heard that.

“Then I’m really going to stay in the Chen family, and I’ll be living with her!” He sneered. As he said that, he pointed at mu Hanyan.

“You ... Who are you, how dare you live with hanyan!”

Chen Rong ‘er was enraged. With a bang, she slammed the table and stood up.

Chen Qingsong’s face also darkened.

This guy actually wants to live with sister hanyan?

He was really looking for death!

Why didn’t he take a look at what he was? was he worthy of sister hanyan?

“How am I not worthy? I’m her husband!”

“Either I stay with her at the Chen family’s house, or I move out with her,” Tang Hao said coldly.

“You ...”

Chen Rong ‘er was so angry that her face turned red.

To the side, Chen Qingsong’s face had turned extremely gloomy.

“Alright, there’s no need to argue anymore. Rong ‘er, he’s my fiancé after all and I was the one who invited him here. You’ve gone too far by treating him like this. Since you don’t welcome him, I’ll move out with him!”

Mu hanyan stood up and said.

“Hanyan, how can you do that? he’s a pervert, have you forgotten?”

Chen Rong ‘er said anxiously.

She couldn’t believe that hanyan would actually speak to him.

“I’ve already said that he’s my fiancé after all!”

Mu hanyan’s tone turned colder.

Chen Rong ‘er was stunned. Seeing her determined face, she couldn’t help but feel a burst of regret.

She had kept this man to create an opportunity for her brother. Now that he was gone, the opportunity would be gone.

“Rong ‘er, big brother Chen, I’ll be leaving first. When the master arrives, you can inform me again!”

As mu hanyan spoke, she turned around and walked out of the pavilion.

“Little sister hanyan!”

Chen Qingsong was also a little anxious. He stood up and called out, wanting to keep her.

However, the figure had already walked out quickly.

“How could it be like this!”

Chen Rong ‘er stood in place, dumbfounded.

“Rong ‘er, your tone just now was a little too much. She was invited by sister hanyan, you have to give her some face.” Chen Qingsong sighed.

“I ... I was doing this for you, brother. I just wanted to give that guy a blow and make him retreat. I didn’t expect him to be so ungrateful.” Chen Rong ‘er said angrily.

“That guy ... He really doesn’t know what’s good for him!”

Chen Qingsong looked outside. His eyes narrowed, and his gaze was incomparably sinister.

It was true that they were in the wrong, but that guy didn’t know what was good for him, which was the main reason.

“Why did he leave?”

In the garden, a figure suddenly appeared out of thin air. It was a burly middle-aged man with a dignified face.

He looked in the direction of the gate with a surprised expression.

“Father!”

The brother and sister quickly greeted him respectfully.

“It’s like this!”

Chen Qingsong briefly explained what had happened just now.

“I see!”

The Chen clan head nodded.

“Fiancé!” Then, he frowned and muttered to himself. His eyes were not kind.

He had heard of this mu fellow before. Wasn’t he just Emperor shenwu’s puppet? he was not worth mentioning.

“This might be an opportunity!”

He said after a moment.

“Father, what do you mean?”

Chen Qingsong was stunned.

“That mu guy is her fiancé in name. He is also the biggest obstacle in your way of getting her. Now that he is here, isn’t it our chance?” The Chen clan head said.

“The biggest obstacle? It can’t be! Sister hanyan doesn’t even like him. It’s Emperor shenwu who arranged the marriage!”

Chen Qingsong asked, puzzled.

“You are really a blockhead. Who is this mu person? He’s Emperor shenwu’s puppet, his trusted aide, and also Emperor shenwu’s means of controlling mu Hanyan. Do you really think that Emperor shenwu would agree so easily to marry off a flawless-grade genius?”

The Chen clan head laughed.

“If we don’t get rid of him, we won’t have a chance at all. But if he dies, our chance will come.”

After hearing this, Chen Qingsong pondered for a while before coming to a realization.

“Father, you really can see through it!”

He clapped his hands and said in joy, “then how do we deal with him? I heard that this person also has the strength of two or three stars of the sun god Realm ...”

“This ... Isn’t it simple!” The Chen family master smiled and said, “in a few days, aren’t you going to explore the ancient God’s cave dwelling in the sea? the bottom of the sea is quite dangerous ...”

“Oh! I understand!”

Chen Qingsong was even more delighted.

“That’s great! That guy deserves to die!”

Chen Rong ‘er looked outside the door and sneered.

-----

“You’re really giving me face!”

Tang Hao said with a smile as he looked at mu hanyan after they left the Chen family.

He had thought that this person would refuse.

“I don’t want to live in the Chen family either. They’re ... A little too enthusiastic!”

Mu hanyan shook her head and said.

She could clearly see the Chen family’s thoughts. Her heart was as clear as a mirror. She had actually not wanted to live in the Chen family for a long time. Now, she was just using this as an excuse to get out.

“Where are we going now? Should we go to a nearby divine city and get a room?”

Tang Hao said.

“A room?”

She was stunned, not quite understanding the meaning of this word.

“Oh! It’s just renting a cave, the meaning is similar!” Tang Hao said.

“Alright!”

She nodded.

“One or two?”

Tang Hao said.

“Just one!” She said.

“One? Do you really want to live together?”

Tang Hao was surprised.

He was just saying it just now and couldn’t be taken seriously.

“What’s wrong? Didn’t you say so yourself?” She stopped in her tracks and looked over. Her snow-white chin was raised slightly, and a smug look appeared on her face, as if she was saying, “why are you so afraid?”

“Alright! If you’re not afraid, what do I have to be afraid of?”

Tang Hao mumbled.

“I’m not afraid either!” She said with a smile.

She was a three-star sun god, and there was no drug that could knock her out. Furthermore, this guy’s strength was not strong enough to use force, so she was not worried at all.

“Good! Then let’s go get a room!”

Tang Hao mumbled. He led the way toward the nearby divine city.

She smiled and followed him.

“You’ve been in the divine martial Kingdom recently, right? what’s going on? Who was that heaven-defying monster? Have you seen it before?”

She asked as she flew.

“What? You don’t know either? Aren’t you His Majesty’s trusted aide? Some people even say that you’re His Majesty’s illegitimate son, and that even you don’t know about it!”

“How’s the situation at the divine martial Kingdom? I heard that after the Asura Kingdom, the maple forest kingdom and the Vermillion Bird kingdom were also destroyed. Did you go there?”

She kept asking, throwing out all the questions she had in her mind during this time.

Tang Hao made up a random lie to deal with it.

A moment later, the two of them arrived at the nearest divine city and walked in.
