

The Mightiest Little Peasant Chapter 3508

Sea god city.

Two figures walked in.

The originally lively Street instantly fell silent. Everyone's eyes focused on the two figures. To be precise, they were on The Woman in White on the right.

Many people were in a daze, and their eyes flashed with obsession.

"You're quite charming!"

Tang Hao mumbled.

He wasn't surprised, he was just sighing.

Mu Hanyan's beauty was the ceiling of the beauty world. Among the many stunning beauties he had seen, she was also top-notch. It was normal for her to cause such a sensation.

Moreover, the gods race was different from the immortals.

Immortal cultivators had to go through all kinds of tests along the way. Some of them had a transcendent mentality after cultivating to become Immortals, and they might no longer be interested in the matters between men and women.

However, the Shen clan's growth was very simple. Even when they reached the Yang God Realm, their state of mind did not change much. In fact, some of their desires would even become stronger.

Beside him, mu Hanyan raised her face slightly.

She was already used to this kind of situation, but she was still a little proud to be able to get his praise.

"Do you two want to rent an immortal's cave? Two or one?"

"Just one!"

"Aiyo! You're so blessed, Sir!"

The two of them walked into the place where they rented the cave abodes, and caused another commotion.

The people inside were sizing mu Hanyan up. When their gazes fell on Tang Hao, they were filled with envy, jealousy, and hatred.

"You two, this is the heaven-tier key, take it!"

After getting the key, the two went to the top floor.

It was a tower with multiple levels. Each level was a cave. It didn't look big, but there was a universe inside.

"Not bad!"

She opened the door and walked in. Mu hanyan looked around and nodded in satisfaction.

After all, it was a heaven-grade restaurant, and all the facilities were quite luxurious.

"It's alright!"

Tang Hao mumbled as he walked around.

"Just alright?" She asked in surprise.

In her opinion, this was already very good. Even the place she lived in was not as luxurious as this.

"I'm short of something. Otherwise, the business here would be even better. "

Tang Hao had thought of many ways to earn money.

This was also his habit.

"What is it?"

Mu hanyan was startled and a little surprised.

This place was for people to rest. Those who needed it would naturally come and rent it. Those who didn't need it wouldn't come.

"This bed is a little too hard. If it were a little softer and a water bed instead, it would be even better. I'll also put some medicine at the head of the bed and make the atmosphere a little better. Then, it would be the perfect hotel for sex." Tang Hao said as he rubbed his chin.

In the divine realm, there were plenty of caves and inns like this. There were also many in the divine martial country's imperial capital. However, they were all too serious and didn't lean towards the type of fun.

This was an undeveloped blue ocean, and there was a lot to be done.

"Not only medicine, but also whips and handcuffs to meet the needs of different groups of people." Tang Hao was still pondering.

Mu hanyan was stunned when she heard this.

A water bed? A whip?

What the hell is this?

Her beautiful eyes widened, filled with curiosity and confusion.

As pure as she was, she had no idea what these things were.

“You don’t know?” Tang Hao was surprised.

“I don’t know!”

She shook her head in confusion and asked curiously, “waterbed? Was the bed made of water? That’s strange, how could water be used to make a bed? could it be that it was fixed in place by a spell? Also, what’s the use of this thing?”

“Ahem!”

Tang Hao coughed. He was a little embarrassed.

She was too pure, and he didn’t know how to explain it.

“The water bed is used for exercise.”

He pondered for a moment and said.

“Exercise? What kind of exercise?”

She blinked her eyes like a curious baby.

“It’s ... The kind of exercise in bed.” Tang Hao said.

“Ah?”

Her beautiful eyes widened again. At first, she was at a loss. Then, her face turned red, almost to the root of her neck.

She was pure, but she wasn’t stupid. She immediately understood what this so-called bed exercise was.

“Bah! Shameless!”

She gritted her teeth and groaned, then glared at Tang Hao.

However, this glance was not lethal at all. With her shy expression, she looked even more lovely.

Tang Hao took another glance at it and mumbled, “You asked yourself. I didn’t beg you to ask.”

“You ... You’re the one who brought it up. You’re shameless!”

She snorted.

She felt that this guy must have done it on purpose to tease her.

She turned her face away and was ready to ignore him.

However, after a while, she couldn't help but turn back and ask in a low voice, "The water bed you mentioned, what does it look like?"

She was really curious.

Since she was young, she had been cultivating every day and had little contact with men. Therefore, she didn't know much about the affairs between men and women, let alone new things like a water bed and a whip.

"It's probably like this!"

Tang Hao gave a simple explanation.

"Oh!"

She finally understood what he meant and nodded in realization. Her beautiful face turned even redder.

It was really too embarrassing!

Who invented this thing?!

This guy was truly a perverted Bandit, he even knew about such things!

She thought to herself.

Then, he glared at her.

"Strange skills and dirty tricks!"

She rebuked.

"This isn't crooked, it's called fun!" Tang Hao retorted.

"If I say it's crooked, then it's crooked!" She snorted and said with a proud look, "Oh right, you said that there was a water bed. Where's the whip?"

"You really want to know?"

Tang Hao hesitated.

She was too pure in that aspect. He didn't want to taint her.

"Say it! What can't you say?"

She said.

“Alright then!” Tang Hao nodded, then explained in detail the whips ‘uses, as well as their strange habits.

“This ... This works too?”

“There’s such a person?”

Her pair of beautiful eyes were wide open throughout the entire process, and her red and moist little mouth also opened wide from time to time.

She was completely shocked. She felt as if a whole new world had opened up in front of her.

“Hu!”

After she heard that, she heaved a long sigh of relief and regained her senses.

“There are really all kinds of people in this world!”

She sighed.

“That’s not it!”

Tang Hao said with a smile.

“Good thing I’m normal!” She patted her chest in relief.

“How would you know if you haven’t tried?”

Tang Hao joked.

“I ... I haven’t tried it, but I’m very normal. I know it!” She raised her face and snorted. “You, on the other hand, know so much. It must be abnormal. You must have used whips a lot! You’re too scary. I have to stay away from you!”

As she spoke, she got up and shifted her butt to the other side.
