

The Mightiest Little Peasant Chapter 3512

Chen Qingsong stood there in a daze.

He looked around in a daze. Looking at this barren world, he only felt a wave of dizziness.

It was too clean!

He had never seen such a clean world!

Was that guy a demon?

It's fine if you took away the treasure, but why did you pull out the grass? Are you crazy!

He roared madly in his heart.

"This ..."

Chen Rong'er followed him in and looked around. Her eyes suddenly widened, and her eyeballs almost popped out.

What the hell was this place?

It was too clean!

"F * ck!"

When the few grandmasters came in to take a look, they were also dumbfounded.

Even mu hanyan's eyes were twitching non-stop as she watched.

"You ... You ..."

Chen Qingsong only came back to his senses after a long while. He turned to look at Tang Hao and raised his trembling hand. He was so angry that he could barely speak.

"It has nothing to do with me!"

Tang Hao spread his hands and looked innocent. "It was like this when I came in. Maybe someone came here before!" Al! This person is really too much, picking it up so cleanly!"

As he said that, he even revealed an angry expression.

Chen Qingsong's face twitched as he listened.

"You ..."

His face turned ashen, and he trembled even more violently, almost spitting out a mouthful of blood.

He had never seen such a shameless person in his life!

He was clearly the one who did it, but he still put on such an innocent look.

“I really didn’t do it. There’s no point in looking at me.”

Tang Hao shrugged his shoulders. He had a ‘what can you do to me’ expression on his face.

“Good! Very good!”

Chen Qingsong gritted his teeth so hard that his teeth were about to break.

I’ll let you be arrogant now, but I’ll see how you die later!

He cursed in his heart.

“Let’s keep looking, maybe we’ve missed something. ” He didn’t believe it and was ready to search carefully and pick up the scraps.

“Alright!”

The three grandmasters responded.

They felt that there might be other mysteries to this place.

However, when they searched carefully, they found nothing. The world was really clean.

“Powerful ... Powerful!”

Master Xu’s face twitched a few times as he bitterly smiled.

He had lived for so long, but he had never seen such an outrageous person. This was the first time he had ever seen such a person, and it could be considered an eye-opener.

“Let’s go!”

Chen Qingsong’s face was gloomy as he rushed out.

When he was outside, he took out the divine boat and returned the way he came.

“Something’s not right!”

After driving for a while, mu hanyan’s expression suddenly changed. She stood up abruptly and swept her gaze across the sea in all directions.

“What’s wrong?”

Chen Qingsong said, feigning ignorance.

“There’s a ferocious beast, very strong! Hurry up and run!”

Mu hanyan shouted.

She could feel that there were extremely powerful fierce beasts lurking in the surroundings, watching them.

She wasn’t surprised. This was the depths of the sea, and there were many yang God beasts here, including many terrifying great venerable rank existences.

“Alright!”

Chen Qingsong replied. However, he didn’t immediately increase his speed. He continued to drive at a constant speed.

In the next moment, the divine boat suddenly stopped. The void around it had been frozen by a powerful force. Furthermore, this force was squeezing the divine boat’s shield and was about to burst it.

“I can’t hold on any longer, let’s go!”

Chen Qingsong shouted.

Then, with a bang, the shield shattered, and the divine boat deformed and began to crack.

On the ship, everyone rushed out.

“This way!”

Chen Qingsong called out loudly as he flew over.

The rest of the figures rushed toward him and gathered again.

“That was so dangerous! It must be a great venerable rank beast!”

Master Xu’s face was pale and his heart was filled with fear.

Great Paragon level beasts were the overlords of the sea, and their strength was terrifying beyond compare.

Only great Paragon rank experts could contend against them. Early stage yang gods like them could only run for their lives.

“Eh? Where is he?”

Mu hanyan composed herself and realized that she had disappeared again.

She activated her divine eyes and looked around, but she couldn't find any traces.

"He might have run in the other direction! Doesn't he also have the strength of two or three stars of sun god? he shouldn't die. It's fine!" Chen Qingsong said, "let's go back to the Chen family. We'll see him there."

"This ..."

Mu hanyan hesitated.

But thinking about it carefully, it made sense.

That guy was not weak, so there should not be any problems.

She nodded her head.

"Then let's go!"

Chen Qingsong laughed as he led the way.

Before he left, he looked into the distance at a sea, and a cold light flashed in his eyes.

The Chen family's plan was going smoothly.

That guy would die without a doubt!

———

"This is ...?"

Tang Hao was currently looking around.

He was no longer at the bottom of the sea, but in another space.

Just a moment ago, when the divine boat was about to explode, he had rushed out and sensed a spatial power coming at him and enveloping him.

With his strength, he could have dodged it, but he didn't. He wanted to see what was going on.

Very quickly, he had a rough guess in his heart.

"Hahaha! Little brat, it's easy to enter this place, but it's hard to get out!"

Accompanied by a burst of laughter, a figure appeared not far ahead. It was a middle-aged man.

He looked over with a proud expression.

Since he had already taken him in, then the plan had succeeded. This brat would not be able to escape even if he had wings!

Whoosh! Whoosh! Whoosh!

The next moment, several more figures appeared beside him. They were all mid-stage yang gods, around five or six stars.

“Chen family?”

Tang Hao glanced at it and raised an eyebrow.

“That’s right!”

The middle-aged man nodded and said, “you’re quite smart. You saw through it at a glance.”

“There are so many mid yang gods here. Who else could it be?”

Tang Hao said.

“Then you should know why we want to kill you. If you’re smart and surrender, we can give you a quick death!” The man shouted coldly.

Tang Hao did not reply. He looked around, then shook his head and sighed. “What a pity!”

“What’s a pity?”

The man was stunned.

“He must be thinking that he hasn’t lived long enough, so he said it’s a pity!” Another Chen clan high holiness sneered.

Tang Hao shook his head. “No, I just think that there are too few of you. It’s not enough for me to kill. That’s why it’s such a pity!”

“What ... What?”

All the Chen clan’s Supreme venerable were dumbfounded.

They could not believe their ears.

This guy was too Savage!

The seven of them were high holiness, yet they were being looked down upon by a brat at the initial stage.

“You have guts!”

“Brat, you’re looking for death!”

They were all furious and scolded him sternly.

In the next moment, boom boom boom, bright divine light shot into the sky from the bodies of the seven people. There was also a surging Qi strength that wildly spread out.

“Owwuuu!”

Along with a deafening Dragon’s Roar, a huge Blue Dragon appeared. The aura it emitted was actually at the seven Star great venerable realm.
