

## The Mightiest Little Peasant Chapter 3520

It took Tang Hao seven days to set up the new formation.

He had set up the original formations more casually. Now that he had tidied them up, he had set up a few more, and there were exactly 36 formations.

The few extra ones were all used to hide the secrets of heaven.

After setting up the formation, he was idle again.

He was almost done with the refinement of the immortal spirit body, he just needed the materials.

He didn't want to go out either. He was afraid that Zheng Tong and the others would catch him and drag him to that indecent place again. The day and night before had tormented him to death. He didn't want to do it again.

"There's still eight days before the original spirit Association!"

He pinched his fingers and counted the days.

just like that, he waited for six days before mu hanyan finally arrived.

"you're living quite a carefree life, aren't you? you keep one in the house and hook up with a bunch of them outside. you're really free and happy!"

mu hanyan's pretty face was as cold as ice.

"a group?"

Tang Hao was surprised.

When did he hook up with a group of beautiful women?

"Still pretending! Aren't they the ones in the Jade Lake Pavilion?"

Mu hanyan gritted her teeth and her beautiful eyes were about to spit fire.

"Oh! Those few!"

Tang Hao was embarrassed.

He would not be able to clear his name even if he jumped into the Yellow River.

However, he wasn't going to take a shower.

"There's no difference between one and five!" He had a matter-of-fact expression.

“You ...”

Her beautiful eyes widened, and the anger in her heart rose.

This guy was thick-skinned, so of course he didn't care. However, she was thin-skinned, so this matter was all embarrassing for her!

“Hu!”

Her full chest heaved up and down rapidly. After a long while, she finally let out a long sigh of relief and calmed down.

He was right. There was no difference between hooking up with one or five. There was nothing for her to be angry about.

“Are you here to discuss the matter of the primordial spirit association with me?”

Tang Hao asked when he saw that she had calmed down.

She nodded and said, “I've just met with His Majesty. He said that we'll leave tomorrow. So, I came to inform you. I don't want you to go to the Jade pool pavilion and fool around again.”

“How is that possible?”

Tang Hao mumbled.

“Who knows!” She gave him a sidelong glance and snorted. “Oh right, do you know about the Chen family?”

“Chen family? What's wrong?”

“The Chen family is gone. It's such a big deal. Haven't you heard?” She asked in surprise.

“Oh! You mean this? I've heard about it.” Tang Hao nodded. “I heard it's revenge from an enemy!”

She squinted her eyes and stared at Tang Hao for a while before shaking her head. I'm afraid I'm thinking too much again. How could such a big thing have anything to do with him? this guy is just a licentious pervert!

The corners of her eyes twitched again when she thought of the Legend of the Dragon and five phoenixes.

“I'll be leaving first. Gather at the palace tomorrow!”

She snorted and turned to leave.

“You're so angry!”

Tang Hao mumbled to himself and closed the door.

The next morning.

He left the residence and headed towards the Imperial Palace.

“They’re here! They’re here!”

Emperor shenwu and mu hanyan were already in front of the hall. When they saw him, Emperor shenwu immediately greeted him warmly.

“This time, it’s up to you two. You husband and wife must work together ...”

Emperor shenwu held Tang Hao’s hand and greeted him warmly. He even kept pushing him toward mu Hanyan.

“Your Majesty, you ...”

Mu hanyan was dumbfounded.

‘Is this ... Really His Majesty, who is usually so cold and majestic?’

This contrast was too great!

She had never seen His Majesty treat anyone so warmly before. Even the other princes didn’t receive such treatment!

She glanced around and looked at the two of them. Her gaze suddenly became strange.

After boarding the flying boat and leaving the imperial capital, she finally couldn’t hold it in anymore and asked, “What is your relationship with her Majesty?”

“What relationship? It’s a relationship between officials!”

Tang Hao asked, surprised.

“Just a subject?” She obviously didn’t believe him.

You want to lie to me? No way!

She snorted to herself, but she was even more certain that this guy was the emperor’s illegitimate son.

“In the past, I thought that Your Majesty was looking for a shield for me. Now, it seems that I was too naive. Your Majesty really wants to match me with him. However, Your Majesty has never thought that I would like someone like him?”

“No matter how blind I, mu hanyan, am, I will never fall for him!”

She said to herself.

“Why are you standing there? Have some tea!”

Tang Hao greeted her with a smile.

“Hmph!”

She raised her head and rolled her eyes.

Then, she moved over unwillingly.

The flying boat traveled for a few hours and took another teleportation formation. In less than a day, they arrived at their destination, Xuanji Yuan Ling Island.

This was a floating island, hanging high above the clouds.

At this moment, many divine lights were coming from all directions and gathering on the island.

This primordial spirit Association was held once every hundred years. Any well-known force in the East continent could be invited to participate, so it was quite lively.

“Look! It’s the divine martial Kingdom!”

“The divine martial Kingdom is here!”

When their flying boat approached, there was a low commotion on the island.

On the island, there were many moving palaces and divine boats floating. Many gazes peeked out from within and swept over.

A year ago, not many people knew the name of the divine martial Kingdom. But now, everyone in the East continent knew the name.

In the entire East continent, only the divine martial Kingdom dared to go against Jade Dragon Mountain and even had the upper hand.

It was said that the divine martial Kingdom had the support of a supreme power outside the East continent.

“Isn’t that miss mu?”

“It’s her! Who’s that beside her?”

After seeing the two people on the swift Boat clearly, there was another commotion on the island.

Many young men’s eyes fell on that graceful figure, revealing a bit of heat and infatuation.

“It’s him!”

Very quickly, someone recognized another figure.

“Who is he?”

“He is miss MU’s husband. Oh, not yet, he is not married yet.”

“What? He’s that mu ... Perverted Bandit?”

The island was in an uproar.

Everyone’s gazes suddenly became complicated. Some were filled with disgust, while others were filled with admiration.

They had all heard of this mu name. Especially recently, news of him fighting against the five great immortal cards of the heavenly sunflower Palace by himself had spread from the divine martial imperial capital. This caused quite a stir.

Those who hated him criticized him for being unbridled and immoral, while those who admired him regarded him as a God and praised him.

“So it’s this guy. This Emperor shenwu is really too much. It’s his first time participating in the primordial spirit assembly, and he sent such a shameless guy!”

Immediately, a young man screeched and mocked.

“What do you mean shameless? how is he shameless? isn’t he much better than you?”

Then, someone retorted.

The two groups of people quarreled and looked like they were going to fight if they didn’t agree.

In such a lively atmosphere, the divine martial Kingdom’s flying ship slowly sailed over and finally arrived on the island.

“Keke!”

A gentle and alluring laugh suddenly rang out.

The quarrels on the island stopped immediately.
