

## The Mightiest Little Peasant Chapter 585

Gentle music played in the venue hall, which created a harmonious atmosphere.

Numerous figures shuffled about the venue while holding wine glasses. Laughter and chatter could be heard everywhere.

The earlier commotion was a trivial matter not worth paying attention to.

Tang Hao leaned against the door and looked inside. His gaze never left that beautiful figure.

She was undoubtedly the most dazzling existence in the entire hall. Every frown, every smile, and every gesture she made exuded a breath-taking charm.

Most of the men in the venue would discreetly glance at her from time to time.

Their gazes were eager, and some looked infatuated.

Tang Hao laughed drily. That situation was not unfamiliar to him. It would happen every time he went out with Qin Xiangyi.

A while later, she said to the people around her, "I'm going to the bathroom!"

She put down her wine glass and walked toward the exit.

When she reached the door, she cast a flirtatious look at Tang Hao and beckoned at him. "Go to the bathroom with me!"

She bit her supple lips as she said that. It was an expression with equal parts of charm and seduction.

Tang Hao was very familiar with this expression.

Tang Hao was instantly excited, and he quickly followed her.

The bathroom was some distance away. After walking through the corridor and turning into a stairway, she suddenly turned around and pushed Tang Hao into a corner.

Then, she kissed him passionately.

He was almost out of breath before she let him go. Her cheeks blushed intensely, and her gaze was unfocused.

“You were so handsome just now, Lil Tang!” She chuckled.

She leaned in closer and kissed him passionately.

Not a sound could be heard in the corridor, except for the thumping of their heartbeats.

Their passions were churning.

“This isn’t a good place!” Tang Hao said, surprised.

“Are you stupid? We’re not going to do it here! You remember why I left the hall, right?” Qin Xiangyi glared at him.

“The bathroom?”

“Yeah! We haven’t tried that before, right? Shall we?” She whispered into Tang Hao’s ear.

Tang Hao’s urges were roused, and he said, “Yes, why not?”

‘F\*ck! This is so exciting! Why the hell not?’ He thought.

She threw a flirtatious glance at Tang Hao, took his hand, and walked out of the stairway and toward the toilet. She stepped inside and confirmed that no one was inside, after which she came out and beckoned at Tang Hao.

After a long time, the two of them came out of the bathroom and returned to the venue as if nothing had happened.

Tang Hao leaned against the door and rubbed his nose. He thought to himself that such capers were indeed exciting.

The exchange meeting continued. It finally ended about an hour later, after which the crowd gradually dispersed.

“Let’s work together in the future, Boss Qin!”

“Keep in touch, Boss Qin!”

At the hotel entrance, the people shook hands with Qin Xiangyi one after another before leaving the scene.

After driving the car over, Tang Hao opened the door and invited her in. He sat in the driver's seat and drove away.

"How was it?"

Through the rearview mirror, Tang Hao could not help but ask when he saw her face full of joy.

"Not bad! I found a lot of business!" Qin Xiangyi said with a smile, "It's a fruitful trip!"

Then, she smiled charmingly and said, "Your performance just now... was also very good! Here's your reward!" As she said that, she leaned over and gently kissed Tang Hao's cheek.

"Now... let's go home!"

She leaned back in her seat and smiled sweetly.

It was a little past nine o'clock at night.

Provincial City was lively even at night. Both sides of the streets were brightly lit and crowded with people.

She leaned against the car window and looked outside aimlessly.

"Lil Tang!"

"What's up?"

“Nothing! I just wanted to call your name!”

After a while, she called out again, “Lil Tang!”

“Yes?”

“Let’s not go back so quickly, OK?” She said coyly.

“Where are we going then?”

She pointed a finger upward.

“Let’s go stargazing! You haven’t brought me there for a long time!”

“OK!”

Tang Hao parked the car at the city center. After which, he carried her and rode the wind.

“Wow! So beautiful!”

She hugged Tang Hao tightly and looked around.

All she could see were dazzlingly bright lights.

They flew to the top of the building and sat down leaning against each other.

The night wind in October was a little cold.

She lazily crawled into Tang Hao's arms.

"Lil Tang, how many stars are there in the sky?"

"Let me count. One, two, three..." Tang Hao started counting intently.

Qin Xiangyi giggled. "Silly boy! You're really counting!"

"Lil Tang, Lil Tang..."

She asked many funny questions and giggled.

The night was getting late.

She gradually became sleepy, and her eyes gradually closed.

"I'm so sleepy! Let's sleep here!" She yawned and said lazily.

"OK!"

Tang Hao spread out a blanket, carried her, and laid her down.

“Let’s sleep!”

“Okay! Good night!”

She burrowed into Tang Hao’s arms and fell asleep soon.

After she fell asleep, Tang Hao gently got up and covered her with the blanket. When he turned around, his expression darkened with strong killing intent.

‘That Du Rong must die!’

He leaped down the building and dashed away.

Earlier, he had planted a soul tracer on Du Rong’s body. By following the soul tracer, he came to a hotel in the city center.

As he got close, he heard the sound of heavy panting coming from the room.

Tang Hao peeked inside and could not help but roll his eyes. There were two women and a man on the bed. The man was obviously injured; his right arm was in a cast slung around his neck.

“How do you even do it in that state? Do you want to die?”

Tang Hao pondered for a moment before sneaking into the room through the wall. He waved his arm, spread a wisp of smoke, and sneaked out of the room through the wall.

The smoke would intensify one's pleasure and make one even more excited until their heart eventually stopped.

Furthermore, it was completely untraceable.

With Tang Hao's influence and strength, it would not have been a problem if he killed Du Rong straightaway.

However, there would still be trouble, and he was afraid that it might affect Qin Xiangyi.

Tang Hao did not want that to happen. He did not want Qin Xiangyi to be involved.

All he wanted was for her to be happy and carefree.

After waiting outside for a while, he suddenly heard a scream from inside.

"Boss Du, what happened to you?"

"He's... he's dead!"

The two women ran out of the room in a panic.

Tang Hao sneered and left.

Back at the top of the building, Qin Xiangyi was sleeping like a baby, as though she was dreaming of something.

“Lil Tang!” She mumbled in her sleep.

The corners of her lips curled up into a blissful smile.

Tang Hao smiled when he saw this. He bent down and kissed her gently on the cheek. His eyes were filled with affection and tenderness.

Then, he gently lifted the blanket, lay down next to her, then reached out and hugged her.

He closed his eyes and fell asleep very quickly.
