

## The Mightiest Little Peasant Chapter 687

“You villain...”

The Zheng cultivator struggled and shouted again.

Tang Hao rolled his eyes, thinking that this fellow was quite gutsy.

At that moment, he stepped even harder.

If that idiot had used his head for a bit, he would not have been deceived by the Liu family and caused so much trouble. Not only that, he had injured the people from the Agency.

No, he had to teach him a lesson he would not forget.

He did not show any mercy as he stomped down. Very soon, the cultivator’s head was swollen like a pig’s. His screams of agony broke the awkward silence from time to time.

“Oh my god! This villain is merciless. It’s not enough that he kills someone, he has to torture them!”

“Poor Senior Uncle!”

The Sky Mountain cultivator regarded the scene with fear.

“Shut up! If I were a villain, all of you would have died long ago! You don’t even know that you’ve been manipulated!” Tang Hao stomped down viciously and turned around to shout.

Everyone was instantly stunned.

'He's not a villain?

'What? That can't be!

'He's so savage. How can he not be a villain?'

After thinking about it carefully, it seemed to be the case. This fellow might be savage, but he did not kill anyone.

Was it just a misunderstanding?

They almost popped a vein when they thought about that.

Just because of a misunderstanding, they had attracted a full Perfected Person and nearly caused the downfall of Sky Mountain. How unlucky!

"Go and bring out the Liu family members!" Tang Hao shouted coldly. "You'll have to ask them if you want to know the truth."

Everyone looked hesitantly at the Elder.

Xie Zhengyang got up from the ground with a gloomy expression. He shouted, "Go and bring them out. I won't forgive them if they lied to us!"

A few Sky Mountain disciples got up and walked up the mountain.

The others got up one after another and heaved a sigh of relief. From the looks of it, their lives were no longer in danger.

However, all of them were dejected and dispirited.

A single person had defeated the entire Sky Mountain today. What a disgrace!

Soon, the Liu family members were brought to the plaza. A group of about ten people followed behind the Sky Mountain disciples and walked with trepidation.

When they saw the situation on the plaza, they were stunned.

How was that possible?

The faces of the Sky Mountain cultivators were pale as if they had been seriously injured, while that Tang kid stood there unscathed.

The faces of the Liu family members turned pale.

The situation did not look good for them!

“Liu Yunlai, you said that he is a villain. He crippled your entire family and killed your grandson. Is this true?” Xie Zhengyang questioned.

Liu Yunlai’s expression changed, and he panicked.

However, his expression quickly returned to normal. A hint of hatred appeared on his face as he said, "Of course it's true. I can swear to the heavens."

Xie Zhengyang was stunned and looked at Tang Hao in puzzlement.

"Why don't you ask him why I killed his grandson and crippled his entire family then! Last time, I only crippled them and didn't kill them. That's showing them a lot of mercy," Tang Hao grunted coldly and said.

Liu Yunlai hurriedly explained, "Don't listen to him, Senior Xie. It was only a small conflict, yet he killed him. Moreover, he is a senior, but he is bullying us juniors. Isn't he a villain?"

Xie Zhengyang frowned. Perhaps Tang Hao had overreacted.

Tang Hao said coldly, "A small conflict? You really know how to twist the truth, Liu. Your grandson attacked my closest kin, and you call that a small conflict?"

"What?" There was an uproar all around.

"No! It's not like that. Senior Xie, you mustn't listen to his nonsense. It's not like that at all!" Liu Yunlai hurriedly said, a little flustered.

The people of Sky Mountain could easily see what was going on.

"Very well! Liu Yunlai, you've deceived us. How dare you! Get lost immediately, get out of Sky Mountain!"

Xie Zhengyang could not contain his anger.

“Listen to me, Senior!” Liu Yunlai panicked.

Without the protection of Sky Mountain, only death awaited them.

At that moment, Tang Hao sneered, “You don’t have to get lost. We’ll settle it here!”

As he spoke, he took out a gun and walked forward.

The Sky Mountain cultivators were immediately shocked and wanted to stop him.

“Who dares stop me?”

Tang Hao shouted coldly. His gaze was as sharp as lightning.

Those people immediately fell silent and did not dare to step up.

“Save us, Senior!”

Liu Yunlai rushed toward Xie Zhengyang and fell on his knees.

Xie Zhengyang’s facial muscles twitched. ‘There’s no use begging me! I’m not a match for that guy!

‘You’ve brought this upon yourself for offending such a monster!’

Immediately, he turned away. Out of sight, out of mind.

The other Sky Mountain cultivators turned around as well.

Seeing this, Liu Yunlai's body trembled, and his face turned ashen.

"I've spared your life once, Liu. You're the one who squandered your chance!"

Tang Hao towered in front of him.

After a moment, he smiled mockingly and raised the muzzle of his gun.

Bang!

The bullet hit between his brows, and blood spurted out.

His body swayed and fell down.

He delivered shot after shot to each of the Liu family members.

When the last person fell, Tang Hao heaved a sigh of relief.

Then, he put away his gun.

"Fellow... Fellow Cultivator..."

Xie Zhengyang hesitated for a moment and shouted.

The other cultivators addressed Tang Hao as their senior.

Tang Hao turned around and looked at them coldly. "Don't call me Senior. I don't deserve the title. All of you are much older than me!"

Everyone laughed when they heard that.

'This senior does know how to tell a joke!

'He should be about two hundred years old, as old as the Elder, but he says that he's younger than all of us. How funny!'

Xie Zhengyang also laughed and said, "You're a real joker, Fellow Cultivator!"

Tang Hao said coldly, "I'm not joking with you. I'm only twenty years old this year! Also, don't ever cross me again. Otherwise, I won't be as courteous!"

As he said that, he walked toward the stairs.

Everyone was stunned and stood there in a daze.

They did not come back to their senses for a long time.

'Twenty years old?

'He must be joking!'

A twenty-year-old cultivator in the State of Foundation Establishment. How was that possible?

They tried to laugh but could not, no matter how hard they tried. From that guy's tone of voice, he did not sound like he was lying. Moreover, there was no reason to lie to them.

However, that was too ridiculous!

"What a freak!"

When they came to their senses, their faces turned pale.

Xie Zhengyang wiped off cold sweat. "Could it be that... the world has undergone a great change after so many decades? How else can we explain the appearance of that freak?"

"Elder... What should we do?"

"What should you do? Seal the mountain! No one is allowed to leave! Ah, all you whelps! Look at that guy, then look at yourselves! Can't you be like him?"

"From today onward, all of you better train hard. Whoever dares to slack off, I'll beat him to death!"

His angry roars resonated in the plaza.
