

The Mightiest Little Peasant Chapter 926

“Divine ape bone? Interesting!”

Tang Hao glanced at the fellow and muttered.

“Come!”

Shentu Meng took large strides and walked over.

Thud! Thud!

Every step he took caused the ground to tremble. His stride became faster and faster until he was running. He transformed into a stream of golden light and shot over.

In the blink of an eye, he had arrived in front of Tang Hao.

Bang!

Tang Hao used his palm to block the attack, which caused him to take a few steps back.

Shentu Meng roared as he threw repeated punches. The afterimages of his fists filled the sky.

“Oh my god! Both of them are monsters!”

Everyone felt a chill when they saw that.

“Haha! What do you think, kid?” Shentu Meng laughed heartily and threw out another punch.

“Tsk! What’s the big deal about a dead monkey?” Tang Hao sneered.

Shentu Meng’s expression darkened instantly.

Dead monkey?

That kid was insulting him! It was a divine ape with a noble bloodline, not any random primate.

“F*ck! How dare you insult me? I’ll kill you!”

Shentu Meng was furious. He roared, activated the power of the divine ape bone, and attacked crazily.

“You’re an ape, but I’m a f*cking dragon! Get lost!”

Tang Hao roared and threw out a punch.

Bang!

The two fists collided, resulting in an earth-shattering explosion.

The spreading qi ripples caused the ground to crack.

Shentu Meng’s expression changed. His eyes immediately widened in shock. He felt that his opponent’s fist had suddenly erupted with shocking power.

He grunted, and his body shot backward like a cannonball.

“Damn! That’s quite fierce!” He cried.

Before he could land on the ground, Tang Hao had already closed in on him.

Bang! Bang! Bang! He threw out punch after punch.

Shentu Meng’s body was quite resilient. He did not die after more than ten punches, though he had vomiting blood.

“Hey, brat, I surrender! Let’s meet another time and fight. We can even have a drink!” Shentu Meng panicked and shouted hurriedly.

“Meet your sister!”

Tang Hao rolled his eyes and punched harder.

“F*ck! How do you know that I have a sister?”

Shentu Meng was shocked as he stared at Tang Hao in disbelief.

Tang Hao was speechless. He punched again and dispatched him.

“Oh my god! Even Shentu Meng lost!”

“How strange. How did he know that Shentu Meng has a sister? She’s quite pretty!”

Everyone exclaimed. Some of them began to wonder if that guy had been to Treasure Trove Mountain before.

“Anyone else?”

Tang Hao looked around once again and shouted.

“It’s my turn now!”

Another person jumped down. It was none other than the Hillrazer Sect’s Xie Tian.

“You must be quite exhausted by now, right? I’m here to take revenge!” Xie Tian laughed brazenly.

Tang Hao did not say anything as he charged forward.

“Hey, damn! Why is he still so energetic? This is ridiculous!”

Xie Tian was beaten until he covered his head and scurried away. In the end, he was sent flying with one punch.

“Next!” Tang Hao shouted.

“It’s my turn! I, Fengbo Cang, am here to fight you, villain. Your reign of... ahh!”

The person from the Rainmaker Tribe was sent flying into the sky before he could finish his sentence.

“Next!”

The people continued jumping out, sometimes in groups. However, they did not manage to kill the villain and become the hero, but instead were sent flying into the sky.

“Anyone else? Come down here and stop wasting my time!”

After killing another person, Tang Hao shouted.

This time, no one dared to reply.

The remaining prodigies were all quite hesitant. They did not know what was going on, but that guy seemed to be more and more vicious the more he fought.

They began to assess their chances of winning against that guy.

The result was depressing. No one could be a match for that guy in a one-on-one fight. They could not bring anything to the Void Realm, but that guy had a piece of a dragon’s bone in him.

That was almost like cheating! How would they be a match?

For a moment, they felt extremely sullen.

The sect leaders were even more sullen.

Almost everyone considered a prodigy in the Ninth Continent was there, but they could not do anything to that kid. That was really too embarrassing!

“What about if... we all charge together? I don’t believe that he can hold on for too long if we run him over!” Someone said angrily.

“Right! We’ll kill him with numbers!”

Everyone agreed in unison. They could not bear to watch any longer.

“Let me do it!”

Someone from Primeval Mountain shouted.

In an instant, everyone fell silent.

“That voice... F*ck! Is that kid going to fight the supervillain?”

Everyone turned their heads and looked in the direction of the Primeval Mountain forces.

A figure dressed in green robes stepped out from the crowd. He had a handsome face, and his entire body was covered in bright light.

His eyes were as clear and bright as the stars.

Illusory images of stars and constellations appeared and disappeared around him.

Tang Hao looked up and was surprised. He could tell that the guy was an expert.

“It’s Dao Jiu! Dao Jiu is going to fight!”

Everyone cried out in surprise.

“Dao Jiu? That’s a strange name!” Tang Hao muttered.

“Go, Senior Brother Dao Jiu! Kill him!”

“You’re dead once Senior Brother Dao Jiu makes his move, you brat!”

The disciples from Primeval Mountain shouted excitedly.

Tang Hao sneered and said, “If you’re really that powerful, why didn’t you stand out just now? You’re only trying to take advantage of me!”

Dao Jiu lightly flicked his sleeves and smiled. “That’s because I thought that you don’t deserve my time. Now, I’ll have to make a move and take you down a notch.”

His expression was calm as he spoke.

“F*ck! You’re too pretentious!” Tang Hao could not stand it anymore. That guy was the most pretentious person he had ever seen.

“Do you think that no one can defeat you? In the real world, I can destroy you with one hand. Here, I can also destroy you! I’ll kill you every time I see you. Let’s see if you dare wreak havoc in the Void Realm,” he spoke arrogantly with his hands behind his back.

The people from the other factions were somewhat displeased. However, they had to admit that Dao Jiu was probably the only person in the Void Realm who could stand up against that supervillain.

Dao Jiu’s techniques were exquisite, and his cultivation base was unfathomable. He was known as the number one person among everyone in the younger generation.

Tang Hao rolled his eyes and flipped the bird at him.

Dao Jiu grunted coldly and said, “Looks like I’ll have to convince you with my power. You shall bow to the might of Primeval Mountain!”

He took a step forward, and points of divine light appeared on his body.

First, there were three chakras on his chest, then two on his shoulders. Next, there were two points of light lit up on his feet.

“Seven... seven chakras! When did that guy unseal seven chakras?”

There was an uproar all around.
