

## **MIGHTY SK 1131**

### **Chapter 1131**

Hao Xiaogang went straight home after he finished his work.

His heart is very depressed, depressed almost want to hit the wall.

Originally, he just planned to go to the water to relax and roll the sheets with Nana.

But now it's not good. Not only did he not relax well, he was beaten in the face and kicked out of the tire, but he also lost 100 million in vain. How could he not be depressed.

However, Hao Xiaogang didn't dare to tear up the check and didn't admit it. After all, Wang Fan was too cruel. He was afraid that Wang Fan would kill him.

As soon as Hao Xiaogang got home, he felt that something was wrong with the atmosphere.

Not only his father Hao Dagang sat in the living room with a gloomy face, but also his sister Hao Qingqing.

"Dad, sister." Hao Xiaogang's heart thumped. Did his father and sister know what happened on the water?

"You still have dad in your eyes? You still have my sister in your eyes? " Before Hao Dagang spoke, Hao Qingqing was already angry.

She stood up and pointed at Hao Xiaogang. She hated the iron but not the steel. "Hao Xiaogang, you can do it. How can you spend a hundred million yuan to hire bodyguards?"

"Do you think our family's money comes from strong winds? Do you think it's easy for my father and I to make money, and you can make anything you want? "

Hao Qingqing raised her head, cold eyes, domineering, "it's not a problem that you are extravagant, it's not a problem that you change luxury cars and women every day, and it's not a problem that you don't do business."

"But it's good of you to spend 100 million to hire bodyguards. You are really good. What bodyguards are so expensive?"

She was obviously very angry, "according to you, even if we Hao family have more family background, can you build it?"

Hao Qingqing is as angry as a hen.

she looks thirty out of her head, full of name brand and expensive perfume.

Her aura is also very strong. At first glance, it is the temperament tempered by her long standing in a high position, far from those fake goods who have short-term training in order to achieve a certain purpose.

Hao Qingqing's face is also very beautiful, with oval face, willow eyebrows, long and narrow eyebrows, delicate facial features and white skin.

She is wearing pink wavy curls, two big earrings on her white and tender ears, and a light color on her red lips. She is charming and sexy.

Her figure is also very good, protruding forward and backward, with suspenders hanging on her shoulders, revealing two delicate white shoulders. The capital of the upper part is also enough. Through the sporadic gaps of the collar, you can also catch a touch of attractive white greasy.

She was wearing a pair of loose Capris, straight legs, half leg exposed, crystal like jade.

The jade feet are covered with white crystal high heels. The thin heels make her slim. Ten exquisite toes were painted with orange coloured nail polish.

But at this time, her eyes are full of anger, very domineering, that momentum, it is estimated that the fierce men who have experienced many battles, will be suppressed.

Hao Xiaogang can't help lowering his head in the domineering atmosphere of his elder sister. He is very angry and under pressure.

On the outside, although he is domineering, he is the top in the circle. But at home, he has the least position.

He is not only afraid of his father Hao Dagang, but also of his sister Hao Qingqing. Because he was almost scolded by his sister from childhood to adulthood.

"Sister, I love you." He opened his mouth difficultly. He was about to explain, but Hao Qingqing interrupted him impolitely, "don't call me elder sister. I'm not your elder sister, and I don't have a black sheep brother like you."

She also pointed out her delicate hand to Hao Xiaogang, "bring the boy's business card, but Hao Qingqing wants to see what's sacred about this guy, what kind of bear heart and leopard gall he ate, and dare to blackmail my Hao family for 100 million."

She also snorted, with no doubt in her voice, "besides, it's not so easy for you to call immediately, report the loss of that check, and take 100 million yuan from my Hao family for nothing!"

"Ah?" Hao Xiaogang opened his mouth wide, "sister, isn't that good? That guy is a bit shameless, but he really saved my life. "

For the first time, he summoned up the courage to refute his sister, "although Hao Xiaogang is not a thing, he is still trustworthy. How can I go back on my promise? I can't do that! "

Hao Xiaogang said, but also hardened his head to say what happened on the water.

If his father and sister didn't know about these things and didn't make such a big fight, he might have concealed them.

But now, even though he knew that his father and sister would be more dissatisfied if he said it, he still chose to say it.

After Hao Xiaogang finished the story, he added, "Dad, sister, that's what happened. That guy really saved my life. We can't break our faith and regret."

"What's more, people like him are the ones who kill people without blinking an eye. What if they offend others and come to kill them? A few days ago, many families were killed. We can't follow them

Hao Qingqing listened to this, immediately angry, "you mean, he is the gang of criminals?" "Since he's a criminal, he can't get away with it. Call the police immediately to report the loss of the check

Hao Qingqing's words were full of anger. "I don't believe it. Evil can win justice. He really dares to kill my Hao family. If you give him a hundred million, he will probably harm more people. We must not help tyranny! "

Hao Xiaogang's face is bitter. He hates the guy who informs his father and sister. If it wasn't for that guy, there would be so many things. Just now, he can't ask who that guy is.

Ding.

Hao Xiaogang is not sure what to do when suddenly, Hao Qingqing mobile phone rings.

After she got on the phone, her eyelids jumped, she hung up immediately, and then sneered, "what a brave man! I'm going to cash that one hundred million check now. Are you afraid of a long dream?"

"You don't call me, do you? I'll call myself. I'll go and see what's holy about this guy now. Dare she touch me in broad daylight?"

Hao Qingqing said angrily and left the villa with high heels.

Although Hao Qingqing had heard of what happened a few days ago, he didn't pay much attention to it.

First, without seeing her with her own eyes, she could not believe that there were so lawless people in the world.

Second, she has also practiced Sanda, taekwondo and karate for several years. Generally, ten or eight strong men can't get into her body. She also has confidence in her strength.

Banks.

Wang fan is also depressed. As soon as he looks at the expression of the beauty manager, he knows that Hao Xiaogang must have cheated, or reported the loss of this check.

This made him very unhappy. He didn't expect that Hao Xiaogang was so bold that he even dared to tease him.

But he wanted to go, but he was delayed by the beauty manager intentionally or unintentionally. He said that he was going through the procedure, going through the formalities, and it would be ready soon. Let him wait a little longer.

Wang Fan has been wandering in the world for so many years, but he is not a rookie. How can he not see that the beauty manager has a plan?

In his heart, he cursed the beauty manager for deceiving people. When Mimi would become smaller and there would be no one on it, he sat down with a smile on the surface.

He would like to see what the beautiful manager, or Hao Xiaogang, wants to do.

I don't know how long in the past, just when Wang Fan yawned and was about to fall asleep, daddada, a burst of rapid and loud footsteps came in from the outside.

Wang Fan just turned his head, creaked, the door was pushed open, followed by a tall beauty with more than ten bodyguards, arrogantly ran in.

Hao Xiaogang shrugged his head and followed him with a helpless face.

## **Chapter 1132**

Wang Fan takes a look at Hao Qingqing and Hao Xiaogang. He immediately realizes that it is not Hao Xiaogang who plays with himself, but the woman who plays with means.

Wang Fangang plans to question Hao Xiaogang, but before he has time to speak, Hao Qingqing has stepped forward and pointed to Wang Fan's condescending voice, "are you the Wang Fan who blackmailed Wang Fan of Xiaogang's 100 million yuan?"

She stepped on the floor, making a clattering sound, a finger also points to Wang Fan, powerful, very domineering.

Wang Fan opened his mouth, "elder sister, I love you."

"Don't call me big sister. I'm not your big sister." Only when he said three words, he was interrupted by Hao Qingqing.

"All right." Wang Fan gave a wry smile, "that sister, I'm sorry."

"Don't call me sister. I'm not your sister, and I don't have a brother like you." But he still only said a few words, he was interrupted by Hao Qingqing again.

Hao Qingqing is a powerful mess.

Wang Fan was a little depressed. He could only be in line with the rules, "this lady, here's the thing, Hao Xiaogang."

However, this time he still did not finish what he said, he was interrupted by Hao Qingqing for the third time.

Hao Qingqing took two steps forward again and stood directly in front of Wang Fan. His upright posture and towering mountains gave Wang Fan a sense of oppression.

She pointed at Wang Fan and said coldly, "I already know what happened. I don't want to hear you narrate it again. I just want to ask if you are Wang Fan. You just need to answer my question."

Wang Fan listen to this, almost spit blood, NIMA, also let people talk, can you still let people finish speaking, can you still speak some reason?

He looked up at Hao Qingqing, then shook his head decisively, "I'm not."

"What did you say? You are not? Dare to do it or not? Dare not admit it? Are you still a man? " Hao Qingqing was stunned at first, and then he opened his mouth with a gun.

"where's your courage to blackmail my brother for 100 million? Where's your courage to cash a check? Why, now I dare not admit it? "

When Hao Qingqing was angry, her whole body was trembling, and the pair of pride in front of her chest began to fluctuate violently. Scared Wang Fan quickly moved back to move the body, he was afraid that he was accidentally blown up.

After keeping a safe distance, Wang Fan said calmly, "since you know I'm wang fan, what else do you ask me to do? I have nothing to do when I'm full?"

He said gently and politely, "and I didn't blackmail your brother. That's the reward your brother offered

me to protect him."

"If you don't believe me, I have a video here to show you the whole process. I promise I don't mean to coerce you at all."

Wang Fan didn't like Hao Qingqing's attitude, so when he spoke, he also kept a needle in his pocket. "If it wasn't for me, your Hao family would not have spent 100 million, but 1.08 billion."

"Of course, it's also possible that you won't spend a cent, but I'm afraid your brother can't stand here perfectly."

Wang Fan also pointed to his nose, "I saved your brother, or risked his life to save him, you don't appreciate me just, but also to frame me for blackmail, this is really good?"

"Originally, what you love and I want, he pays, I protect, legal and reasonable, how can it become blackmail?"

"Do you think your brother should die, or his life is not worth 100 million? If so, you think I didn't say anything. "

Hao Qingqing listened to Wang Fan's words, his face was very angry, "sharp teeth and sharp mouth! Hao Xiaogang is stupid, but it doesn't mean that Hao Qingqing is also stupid! "

"Even if you turn white into black and you can live the dead, it will not change the fact that you blackmail my brother!"

She was strong and overbearing and unreasonable. "I heard you killed five people on the water, right? You're a murderer. Even if you can take out the video, what's the persuasion? "

"Who would believe a murderer? Blackmail my brother, dare to distort the facts here, believe it or not, I'll call the police and arrest you now? "

Wang Fan listen to this, finally can't help but stand up, he didn't say a word directly pinch out the mobile phone, handed to Hao Qingqing, "come on, give you mobile phone, you report now."

Wang Fan's voice became cold, "you insist in front of me that I'm blackmailing your brother. Later, he said, "I'm a murderer. No one will believe me even if I show evidence."

"Don't you think your words are contradictory and you're beating yourself in the face? If I am really blackmail, even if there are videos, what can I do and what is the significance? What does it have to do with being a murderer? "

"And who told you that I was a murderer? If I was a murderer, do you think I would be here to reason with you? How dare you show up in the bank? "

Wang Fan impatiently waved his hand, "Hao Qingqing, right? I don't talk nonsense with you. A hundred million is what I deserve. It's natural."

"If you hao's family give it to me, I'll take it as if you didn't show up, and it didn't happen today." "But if you dare not, don't blame me for being impolite. I'll talk to a lawyer directly."

No fear.

Hao Qingqing was so stupid that she didn't think that Wang Fan was not afraid to call the police when he killed someone, and she was so confident.

But she soon came back to herself and said, "are you scaring me? When I dare not call the police? I'm not afraid of Hao Qingqing! "

She said, directly took out his cell phone, dial a phone.

Just a few minutes later, she was completely stupid. Tian Jigou five people are wanted at large. The police have identified Wang Fan as self-defense, and are still looking for Wang Fan to reward him.

Wang Fan looked at Hao Qingqing's ugly face and sneered.

If he killed ordinary people and was exposed, it might be a lot of trouble. But he killed Tian Ji Gou five people, there is no such hidden danger.

Tian Jigou five people are related to the big case of some time ago. In the eyes of the police, they are first-class special bandits and extremely dangerous people. Naturally, they don't have to pay legal responsibility to kill them. What's more, Wang Fan still has an official identity.

"Well, you're lucky, but you're dreaming of a hundred million dollars from the Hao family! Here's ten million. Take it if you want. Don't throw it away. Goodbye

Although Hao Qingqing was unwilling to eat, she still had to bite her teeth and swallow them in her stomach.

She swished out ten million cheques, slapped them on the table, then turned around and left.

However, before she came out of the door, Wang Fan's faint voice had already spread out, "ten million, I'm not rare."

"You hao family framed me, ruined my reputation, and failed to fulfill your promise to pay. Let's see you in court."

Wang Fan grabs the check and tears it to pieces. "I also hope you hao family don't ask me again. I won't

take your list again."

Hao Qingqing looked at the ten million cheques torn to pieces by Wang Fan. Her eyes suddenly shrank, and then she said, "don't worry, my Hao family has self-protection, and we can't afford to ask you!"

With that, bang, slam the door out.

Obviously, Hao Qingqing didn't understand the meaning of Wang Fan's words. Wang Fan's words meant that Wang Fan would not take any list about the Hao family.

Hao Xiaogang looks at Wang Fan with an ugly face. He wants to say something, but in the end he doesn't say anything. He can only follow Hao Qingqing to leave.

Wang Fan drank the tea on the table, gave the beautiful manager a smile and left here.

"Son of a bitch, I'm so angry, I'm so angry. What do you dare to be so arrogant to me, Hao Qingqing?"

After Hao Qingqing stepped out of the bank, she gritted her teeth angrily. She was angry at Hao Xiaogang, "it's all you, it's all you. If it's not for your failure, it's not for your waste, it's not for your brain water, how can I be so angry?"

Hao Qingqing is obviously self-conscious. She is not aware of her own problems, as if the whole world owes her.

Hao Xiaogang was sprayed completely, just lowered his head and didn't say a word.

Hao Qingqing was even more angry when she saw him. She was going to continue to scold him.

Sobbing.

A car parked not far away suddenly sped over.

With a creak, the tire rubs against the ground and makes a harsh sound. Then the car stops spinning and the door opens with a click. Two men wrapped in black towels jump down and aim at Hao Qingqing!

### **Chapter 1133**

Hao Qingqing's reaction was not slow. Almost when the car stopped spinning, she already looked at the car.

When two men wrapped in black scarves rushed to her, she reacted first, and at the same time, she gave the order, "stop them for me!"

Her pretty face became distorted, and her eyes flashed through the dark, and she pointed to two men to drink coldly,

"in broad daylight, she dared to play and commit murder. If there is any royal law, take it to me, and then take it to the Public Security Bureau!"

Hao Qingqing also added, "dog day Wang Fan, even dare to come with me to this hand, it is to seek death!"

"Even if you're not a murderer, I'll put you in jail if you dare to direct others to deal with me!"

Obviously, Hao Qingqing thought that these two people were sent by Wang Fan. After all, she only hit Wang Fan in the face with her front foot, and someone targeted her with her back foot. Wang fan is really suspicious.

Just out of the door of the bank, Wang Fan happened to hear Hao Qingqing's last words, almost no one fell to the ground.

This NIMA was shot while lying down!

With Hao Qingqing's order, more than ten bodyguards immediately responded, then quickly dispersed, and rushed to the two men in pairs.

They don't talk nonsense, they just kill and cool.

These two men feel very dangerous to them, they must play up 12 spirit.

The two men did not expect that Hao Qingqing's reaction would be so fast. He not only retreated in an instant, but also gave orders.

They just slightly a Leng, is soon back to God.

Two people looked at each other, one stopped in an instant, the other was on the ground, with a sound, the whole person rushed to the group of bodyguards.

Act decisively, as fast as a ghost.

"To die!"

"Kneel down!"

The two bodyguards in front of the platoon looked at the scene, their eyelids jumped and roared to cheer them up. Then they waved their fists and feet and blasted at the man.

The kicks and kicks made a buzzing sound in the air, as if they could tear pigs and cows, as if they were tigers!

The man's eyes twinkled with disdain in the face of their fierce attack, and his right hand popped out in an instant.

With a bang, the other person's bare feet were directly grasped by him, just like being clamped by iron pincers.

Then, the corner of the man's mouth flashed a grim smile, wrists suddenly twisted, and then a round!

Click!

Whoo!

When the right leg of the bodyguard was broken, the whole person was also dancing like the wind and fire wheel, and directly hit the other bodyguard.

The two bodyguards collided and made a roaring sound. Then their bones were broken. They both fell to the ground and could not get up again.

Their bodies and mouths are spattered with countless blood, the dazzling red hard impact on the minds of the crowd.

"Lawlessness, it's lawlessness!" Hao Qingqing looked at this scene, and his eyelids jumped wildly. He pointed at the man and said, "you go up together, take him for me, take him for me!"

The voice was sharp and ferocious, and there was an indescribable madness.

At the same time, she suddenly caught a glimpse of Wang Fan, who was not far away from the theater. She was even more angry. "Son of a bitch, do you think it's interesting to play this way?"

"Shameless, brute, shameless! I tell you, I don't want Hao Qingqing to do this. You'll just wait for the end of the prison to wear it! "

Her heart is full of anger, "don't think that if you do this, I will pay you one hundred million or even more hundred million. Don't dream! I'm not an idiot, Hao Qingqing. I'm fooled by you

Wang Fan originally thought whether to help Hao Qingqing or not, but when he heard Hao Qingqing's shameless biting, he immediately gave up the idea.

This woman is so hateful. She is a mad dog who bites people. He is very upset.

While Hao Qingqing was screaming, the other eight people almost rushed towards the man.

But the man was not afraid at all. His body suddenly rushed forward like a sword, and his shoulder bone

But her foot kick in the man, not only did not kick the man down, but also shock her own fall back two steps.

At this time, Hao Xiaogang had already reacted.

"Don't hurt my sister, don't hurt my sister, I'll fight with you, I'll fight with you!" Hao Xiaogang howled, waved his fist and rushed to the man.

There was no dandy on his face any more, but the madness in his hoarseness.

"To die!" The man's eyes are cold, waving is a slap.

With a slap, Hao Xiaogang was patted several meters away and fell to the ground, spitting out his bloody teeth.

The man slapped and fanned Hao Xiaogang, but he didn't look at him again. As soon as he moved, he approached Hao Qingqing again.

He didn't expect that Hao Qingqing had practiced a few times, which made him suffer a little bit. Otherwise, he would have subdued Hao Qingqing just now.

"Son of a bitch, what are you doing?" Hao Qingqing kept retreating and howling, but it didn't help at all.

Hao Xiaogang is struggling to get up, suddenly looked at Wang Fan, "Wang Fan, Wang Fan, help my sister, help my sister, please!"

Wang fan is the last straw in Hao Xiaogang's heart. Although he feels very sorry for Wang Fan, he has no choice at this time.

And he is not like Hao Qingqing. He doesn't believe that they are sent by Wang Fan.

"Ah." Wang Fan sighed, still had no way to stand out.

Although Hao Qingqing is hateful, these two guys who kidnap and rob people in the street are even more hateful.

No matter how upset Hao Qingqing is, he can't watch Hao Qingqing being arrested and taken away in front of him.

He has his own bottom line and can't cross the barrier in his heart.

## **Chapter 1134**

"What you want to do, what you want to do, you can kill me, otherwise, you will wait for the end of the prison to wear it!"

Hao Qingqing looks at the man who is pressing over. He looks desperate and crazy.

She did not give up resistance, but crazy dancing fists and feet, using all means to fight, in order to delay time.

The man originally wanted to stun Hao Qingqing and take him away directly, but Hao Qingqing resisted to death, and he immediately became impatient.

He poked out a hand to open hao Qingqing's fists. His eyes were cold, and he slapped.

When the clear and loud voice came out, several red marks appeared on Hao Qingqing's beautiful face.

She stepped back a few steps, almost fell down, her mouth bleeding, looking pathetic.

"Bitch, be honest with me, or I will maim you first and then take you away!" The man coldly vomited out a threat, stepped forward two steps, reached out and grabbed Hao Qingqing's wrist.

This man is one of the gangsters who robbed women in the street some time ago. His strength is at the peak of the day after tomorrow.

He also came out of the relic City, but at that time, he was enslaved, so he had no status.

Let alone women, even decent beds and meals are luxury for him.

After being sent to the city, they felt that the strength of the people here was not good, and the women outside were showy, so they moved this evil idea.

Hao Qingqing was also noticed by them when he came to the bank. It's just that the places like the banks are important. They didn't dare to break in and rob people, so they stayed outside.

"Why should I go with you? You can kill me. You can kill me if you can."

Hao Qingqing screamed at the bottom of his hoarse voice and yelled, "help, help!"

At this time, she knew how ridiculous her proud strength was in front of men.

The man saw that Hao Qingqing was so stubborn that he became more impatient. He slapped her with his backhand, then picked up Hao Qingqing and left.

But he didn't take a few steps when he saw a man standing in front of him.

This is a young man in his twenties. It seems that human beings and animals are harmless, but it gives him a sense of danger.

"Is it really good to murder, kidnap and rob women in the street? Let her go and wait for the police to come and take you. I don't want to do it. You'd better not force me to do it

Wang Fan looked at the man and said faintly.

In fact, he could have appeared earlier, but he didn't like Hao Qingqing, so he was so late that he made Hao Qingqing suffer.

"What did you say? Let her go? Wait for the police to catch me? "

The man seems to hear a big joke, "who the hell do you think you are? Are you out of your mind, or am I out of my mind?"

He was very angry, but also pointed to Wang Fan, "Damn, I think you are looking for death, get out of my way!"

Said, his foot has toward Wang Fan to kick past.

"I really don't want to do it. Why do you need it?" Wang Fan sighed and did not hesitate to raise his foot to point.

Bang!

A sound, the man was kicked back, the whole right leg snapped off, holding Hao Qingqing's hand because of the pain.

Wang Fan picks up her eyebrows, grabs Hao Qingqing, drags her to her side, points out again, and flies the man out.

The man flew a few meters backward, fell to the ground, covered his chest and legs, and let out a piercing howl. The look in Wang Fan's eyes was full of shock and even fear.

The other man looked at the scene, his eyelids also jumped.

He didn't have to think about it at all, and he knew that he was no match for Wang Fan. Without any hesitation, he turned and rushed to the car parked on the side of the road.

Wang Fan grins coldly and grabs Hao Qingqing's pocket with his right hand without hesitation. He immediately pinches Hao Qingqing's mobile phone and throws it directly at the man.

With a bang, the man's head was hit accurately and fell to the ground with a plop. At this time, the driver of the car was in a bad situation and was about to run away when he started the car.

Wang Fan released Hao Qingqing and rushed out like a tiger and a wolf.

When the other party's car just started, Wang Fan had already rushed to the side of the car and hit it with a hook.

With a bang, the heavy windshield was smashed and the glass debris splashed. The next second, Wang Fan's hand was already carrying dead silence neck to throw down.

Looking at this scene, the whole audience was dead.

It's terrible.

Originally, the man turned over more than ten bodyguards of Hao Qingqing, and the people at the scene thought it was incredible.

Now, Wang Fan easily overthrows them, which subverts people's world outlook.

If it wasn't for the lack of cameras around, they would have thought it was a movie.

Isn't that fake?"Thank you, thank you." Hao Xiaogang was the first one to come back to his senses and said thanks to Wang Fan.

At this time, he had not paid attention to the little contradiction at noon. Wang Fan was very kind to them.

"Thank you for what?" Hao Qingqing interrupts Hao Xiaogang's words and returns to his previous hegemony and sharpness.

She pointed at Wang Fan with an angry expression. "This is clearly the Bureau he set up. What can I thank you for?"

"Son of a bitch, are you going to say that you saved us and we have to pay you several hundred million yuan?"

"I tell you, don't dream. You can cheat other people with this trick. You can cheat me, Hao Qingqing. That's brain water. "

"Not only will I not appreciate you, I will only find you disgusting. I also want to call the police, let the police catch you, let you go to jail

Said here, she seems to think of something, "and, son of a bitch, you compensate me for my cell phone? Who allowed you to touch my cell phone? Pay me at once

People around him admired Wang Fan for his bravery, but when they heard Hao Qingqing's words, they

were shameless.

What kind of people? It's so shameless. Their expression of looking at Wang fan is not good.

"Son of a bitch, you set up the bureau?"

"Zhenima is shameless!"

"How can there be people like you in the world?"

"Such people should be arrested and shot!"

"The fairy dances very smoothly. They've all reached a new level. It's just that the cost of breaking both legs and feet is not too great? "

"Big egg, didn't you hear that he wanted several hundred million yuan? With hundreds of millions in hand, is a broken leg connected every minute? "

Some unreasonable people are still filled with righteous indignation.

Wang Fan feels that he can't bear it any more. This woman is really too much.

He rushed forward a few steps and ran to Hao Qingqing. Without hesitation, he slapped him a few times. Finally, he felt that he could not relieve his anger and made up for it.

Finally, Wang Fan stepped directly on Hao Qingqing and said, "I've met many people who avenge their kindness. But it's the first time I've seen such a person like you."

"To tell you the truth, I shouldn't have saved you! If you are a white eyed wolf, it is estimated that other white eyed wolves will feel that they have been wronged. "

Wang Fan's eyes are very cold, "to deal with people like you, do you think I can use this kind of means?"

"My Wang Fan Group's assets are no less than 100 billion. I'll look at you for a few hundred billion?"

"Do you think too much of yourself?"

What?

Wang Fan group?

Wang Fan?

It's a dead silence!

## Chapter 1135

Wang Fan group, almost no one present did not know.

This is a large company with assets of over 100 billion. It is famous all over the country.

Wang Fan Anbao, a subsidiary of Wang Fan group, has risen in Chuncheng in a short period of one month.

It not only drove away the evil Sanjiang society, but also helped the police to eradicate a lot of criminals and bandits, and won a lot of applause.

It is also rumored that daowumen, which was at the height of the sun in Chuncheng, was uprooted by the Wang Fan group.

That's Daowu gate. How many people have not been bullied by them since they have been in Chuncheng for more than ten years? But the vast majority of people dare to be angry.

It can be said that the fall of daowumen made all the people in Chuncheng applaud.

Now, Wang Fan even said that he was a member of Wang Fan group. How could people not be shocked?

Some attentive people also think of the name "Wang Fan" that Hao Xiaogang called to Wang Fan for help just now. They even feel a click in their heart, and the look in their eyes at Wang fan is even more shocking.

Wang Fan group? Wang Fan? Does this not mean that this man is the big boss behind the scenes of Wang Fan group?

Oh, my God!

Shock!

What a shock!

If this man is really Wang Fan, the big boss of Wang Fan group, no one really believes that Wang Fan will destroy his reputation and set up such a vicious situation for only a few hundred million.

On the one hand, people don't value the money at all; on the other hand, it's totally unnecessary.

Although the Hao family is better than the others in Chuncheng, and although they are also one of the top ten richest people in Chuncheng, they are really not good enough in the eyes of Wang Fan group.

Wang Fan group wants to make money from the Hao family, there are many means, there is no need to set up such a bureau.

"Wang Fan group? Wang Fan Hao Qingqing is also shocked.

Although she knows Wang Fan group, and although she knows that the boss of Wang Fan group is also called Wang Fan, there is no way to connect that Wang Fan with this Wang Fan.

It's too young, isn't it?

It's too low-key, isn't it?

All over the body, clothes add up to less than ten thousand, there is such a low-key 100 billion big boss?

It's unbelievable. It's unbelievable.

But Hao Qingqing knew that Wang Fan didn't have to lie or dare to lie about such things. Even if we look at the whole country, it is estimated that few people dare to impersonate Wang Fan.

Let's not mention the powerful enemies set up by Wang Fan. Even the Wang Fan clique will not allow people who impersonate Wang Fan to exist.

Wang Fan didn't want to answer Hao Qingqing's words at all. He just gave her a light look and left here.

The police have come, and those ancient warriors have no ability to resist. There is no need for him to stay here.

Hao Qingqing looked at Wang Fan's back, his face turned pale and ugly.

She knew that the Hao family was going to die.

Even if Wang Fan disdains to deal with the Hao family, there will be countless people who will deal with her Hao family in order to please Wang Fan.

Although her Hao family is good in Chuncheng, it's just good. She's not a overlord at all. She can't resist the impact of those people.

Now Hao Qingqing really just wants to blow her mouth. How many people want to hold Wang Fan, but she can't hold him on her thigh. She is so good that she rushes to the door to look for trouble.

I'm sorry.

Wang Fan didn't take Hao Qingqing seriously, and didn't step on her again. After leaving the bank, he went back to the manor he bought.

Originally, he picked up three waves of assailants in one day. He should be in a good mood. But after

Hao Qingqing, he couldn't be happy.

Even if Hao Qingqing is not worth mentioning in his eyes, it's hard to be happy when he encounters such things.

"Wang Shao." As soon as Wang Fan entered the door, Su Weiwei welcomed her with a happy face.

Wearing a green skirt, the woman looks slim and slim. A cuff is tied around her waist like a water snake, which highlights the slender waist and plump upper circumference of the willow.

Women who have just experienced moistening always look very charming, and their pretty faces are full of the unique happiness of little women.

"Vivi." Wang Fan looked at Su Weiwei, but also some helpless, this is not careful, and took a woman.

It is said that rabbits don't eat grass beside their nests. Now Wang Fan really has a feeling that he is an asshole.

"Wang Shao, I already know what happened just now. Do you want me to move the Hao family?"

Su Weiwei's eyes are soft, but her voice is very cold. "Wang Shao, you helped them with kindness, and they even dare to bite back. This kind of person is really hateful."

Wang Fan shook his head. "You must not be impulsive. I haven't seen the Hao family yet. There's no need to move."

"What's more, the spring city is not very peaceful now. We'd better avoid causing unnecessary trouble."

"As for the Hao family, I'll call Chu Shao now and ask him not to answer the list about the Hao family." Wang Fan said, pinch out the mobile phone.

He really doesn't want to deal with people like Hao Qingqing. His character is really bad.

And now the spring city is not peaceful, and Wang Fan's security is rising strongly. Maybe the Hao family will really ask for Wang Fan's security, so Wang Fan gets a preventive injection in advance.

Just because he doesn't pay attention to the Hao family doesn't mean he's not angry. He doesn't take the list from the Hao family, does he?

Wang Fan calls at the same time, Su Weiwei stands behind Wang Fan as always, gently pinches Wang Fan's shoulder, pinches them, and they roll down on the sofa.

Three days, just three days, the Hao family suffered an unprecedented blow, the stock plummeted, on the verge of bankruptcy crisis.

Hao Qingqing, Hao Qingqing are all in a mess.

They used their relations, means and assets, but they could not recover the disaster at all.

In this invisible smoke of gunpowder, they were defeated to the ground, and almost had the impulse to jump.

It's the end of three nights.

"Wang Fan, it must be Wang Fan!" Hao Qingqing is no longer sharp and haggard.

At a certain moment, she could no longer help standing up, "I'm going to beg him, I'm going to beg him, things are led by me, I should be responsible. I must not watch our Hao family go bankrupt. "

Hao Qingqing's face was ugly, and then he stood up and ran out of the door.

No matter how strong she is, no matter how overbearing and unreasonable she is, she still has feelings for the Hao family. She can't watch the Hao family fall down, and can't tolerate the destruction of the Hao family in her own hands.

Villa.

Wang fan is eating a lunch of four dishes and one soup made by Su Weiwei. Suddenly, a notice comes in, "Wang Shao, Hao Qingqing, Hao family, please see me."

"Hao Qingqing asked to see you? What did she see me do? I didn't do their Hao family's business. Is it meaningful to see me? "

Wang Fan immediately some depressed, this Niang can't be exasperated into anger, come to find fault?

He also heard about the Hao family, but he didn't do it. He was innocent.

Wang Fan waved his hand, "no! If she makes trouble, call the police directly and let the police deal with it. If she doesn't make trouble, ignore her. "

"Yes The people below nodded.

Wang Fan didn't take Hao Qingqing seriously, and then he ignored her.

He finished his meal, took a lunch break for an hour, and then planned to go out for a walk. Just as he drove to the door, he saw a woman kneeling outside.

After seeing Wang Fan in the driver's seat, the woman immediately fell on her knees.

Wang Fan was startled and stepped on the brake.

He opened the window and was very dissatisfied. "Hao Qingqing, what are you going to do? Are you going to touch porcelain? I have surveillance here. You can't touch me! "

This woman means too much and doesn't play cards according to common sense. It's normal for Wang Fan to have such doubts.

### **Chapter 1136**

"Wang Shao, Hao Qingqing has no eyes. I shouldn't offend you. Please hold your hand high and let me go."

"Don't worry, how much do you want? If you have any requirements, you can ask me. As long as you let me go, I'll do anything for Hao Qingqing."

Hao Qingqing saw Wang Fan open the window, quickly kneeling forward, and said with a runny nose and tears.

The voice was sad and pitiful.

Her face is no longer the day's sharp, there is no day's hegemony, some are just helpless and humble.

Maybe it's because she didn't have a good rest during this period of time. Her face is not very good, pale and colorless, and her eyes are full of blood.

If there are people who are familiar with Hao Qingqing's style here, it is absolutely impossible to believe that the master kneeling in front of him with a runny nose and a tear begging for mercy will be Hao Qingqing, who used to be powerful and overbearing.

Wang Fan looked at Hao Qingqing and listened to her words, but he couldn't help frowning, "Miss Hao, I don't understand you."

"I've heard something about what happened to your Hao family, but it has nothing to do with me. I didn't do it. Is it useful for you to ask me?"

"What do you mean? It's like Wang fan is dealing with your Hao family for money?"

He was very dissatisfied, "you can't frame good people."

Wang fan is really a little upset, because Hao Qingqing's words are too unpleasant to listen to, as if he Wang Fan played tricks behind the scenes.

After hearing Wang Fan's words, Hao Qingqing immediately regained her mind and gave her two big

mouths without hesitation.

Decisive, ruthless, no hesitation.

Two mouths down, her mouth immediately saw blood.

After she hit her two mouths with her backhand, she said in a hurry, "Wang Shao, it's my brain, it's my improper use of words. I'm wrong, I apologize! "

She changed her words in an instant, "Wang Shao, I know it has nothing to do with you, and it's not your doing."

"I beg you to help me, Hao family, for the sake of our meeting. I beg you."

As Hao Qingqing said this, he began to kowtow repeatedly, regardless of the presence of many Wang Fan security personnel around him.

She put down dignity, put down pride, put down face, is very decisive.

Wang Fan looked at this scene, but his eyes couldn't help tightening.

Hao Qingqing is really a talented person. He is so powerful that he is unreasonable. He doesn't hesitate to ask for mercy. Her flexibility was beyond Wang Fan's expectation.

It's not easy.

But Wang Fan didn't waver. "Miss Hao, although I want to help you, I'm really powerless."

"What's more, do you think our acquaintance is very pleasant? Should I help you? "

Wang fan is not a good and rotten Savior. If anyone asks for help, and he agrees, the Wang Fan group may not be able to survive.

What's more, Wang Fan didn't do the Hao family's business. Wang Fan's help is called friendship. If he doesn't help, it's duty. No one can blame him.

"Wang Shao, please help me once. I will do anything you want me to do. And I'm willing to pay 500 million more. "

"I don't need you to do anything for me. I just need you to give me a treat. Please."

Hao Qingqing screamed and said quickly.

She's a smart woman and she knows what to do to save the crisis.

Although the current situation of the Hao family is not directly caused by Wang Fan, it is inevitably related to Wang Fan's attitude towards the Hao family.

As long as she can have a harmonious dinner with Wang Fan, and then spread out, those people will stop.

Wang fan is not a fool. Naturally, he knows what Hao Qingqing means.

He looked up at Hao Qingqing.

He thought that Hao Qingqing wanted him to show his attitude, but he didn't expect that it was just a dinner.

Wang Fan looked at the time, and waved his hand, "in this case, I will give you a chance to treat, but you have to promise me a condition."

"What conditions?" Hao Qingqing asked, but her heart was a little uneasy.

Is it difficult for Wang Fan to want her body? If so, although she will agree, she will inevitably feel uncomfortable.

After all, no one wants to give his body to others under duress.

Wang Fan didn't know Hao Qingqing's disorderly thoughts. He pointed to the gate of the manor and said, "climb in!"

He didn't mean to humiliate Hao Qingqing, but since some things have been done, they have to pay a price.

Hao Qingqing treated Wang Fan as he did that day. He framed him, wronged him, and bit him back. He wiped out a hundred million yuan reward. He even wanted to let Wang Fan go to jail.

It can be said that if it wasn't for him, Wang Fan still had some skills, maybe he would have gone in now.

Hao Qingqing treats Wang fan like that, and now he comes to ask Wang Fan for help. Naturally, he has to pay a price. Otherwise, how can Wang Fan help Hao Qingqing?Of course, Wang Fan also wants to see where Hao Qingqing's bottom line is. Is she really pleading for mercy or acting.

"Of course, you may not climb, but if you don't, I'm sorry. I won't give you a treat."

Wang Fan said, but also pinch out the mobile phone, as if a pair of video recording.

But his eyes were fixed on Hao Qingqing's expression, trying to see what Hao Qingqing thought.

Hao Qingqing listened to Wang Fan's words and looked at Wang Fan's mobile phone again. There was a trace of shame and anger in her eyes, but she still gritted her teeth and nodded, "I climb."

Then she got up to the manor.

Extremely humble.

Her face was humiliating, and tears were in her eyes.

But for the sake of the Hao family, she had no choice.

What's more, she is willing to pay the price for everything she causes.

Maybe it's because of kneeling for a long time. Hao Qingqing climbs very hard. Her legs are almost moved one by one. Every time she moves, a painful twist will appear on her face, but she still insists on biting her teeth.

Wang Fan didn't see the hatred in Hao Qingqing's eyes, sighed, opened the door and got out of the car, "OK, I promise you, get up."

This sentence is like the sound of nature to Hao Qingqing. She takes a deep breath and stands up quickly as she repeatedly thanks.

Just legs too numb, did not stand firm, ouch, directly fell down.

Wang Fan was startled and quickly reached out to help him, "get on the bus. I promise you that I can also help you settle the Hao family's affairs."

"But remember, you can be strong, but you can't be unreasonable. Otherwise, even if I help you this time, your Hao family will still be destroyed in your hands next time. "

"Yes, yes." Hao Qingqing nodded.

"Do you want to go to the hospital to dress up, deal with the wound, and then change your clothes?" Wang Fan helped Hao Qingqing into the car and asked.

After kneeling for more than an hour, Hao Qingqing's leg skin was scratched, his face still had palm marks, and his clothes were a little messy. Naturally, he needed to clean them up.

"No, please take me back to my apartment. I'll just apply it myself. Please." Hao Qingqing said gratefully.

She thought Wang Fan would directly ask her where to eat and finish it earlier, but she didn't expect Wang Fan to be so careful.

You know, even if Wang Fan immediately asked to find a place to eat and finish the matter earlier, she did not dare to refute.

But in that case, her honor would be too humiliating.

Some things are known only after experience, and Hao Qingqing has recognized herself now. I know that I am a frog in the bottom of the well and that I am unreasonable.

Wang Fan no nonsense, with Hao Qingqing came to her apartment.

### **Chapter 1137**

As soon as Hao Qingqing got out of the car, he grabbed the door with a cry of pain. Her legs were shaking, obviously in pain.

"Are you all right? I can't. I'd better go to the hospital. " Wang fan is a little depressed. What kind of thing is this?

"No Hao Qingqing shook his head, and then seemed to be very difficult to say, "Wang Shao, can you help me up?"

She really hurt and didn't want to go to the hospital.

She is humble in front of Wang Fan. There is no way, but she doesn't want to be embarrassed. She is known all over the city.

Hao Qingqing is sure that as long as she goes to the hospital by herself, I'm afraid that in less than an hour, the incident will spread to the upper class in Chuncheng, and Hao Qingqing will become a joke.

Wang Fan looks at Hao Qingqing with some doubts, and his mental power sweeps Hao Qingqing's legs without hesitation.

Although he didn't see hatred in Hao Qingqing's eyes, and he was not afraid of Hao Qingqing's tactics, he didn't want to fall into Hao Qingqing's pit.

If this woman is deliberately pit themselves, stomach again think what bad water, there is always trouble.

But after he swept Hao Qingqing's leg, he immediately knew that Hao Qingqing was not pretending.

She had a few bruises on her knee, and two red spots that were skinned.

Of course, this is not the most important thing. The most important thing is that he found that Hao Qingqing's right leg had been broken, so she couldn't stand standing on her knees for such a long time.

"Forget it, I'll carry you up. Tell me the floor." Wang fan is really a little depressed. He hasn't even recited his own woman, but now he has to recite Hao Qingqing. What kind of thing is that.

"Thank you, thank you." Hao Qingqing blushed and climbed on Wang Fan's back without hesitation.

She is a decisive woman and a smart one. She knows that this is also an opportunity to bring her relationship with Wang Fan closer.

If you can really make friends with Wang Fan, then the Hao family will not only survive the crisis, but may also be able to go up the stairs.

Two groups of soft squeeze on Wang Fan's back, and then feel Hao Qingqing's woman fragrance, Rao is Wang fan can't help but some heart palpitation.

Although Hao Qingqing's character is not very good, he is really beautiful and has a hot figure. And with such a beautiful girl on her back, who can completely keep calm?

Fortunately, Wang Fan often rolls the sheets with Su Weiwei these days, otherwise I really don't know if I can calm down.

Hao Qingqing feels the breath of Wang Fan, and his heart is also throbbing.

She is so big that she has never been carried by men, including her father.

She has been very independent since she can remember.

Looking at Wang Fan's broad arms, feeling Wang Fan's strong manly breath, and the proud squeeze, she was also a little red faced.

She had tried her best to lift herself up and not let her touch Wang Fan's back. Unfortunately, it was too big to touch him.

In this atmosphere, they soon came to Hao Qingqing's apartment. After opening the door, Wang Fan let her sit on the sofa.

"Thank you." Hao Qingqing thanks again, but she blushes like an apple.

When she was talking, she quickly put the clothes she had thrown on the sofa under the pillow.

"You're welcome. Can you heal yourself? It's better for me to help you. "

Wang Fan poured two glasses of water, first gave Hao Qingqing a cup, and then took a cup himself, drinking and saying.

"Will you heal?" Hao Qingqing couldn't help but ask, but after the words came out, her face changed.

She is afraid that Wang Fan will be angry because of this sentence, so that she will fall short of success, after all, she and Wang fan are not so familiar.

"Of course." Wang fan is proud, "I'm the first little miracle doctor in China. I'm good at medicine."

He also joked, "it's just that I don't dare to heal you. I'm afraid you'll label me as a hooligan and frame me up for invasion. Then I'll really be in jail. "

Wheezing.

Hao Qingqing couldn't help laughing, "Wang Shao, you are so good at joking. I Hao Qingqing was nothing before. I always frame you up, but I promise I won't do that again. "

Without hesitation, she rolled up her trouser legs and kicked off her shoes. "Come on, help me heal."

She also half joked, "I believe Wang Shao, you won't play a hooligan to me. What's more, even if you play a hooligan to me, maybe that's what I expect from my heart."

Wang Fan was dumbfounded in an instant.

He took a look at Hao Qingqing's ten delicate jade fingers and his smooth white legs. Then he quickly turned his eyes and looked at each other's knees.

Apart from her character, this woman is really a charming mess.

Wang Fan did not answer, but quickly turned his eyes to Hao Qingqing's knee, and then half squatted down.

This posture, it's a bit ambiguous. Hao Qingqing pinched her trouser legs tightly, her face flushed, but she didn't say anything.

Wang Fan soon adjusted his mind, breathed deeply, took out a pill, crushed it, and applied it to Hao Qingqing's wound.

After the application, he spread out his palm and began to rub it gently.

Hao Qingqing suddenly feels that her whole body is becoming hot and dry, and a strange feeling rises in her heart.

At a certain moment, she even could not help but be intoxicated with the light chant out, infatuated.

Wang fan is a little depressed. He doesn't understand. What's the point of treating an injury and rubbing a leg? Isn't it tempting to commit a crime?

Under Wang Fan's rubbing, the wound on Hao Qingqing's knee soon healed, scab and bruise disappeared at the speed visible to the naked eye.

Hao Qingqing's pretty face turned red and became a monkey's ass, and her voice became louder and louder.

Comfortable. It's so comfortable.

Creak.

When a door opened, Wang Fan was startled, but now he couldn't stop. Once he stopped, he fell short.

Hao Xiaogang, who enters the door, is even more stunned. Because Wang Fan's back is facing him, he can only see Wang Fan squatting in front of his sister. The elder sister rolled up her trouser legs, opened her legs, blushed and whispered.

"Xiao Gang, why are you here?" Hao Qingqing was also startled, and instantly recovered. Thinking of her previous performance, she was even more ashamed and indignant.

Wang fan can't help looking back, but it makes Hao Xiaogang more misunderstood.

"Ah, I don't know about you. You go on. You go on. I'll go first." Hao Xiaogang saw Wang Fan's face clearly, quickly staggered and ran out.

Wang Fan was about to cry, "it's not what you think!"

Oh, my God!

An hour later, Wang Fan and Hao Qingqing left the apartment and went to a club.

Hao Xiaogang, who was hiding in one of the cars, looked at the scene and grinned, "it's not what I thought. What's that? In one hour, the fighting power is much stronger than me! "

Wang fan doesn't know that Hao Xiaogang has been squatting outside. After entering the club, they go to the box ordered by Hao Qingqing under the guidance of the waitress.

As they passed one of the boxes, the box door suddenly opened and a woman came out.

Wang Fan subconsciously turned to look inside the box, the next second, his eyes instantly condensed.

There are more than 20 people in this box, and more than 10 of them are men. These men are the

ancient warriors who killed people some time ago.

Their breath is strong, four people in the congenital peak, the rest are all in the congenital middle.

Moreover, Wang Fan also saw an old acquaintance, Luo Yan.

Wang Fan didn't expect that he was looking for these people and couldn't find any trace. Today, he came out to make soy sauce and met them.

It's really hard for anyone to say what happened in this life.

"Oh, this is president Hao Qingqing, what brings you here? I said, "what time is it now? Do you still want to take a date with a white face?"

Just as Wang Fan was thinking about whether to go in and clean up these people immediately, the woman who came out of the box already stared at Hao Qingqing and began to sneer.

She even sneered at Hao Qingqing, but even Wang Fan said, "this little white face is not so good. Can you stand the toss of President hao? Do you need me to introduce some to you?"

### **Chapter 1138**

This woman looks like she is in her thirties. Her appearance is not perfect, but she can dress up very well.

She was wearing a black and white cheongsam, which perfectly set off her pretty good figure.

Qipao fork to the thigh root, through the gap, you can see the inside white greasy, can't help but let people daydream.

But her eyes that stare at Hao Qingqing are very sharp. It's like meeting a feud. It's obvious that they have a festival.

Hao Qingqing is not a weak Lord. How can he tolerate such insults?

What's more, in addition to her being insulted, the other party even brought Wang Fan in, which is more unbearable.

With a crackling sound, Hao Qingqing stepped forward, slapped each other in the face without hesitation, and then said coldly, "Guo Yu, what I do for Hao Qingqing is not up to you. If you don't want me to break your face, get out of here. "

With that, Hao Qingqing didn't care about women at all, so she took Wang Fan to the box she ordered.

Guo Yu covered her face and even forgot to scream.

How did she not expect that Hao's family had already been like this, and Hao Qingqing even dared to beat her, which was just too incredible.

Looking at Wang Fan's back, she couldn't help but scream, "Hao Qingqing, you dare to beat me. I'm not finished with you. I must kill you

Hao Qingqing didn't care about her at all, so she took Wang Fan into the box.

Guo Yu is a scream, toward her box rushed in, "brother Mo, someone hit me, you must make the decision for me!"

Guo Yu rushed to a pockmarked face in her forties and said with a runny nose and tears.

This pockmarked face is a few days ago she met, powerful, but also very generous, two people recently roll bed single roll is very hot.

The most important thing is that Guo Yu knows that pockmarked faces are not ordinary people, and they have enough ability to find this place for her.

Not to mention that the Hao family is on the verge of bankruptcy, Hao Qingqing is no longer Hao Qingqing in the past. Even if the Hao family has not experienced those things, pockmarked face has enough ability to trample on Hao Qingqing.

"What, where is someone who dares to hit you?" Pockmarked face instantly stood up, and his body burst out with a sense of killing.

Unexpectedly someone dares to move his Mo Hu's woman, the other side is tired of living? Mo Hu's heart has set off a huge anger.

Guo Yu exhorted, got into Mo Hu's arms, sniveled and wept, adding oil and vinegar.

According to her story, when she met Hao Qingqing, she gave a friendly greeting and was slapped by Hao Qingqing. Hao Qingqing was very overbearing and she was very wronged.

Mo Hu was even more furious.

As an ancient warrior, he is still a powerful ancient warrior. Even if he doesn't have the reason to occupy, he will find out the person who dares to beat Guo Yu, and then step down. Now it's reasonable. How can I bear this tone?

"If you take me, I want to see if Hao Qingqing really has the courage of a bear heart and a leopard. He dares to be so strong and unreasonable."

Then he followed Guo Yu out of the box.

Although the other ten ancient warriors saw this scene and felt Mo Hu's anger, they didn't pay attention to it and didn't go out with it.

They all heard the story and didn't think Hao Qingqing had the strength to fight against Mo Hu.

What's more, even if Hao Qingqing can really compete with Mo Hu, so what? With Mo Hu's ability, as long as he is not killed in person, he can definitely escape back to the box. They'll do it again.

In a word, the departure of Guo Yu and Mo Hu did not attract attention.

"Wang Shao, I'm sorry, I'm reckless. I didn't expect to meet Guo Yu here, and I didn't expect that she would dare to insult Wang Shao. She was angry for a moment, so"

after Hao Qingqing took Wang Fan into the box, she immediately began to apologize.

Although she has deliberately suppressed herself, she didn't hold back just now.

Guo Yu even dare to say that she has a little white face and that she wants to find some men for her. How can she bear it? What's more, Guo Yu also scolded Wang Fan for being a little white faced.

Wang Fan waved his hand, "it doesn't matter, I can understand. By the way, who was that woman just now

"She was a former assistant of mine. Because she used to bully employees, I slapped her in the face and drove her out of the company."

Hao Qingqing began to say, "later, she has always held a grudge against me, and even found gangsters of underground forces to deal with me."

"In my anger, I pulled her out again and cleaned her up. Then she stopped."

"It's just that I didn't expect to see her here again today, and she has the courage to challenge me."

Hao Qingqing was a little uneasy, "Wang Shao, don't you blame me for being too reckless? I'm sorry, I really didn't hold back. "

Wang Fan shook his head, "no, it's just that you have to change your character. Don't be so impulsive in the future. Sometimes it's not a bad thing to be tolerant.""I can hear that the woman just said that this matter is endless, not aimless, but really confident."

"And he's in a private room, and there are more than ten characters. At least you can't deal with them."

Wang Fan said slowly.

Although Hao Qingqing slapped Guo Yu just now, he felt very cool and relaxed, but he didn't appreciate Hao Qingqing's personality.

It can be said that if Wang Fan wasn't here today, Hao Qingqing, the end of the matter, would have no way to solve it.

This slap would be enough to push the Hao family into the abyss.

Wang Fan didn't understand how Hao Qingqing's character survived to the present, and how the Hao family survived to the present?

Even if there were not so many ancient warriors in Chuncheng before, there were more than the Hao family, right?

Where does Wang Fan know that before there was no ancient warrior in Chuncheng, Chuncheng was more powerful than the Hao family.

Hao Qingqing won't offend those people at all. Naturally, he has been safe all the time. It's only recently that the number of ruthless people in Chuncheng has suddenly increased, and the malpractice of Hao Qingqing's character has been revealed.

It can be said that even without Wang Fan and Guo Yu, Hao Qingqing's personality will certainly offend other cruel people.

"Ah?" Hao Qingqing opened her mouth wide and suddenly became frightened. "Well, I won't bring you any trouble, will I?"

"Not that." Wang Fan shook his head, "they can step on you hao Qingqing, can step on your Hao family, but if you want to step on me, it's not enough."

Wang fan is very confident, this is self-confidence in their own strength, "well, you do not have to worry, since this matter I have encountered, then I will help you solve the problem."

"Even if they don't come later, if they dare to come, I'll help you deal with it, but you can't be so impulsive in the future."

Wang Fan patted his chest and said.

Although there is no such thing as Hao Qingqing, when he meets Luo Yan, he will not let it go easily.

It's only at this time that a fool would say that. Why not let Hao Qingqing owe him a favor?

Maybe as soon as Hao Qingqing is grateful, the 500 million he promised before will directly become 600 million.

"What a big tone. I want to see how you deal with me, Mo Hu!"

As soon as Wang Fan's words fall, Hao Qingqing hasn't had time to answer. With an angry voice, Mo Hu has already kicked the door and burst in.

He stares at Wang Fan fiercely, and his eyes are filled with a sense of killing.

### **Chapter 1139**

Hao Qingqing looks at Mo Hu, who rushes in with a murderous spirit. He feels a thump in his heart and stands up in an instant.

Originally, she thought Wang Fan's words were alarmist, but now it seems that they are more real than real gold.

Under Mo Hu's strong intention to kill, she felt like a straw, as if she would be killed at any time, and had no resistance at all.

"Mo Ge, that's the slut. She hit me in the face. You must decide for me!"

Guo Yu also jumped out from behind Mo Hu and pointed to Hao Qingqing. Her eyes were full of strong malice.

She pointed at Hao Qingqing, "cunt, I will certainly get back the humiliation of today and the humiliation of the past."

Hao Qingqing did not speak, but his face became ugly, and he subconsciously hid behind Wang Fan.

Now, she can only rely on Wang Fan, and only standing behind Wang Fan, she will feel a sense of peace of mind.

Wang Fan looked at the murderous Mo Hu, not only did he not slow down to drink the red wine, but also said faintly, "your name is mo Hu. Is it for that woman?"

The tone is flat and the momentum is calm, just like the superior is questioning the inferior.

Mo Hu is so angry that his nose is crooked. He has seen a rampant man, but he has never seen Wang fan so rampant.

In front of him Mo Hu question even if, unexpectedly still dare to drink, this is simply despise.

"You're right. I was just going to teach the woman who dares to hit yu'er's face a lesson, but I didn't plan

to clean up you little shrimps."

"But since you dare to speak up and threaten to deal with me, don't blame me for being impolite!"

Mo Hu cold finish saying, direct stride then walked toward Wang Fan in the past, the mouth also tut tut exclaimed, "you are very cow, you are really cow."

"Don't be ashamed to say that you want to deal with me, Mo Hu, and dare to be so presumptuous in front of me!" Teach you a lesson.

"today I am not fox if you don't give me some color to see if you know what is terrible, I am not Mo Hu."

With the sound, Mo Hu had already run to Wang Fan in three or two steps. He leaned out his right hand and pinched Wang Fan's neck like a chicken.

Wang Fan looked at the scene and sneered. Mo Hu is really arrogant. He doesn't even know Wang Fan's strength. He dares to trust him so much. He's looking for death.

At the moment when Mo Hu's big hand is about to catch Wang Fan's neck, Wang Fan suddenly sticks out his left hand and grabs his wrist to pull forward.

PA ground a, Mo Hu whole right hand is pulled instantly put on the table.

Wang Fan's action is ceaseless, the right hand suddenly grasps a fork, the backhand then fiercely inserts!

With a hiss, the sharp fork penetrated Mo Hu's palm in an instant and nailed it under the table. The red blood came out immediately.

Shocking!

Wang Fan nailed the palm of Mo Hu's hand, but he didn't stop moving. His right leg quickly moved forward two times.

Click, click.

Mo Hu's legs were instantly kicked to pieces, the whole person sent out a stuffy hum, involuntarily knelt on the ground.

There was a storm in his eyes, a cold sweat on his back, and he even forgot to scream.

He didn't expect that Wang Fan's role, which looks like soy sauce, didn't make him feel dangerous at all. It would be so terrible and sharp.

Isn't that terrible?

Wang Fan grabs the fork with one hand and holds Mo Hu's right hand to prevent him from pulling out. The other hand has slapped on his face with a flat tone,

"don't you want to know how I can deal with you? Do you know now? You're right. I'm really good, and I'm not an ordinary cow. "

"Just you want to give me some color to see, want me to know how to call terrible, I'm afraid you can't do it, you don't have the qualification."

Wang Fan's last slap suddenly increased his strength and knocked out Mo Hu's teeth. His tone became fierce. "I'm just presumptuous in front of you. What can you do?"

There was a dead silence.

Mo Hu couldn't say a word. He forgot the scream, the threat, and even the humiliation.

Wang Fan's last drink gave him a mountain like atmosphere. He felt that he was inferior to a mole ant in front of Wang Fan.

Hao Qingqing also covers her mouth and shakes her face.

Now she is really aware of Wang Fan's terrible, this person is too strong, also too fierce.

In particular, Wang Fan's dignity made her feel very small and could only look up to her.

She was a little scared and a little lucky.

Fortunately, Wang Fan didn't treat her Hao Qingqing that day. Fortunately, Hao Qingqing didn't ask her bodyguards to move Wang Fan. Otherwise, Hao Qingqing would have been finished.

Compared with Hao Qingqing's shock, Guo Yu's heart can hardly be described as shock.

That's Mo Hu. That's a powerful character that can hardly be matched!She saw with her own eyes, once late at night, dozens of fierce men besieged Mo Hu with swords and sticks, all of which were killed by Mo Hu.

But even so, Mo Hu is so vulnerable in front of Wang Fan.

God, who is this little white face?

How can Hao Qingqing's life be better than her every time, and she can step down easily?

Guo Yu is completely stupid.

After returning to her senses, she screamed "ah" and ran out.

Hao Qingqing's face changed and she was about to chase him, but he was stopped by Wang Fan.

"Wang Shao." Hao Qingqing didn't know, so, "didn't you say there were more than ten powerful people in their box?"

"The bitch Guo Yu has gone. She must have gone to move the soldiers. We can't let her go."

Wang Fan said with a faint smile, "if she doesn't leave, how can those people come to revenge, and how can I help you solve the problem once and for all?"

He looked at the women, "I said they are powerful, just for you hao family, for me, they are not enough to see."

Hao Qingqing listened to this, while rolling her eyes, she was also moved.

She rolled her eyes because Wang Fan's words were too pretentious. It seemed that Wang Fan was the most powerful in the world.

She was moved by Wang Fan's "once and for all" solution to the problem.

Hao Qingqing's heart is inexplicable. She suddenly feels that she is hopelessly in love with this man who is full of magic.

Mo Hu's heart is more clattering for a moment, there is a kind of scalp numbness feeling.

Does Wang Fan know that there are more than ten experts in their box? How did he know?

Since Wang Fan knew that there were so many experts in the box, he even dared to let Guo Yu go back for help. Is that arrogant?

Is Wang Fan a fearless and ignorant person, or is he really confident?

Mo Hu can't calm down any more.

Less than two minutes later, Guo Yu once again took more than ten people into the box.

To be exact, it's not Guo Yu who is leading the way, because she is respectfully following one of the young people. She is not as good as a pug.

The first man is in his thirties. He is dignified and has a lot of temperament.

His face is always with a calm and calm smile, as if the sky will not change color.

No matter Guo Yu or other people, they all followed him respectfully and gave him enough respect.

Wang Fan took a look at the young man and couldn't help grinning.

Luo Yan is an old acquaintance.

There are so many people who should come here.

At the moment when Wang Fan looks at Luo Yan, Luo Yan also sees Wang Fan. His heart is thumping. He almost can't help but turn his head and run outside. Fortunately, he suppressed it in time.

At this time, Guo Yu pointed at Wang Fan and said angrily, "that's him, that's him! It's him who wastes Brother Guo and says that you are all rubbish. He can step on as much as he comes! "

As always, it's a little bit more complicated.

There was a moment of silence.

#### **Chapter 1140**

"Brother Mo?"

"Son of a bitch, how dare you

"Dare to treat brother Mo like this, I will not call Tu Heng if I don't scratch your skin and cramp you today!"

After returning to God, the three men who had a good personal relationship with Mo Hu suddenly became angry.

Their whole body murderous spirit crazy volume, the first time then crazy toward Wang Fan put to death in the past.

Wang Fan even dare to say that they will step on as many as they come, and even dare to torture Mo Hu like this. If they can bear this, they are not qualified to cultivate martial arts.

Among the three, one is at the top of his inborn strength, and the other two are at the middle of his inborn strength.

Tu Heng, who was born at the top of the mountain, was also the fastest and the most advanced.

Almost just in an instant, he had rushed to Wang Fan.

I don't know whether he is not used to using weapons or he disdains using them. At the moment when he was close to Wang Fan, he squeezed his right fist directly and killed Wang Fan without any hesitation.

At this moment, the killing intention of the surrounding space seemed to be stirred up, and rolled to Wang Fan who was sitting still.

"Ah." Feeling the obliteration, Hao Qingqing grinned and screamed, her pretty face turned pale.

It's terrible. It's terrible.

She felt a breath of death. She had no doubt that if this blow hit her, she would be dead and lifeless, and still dead and lifeless.

She was just affected by the spread of the killing intention, and this strong feeling emerged. It can be seen from this that how much killing intention should Wang Fan bear?

It can be imagined that if Tu Heng is targeting Hao Qingqing, he doesn't need to blow his fist at her. Just that sense of killing is enough to kill her.

Luo Yan's face is even more ugly, but it's too late for him to stop it.

He had been thinking about how to find excuses and how to beg for mercy in order to avoid the crisis. But unexpectedly, Tu Heng three people even moved ahead of time.

What an idiot!

It's not enough to succeed, it's more than enough to fail!

Fall speech in the heart hate of gnash teeth!

Although Guo Yu and others are aware of Luo Yan's face, they don't think that Luo Yan is complaining about Tu Heng.

They thought that Luo Yan was also infuriated by Wang Fan's arrogant behavior.

"Skin me and cramp me? Do you deserve it? " When Tu Heng's fist was about to fall on Wang Fan, Wang Fan suddenly opened his mouth with a cold smile.

He didn't even stand up. His right fist was tight in an instant. His muscles were tight and his inner Qi was surging. Then he turned back and met Tu Heng with his fist.

Bang!

There was a loud noise, and the waves were overflowing.

Tu Heng felt a wave of violence pouring into his right arm. From his fist, the whole right arm was smashed.

Flesh and blood spatter, just like fireworks during the Spring Festival.

His throat is not suppressed in the surge of a fishy salty, and then hiss, spurting out a mouthful of dazzling blood.

Shock!

Dead silence!

Tu Heng is not the enemy of Wang Fan!

Tu Heng's heart also set off a storm, in the heart of a flash of thought, back, back!

Just his idea just produced, has not made the movement, Wang Fan has suddenly jumped up, a foot stepped on his chest!

Bang!

There was another loud noise. Tu Heng flew out like a broken kite, and it was hard to get up when he fell to the ground.

A generation of congenital peak, completely become a loser!

The other two congenitally looked at this scene, eyelid crazy jump, in the mid air to resist the body.

But even so, Wang Fan did not let them go, two slapped, two congenital middle like sandbags flew out, into Tu Heng's follow-up.

Wang Fan coldly looked at Luo Yan and his party, "how, I abandoned them, do you have any opinions? I said, "I'll step on one of you. Don't you agree?"

He pointed a little bit, said seven or eight people, domineering export, "who does not accept, stand up, I hit you

With Wang Fan's voice, the audience fell into silence again!

How arrogant and arrogant is this?

However, Wang Fan's strength is there, but Luo Yan and his party dare not say a word.

None of them has the strength to fight against Wang Fan!

Guo Yu was also stunned!

Son of a bitch, where did Hao Qingqing get such a white face? Why didn't Guo Yu have such a good life?

Jealousy!

No!

Anger!

Mixed feelings!

Pop!

Just when Guo Yu's face was ugly and he thought about these messy things, Luo Yan had already recovered and slapped Guo Yu's face with his backhand.

Guo Yu screamed miserably, and the whole person immediately flew up and fell to the ground. The neckline is wide open, the leg skirt is rolled up, and the spring is full.

But no matter Luo Yan or others, no one has the heart to appreciate Guo Yu's spring.

Luo Yan stepped forward again, pulled up Guo Yu's hair and fanned down with the other hand.

"Cunt, rotten goods, even Master Wang dares to challenge. You are blind!"

"Is master Wang the one you can challenge? Even if he beats me, I have to bear it. What are you? "

Falling words are sharp and crazy.

A few slaps down, Guo Yu's face has turned into a pig's face, and the corners of her mouth are full of blood, miserable and miserable.

Luo Yan fan Guo Yu fiercely, and then looked at Wang Fan, "Master Wang, I'm sorry, I don't know that this bitch offended you, please forgive me."

"As for Mo Hu Tu Heng's four men, they dare to challenge Master Wang. Let alone abolish them, even kill them!"

Among those congenital peaks in the ruins city, the one who is most afraid of Wang fan is probably Luo Yan.

He is deeply aware of Wang Fan's terror!

No one can help Wang Fan, no one can help Wang Fan. Where does he have the strength to challenge Wang Fan?

Wang Fan looked at the scene, only sneer, he pointed to the words, "you have the right to stand with me?"

In a word, not only Luo Yan's face became ugly, but also the other seven people's faces became ugly.

"Brother Luo, why are you afraid of this guy? Damn it, I don't believe it. We can't help him together!"

"That's to say, it's too arrogant and presumptuous to want brother Luo to kneel down. We don't pay attention to him!"

"Brother Luo, you flatter him to give him face, but since he doesn't give you face, why should we be polite to him?"

The seven people became angry one by one, obviously unable to stand Wang Fan's arrogance.

Luo Yan's face is also a burst of ugly, but soon reflected.

"Shut up

He yelled out, then knelt down without hesitation,

"Master Wang, we shouldn't have offended you this time. Please raise your hand! If you drive me to go through fire and water in the future, I will not refuse it! "

What about holding back and anger?

In front of the powerful strength, he can only kneel down!

Wang Fan's fierce and powerful, but he personally experienced, he asked himself also can not provoke Wang Fan, can only clip the tail to be a man.

"That's right. That's your attitude." Wang Fan said with a smile, and then looked at the seven people, "don't you kneel?"

"Kneel? Kneel down, your sister! Even if I die, I won't kneel down for you! "

"Damn it, Luoyan has no backbone, but I don't have backbone. If we go together, I don't believe it, but I can't help this son of a bitch!"

"We're fighting this son of a bitch!"

Seven people anger extremely but smile, pull out the weapon one after another, crazy toward Wang Fan blast killed in the past!

They who don't understand Wang Fan's horror can't understand Luo Yan's fear, and can't bear Wang Fan's humiliation!
